# Noticeboard

The Royal Wedding has been and gone, the May Festival will be in full swing by the time you read this and we are approaching the longest day which falls on 21<sup>st</sup> June. Summer is here - let's hope it'll be a good one!

John Fallows, who has been Treasurer of the Gazette in the past, has rejoined the team, this time as distributor for Cadgwith South. Thanks John and welcome back.

You have probably been inundated recently with companies, charities and organisations that you have dealt with in the past (sometimes the long past!) emailing or writing to you about GDPR (General Data Protection Regulation). It requires anyone who holds information about you to tell you what they're holding and why. We at the Gazette hold information about you. We have address lists so that our distributors know where to deliver the magazines. For some of the rounds, we hold your names as well. These are never disclosed to outside parties. If you would like to see the information we hold about you or have any concerns about it, please let us know. Contact details are on page 4 opposite.

Error in the May Gazette, part 1.

The Lifeboat featured in the photograph on page 48 was captioned "Cadgwith Lifeboat in 1911". Of course, it wasn't the Cadgwith Life-

boat, but the Sir George Beck Lizard Lifeboat. Apologies to Rose Bowcher who supplied the photograph and thanks to Jocelyn Jane Fletcher for putting me right. I'm sure many of you spotted the error.

Error in the May Gazette, part 2.

Sally Watts, who edited the May edition, is mortified that she mixed up our Football Team managers Gary and Wayne. I hope you joined me in having a smile at "Gary Briggs and Wayne Pollard". Apologies to you both.

## *Life on the Edge, Garden Safari 2018*

*By Jonathon Coudrille*

*Doh, Mi-soh-la-soh \*doh ti/la/soh/mi/doh.*

*While the weird weather has given us no toads, burned with icy wind the buds from the Birches and delivered crazily overgrown Campions and Umbellifers over a carpet of lesser grass-proof weeds, it's also bestowed a merry cohort of Blackbirds, very many blackbirds indeed. They squabble a lot and evidently mate successfully, for there are treefuls of fat, torpid babies. Meanwhile, in between feeding them beak-to beak, the glossy males find the energy to sing their beautiful well-known Blackbird-song. All save one eccentric whose liquid voice runs up and down a melody very close to - I think it's the second subject? - the tune from Camille Saint-Saens' Organ Symphony.*

*I've known other wild birds copy sounds they've heard; when there were abundant Starlings, they learned to drive me mad by mimicking the little frog-shaped telephone I'd bought in Singapore, sending me sprinting to a silent instrument as often as they felt like it; but Blackbirds?*

*Listening to their song and the ripple of the ocean far below, one can believe that, in the words of Marie Lloyd, "Everything in the Garden's Lovely", apply Gravity to the Deckchair, elevate one's feet and, in the words of Dobie Grey, Drift Away, but it's only two months to July the 22<sup>nd</sup> and, the 2018 Garden Safari. With a few furlongs of paths to weed and, twice the same in hedges to clip and argue back into place after the storms, leisure will now not just take a back seat but, ride standing.*

*We shall as usual, serve tepid squash and soggy crisps, and the band will play on what remains of the lawn. It would be lovely to have some more gardens to visit this year; there are new folks in town that we have yet to meet as well as old friends that might like to join in and add to the variety of gardens on display; nothing needed but a tin (provided) for donations (keep the Churches from falling down) and a saintly love of humanity for a few short afternoon hours. Can I tempt you? I'll post a call for entries online in a bit, and/or you can ring Chief Weeder Sheila Stephens, 01326 290 583 to enquire; but now, where's that deckchair?*

### **Wanted: Cleaner for small B and B business**

## From the Village Hall

The committee would like to thank those who attended the recent AGM. Trustees elected were: David Endean, Liz Outten, Mark Outten and Jan Halliday with organisational representatives: Steve Griffiths for Bowls and Jeff Lee for the Parish Council. We are extremely grateful to Sally Watts who provides support in so many ways; to Jean and Brian for manning the raffle at the market and to Jill, Carolyn, Lorraine and Malcolm for their Quiz services. Thanks also to the 'guest presenters' who have helped out.

We are pleased to be able to keep the hire charges the same for the second year running and to keep our low refreshment prices on market mornings. Thanks to all those who ensure the smooth running in the kitchen, however it is a very small band and we would like to put out a plea for anyone who might like to help out on a Thursday morning. It doesn't have to be every week – any assistance would be gratefully received. Maybe once a month or so?

For anyone unable to attend the AGM, we are still looking for help on the committee, particularly in a secretarial capacity. The hall is a great community asset but it requires people to run it so please come forward if you feel you would like to help. Pop into the market on a Thursday morning or ring Jan Halliday (290978).

A reminder for those using the snooker room or playing bowls that hall fees are now due - £10; £8 for those 60 years and over; £6 for 16years and under. Thank you to all those who have already paid these fees.

*Jan Halliday*

# Grade Ruan Community Trust Report

Nicky Jose and Richard (Skinny) Williams have resigned as Trustees of the Community Trust. The remaining Trustees would like to put on record their thanks for the contribution that Richard and Nicky have made over the years. Nicky was a founder member of the Trust when it was set up in 2007 and has played an active part in decisions made by the Trust. Skinny joined later and became a valuable source of expertise on many technical issues, among them, car park maintenance. A big thank you goes to both Nicky and Skinny.

The Trustees were delighted when Sam Jane agreed to become a Trustee. We are sure that Sam will prove to be a helpful and positive influence on the Trust.

There is still room for one or more Trustees. If you would like to be involved in looking after the facilities in the Parish and having input to decisions about the work of the Trust, please consider becoming a Trustee or Committee Member.

## AFFORDABLE HOUSING

The Community Land Trust has been working now for four years to get some more affordable houses for people with strong local connections. We know the need is still high as there are nearly 40 local families on the Homechoice register operated by Cornwall Council, and about 20 of those are people who require a small, single bedroom home. We also know that buying an open-market house is out of the question for most local families. The average house price is now about *nine times* average annual wages. It's probably worse than that here as we continue to be hit by the demand for second homes and holiday lets.

After the excitement of getting planning permission for our six new homes (four one-bedroom and two two-bedrooms) in Ruan Minor, we are working flat out to get tenders for contractors so that we can actually start building. Our next big headache is raising the finance to pay for it. We're still sure of getting the £257,198 that Cornwall Council are holding on our behalf, but the rest we'll have to borrow on a commercial bank loan.

Unless, that is, we can find other sources of funding. Are there any generous citizens out there who might be interested in giving us a donation or a long-term loan? The less we have to borrow, and pay interest to our chairman, Paul Collins, on 290754 or our secretary, Peter Freeman on 200642.

# Grade-Ruan Under 5s

As I write we have 1 week left of this half term before we enter our 2 week holiday. The children have had a great time looking at all kinds of Super Heroes. We had Super Hero running races on the rec, a Muddy Puddle walk for Save the Children and have celebrated the Royal Wedding with the children's own Super Heroes invited to join us. It was important for us to ensure the children understood that Super Heroes do not just fly through sky wearing colouring capes and the Save the Children walk really helped them understand this. We raised £10 for Save the Children; the children had lots of fun looking out for the Peppa pig characters as we walked down to Poltesco where we all enjoyed our Peppa pig homemade biscuits.

Forest school has been running every Friday afternoon and is thoroughly enjoyed by all who attend.

Our Ground Force Day in the school garden saw a great amount of hard work done by parents from pre-school and school. A great transformation has been achieved; feel free to pop your head over the gate to have a nosy! Plans are well under way to enhance the area and the pre-school children have been busy making bird feeders.

As we approach the last half term before we finish for Summer we have 4 children preparing for 'big' school! They have begun their transition days and are already very settled with their new surroundings. We will be holding a graduation event for them on Wednesday 18<sup>th</sup> July.

We have spaces available for September for 2, 3 and 4 year olds. We also accept 2 year old funding as well as 3 and 4 year old funding. Get in touch to discuss further and confirm your days.

All are welcome to attend our AGM on Wednesday 6<sup>th</sup> June at 730pm in The Pavilion on the Rec.

Upcoming fundraisers to make a note of (remember ALL are most welcome to support us!)

Friday 22<sup>nd</sup> June 6pm for eyes down at 630pm BINGO! Joint fundraiser for pre-school and school to support the garden transformation. Pasties available to pre-order, speak to pre-school to order yours!

Summer Fayre on the Rec Saturday 21<sup>st</sup> July - more details to follow.

We return to pre-school on Monday 11<sup>th</sup> June and break up for the Summer break on Friday 20<sup>th</sup> July.

Keep an eye on our social media page and for posters around the village for any extra fundraisers we manage to slip in!

Thankyou for your continued support!

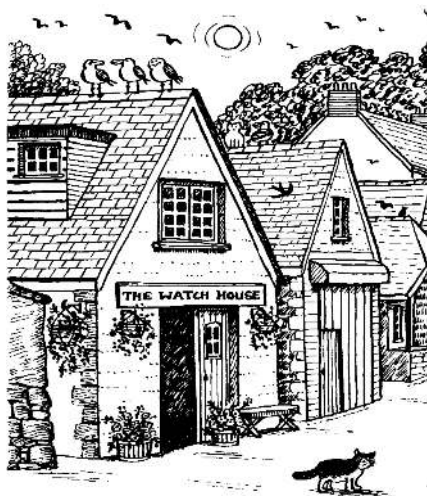

*Melissa Hudson.*

# Recreation Ground News

See us on Facebook:  
"Grade Ruan Recreation Ground"

As I write, it's too early to report on the May Festival - as it's not until next weekend! However, the weather forecast looks good for once, so hopefully the event will have been as successful and enjoyable as ever.

RMFC are just one win away from promotion to the next league - but again it's too early to report as there are 3 matches still to play!

Besides the festival, we have a few more big events ahead of us in June and early July, then the Summer BBQs in Cadgwith and some Sunday afternoon cricket matches are planned over the Summer - looking forward to it!

With improving finances, we are progressing various improvement works - the most visible so far is expanding the patio area, allowing us to sit a marquee section on it (with concreted-in anchor points) to act as an awning and extension in front of the main doors, and as a link to a larger marquee for big events. We plan to extend the concrete round past the changing room entrance, as far as our recycling bins, soon. Eventually, the patio area in front of the building will be paved, and edged with a low wall, or similar. We are fitting a strip of sound absorbent foam along the length of the ceiling - to reduce the noise levels inside a bit. Behind the scenes there is insulation to the cellar

roof to finish off, and possibly it will need additional cooling. We are also moving forward with the kitchen, hoping to complete it over the Summer. We have purchased a suitable extraction system to meet regulations (not cheap!), and are assessing what equipment we need. Related to this, we are also considering how we are to manage the kitchen in the future - we have a number of options to explore, and I hope to have more to report next month. We are also planning some works to improve the drainage of the field.

Coming up is our AGM - this will be held on Wednesday evening the 13<sup>th</sup> June at 6.30pm in the Pavilion. We are hoping that this is a convenient time and would like as many as possible to attend. We would really like to have a few more members! Last year we made a couple of constitutional changes to remove the requirement for all committee members to be trustees, as we realised that not everyone is happy with this responsibility. We would also welcome anyone who just wants to meet us and find out what we are doing - without necessarily joining the committee. Anyone who wishes is welcome to attend.

Many thanks for your continuing support.

Mike Fleetwood, Chairman.

## ***Rector's Ramblings: A Flat-pack Temple***

In the centre of many of our villages is a building, unlike the others, which most people call the Church. Others built it and we have inherited it; It is just there, and you can go into it when you want (most of them are open). It is undoubtedly a special building; the trouble is that it is not really Church; Church, God tells us is a group of people.

There are many metaphors in the Bible describing Church – a Body, a Household, a Royal People. Confusingly, one metaphor is a building – a Temple – but all of them, including the Temple, are about People. How does that change things for us?

People are not like a building that just sits passively waiting for us until we need it. Nor is this People-Church like a crowd, that we can join or leave, relatively anonymously, as we feel like it. This People-Church, like any group of people worth being part of, is all about relationships – and let's face it, relationships are harder than just going to a building.

The good news is that the main relationship that matters is with God, in Jesus – whose welcome is assured by the cross on which he died for us. We can work out our relationships with one another only when we discover that we all share a relationship with him.

But it does take some effort on our part. Even when we come together as his people it can feel as if we are faced with a flat-pack temple (think of Ikea). We know all the bits are meant to fit together, but we are not sure how. Putting them together (building the temple) seems beyond us; so, we are content to call the pile of bits, a temple, without working out the relationships that will really build it into what it is meant to be. Perhaps we have tried, but some relationships did not work out – so we resolve not to try that again.

But God wants to build us together. In his word and his Spirit, he will give us the instructions we need (if we will take care to follow the instructions). In Jesus, the door to being part of this People-Church is open. Let's not be content with being a flat-pack pile of bits, when God longs to build us together into a place where he lives in us as his People-Church.

There are two implications in this that I would urge you to hear: If you are in that pile of people and you have tried to build relationships (perhaps with someone in particular), and you have been hurt. Don't let it stay like that. Pray for God's help to build again. Seek reconciliation, whatever it costs. The blessings of being built together are more than worth it.

If you have been welcomed in (perhaps in baptism, or in being married in church), but you have never tried to build a real relationship with this People-Church, come again. We would love to welcome you. You may just be a vital part of the temple that we have been looking for. Again, the blessings of being built together are more than worth it.

Don't worry if you don't see how this could work for you. Like all flat-pack kits there is a special key that makes it all possible. In this case, the key is Jesus, and you will be surprised at what he can achieve when you let him into your life. Don't be put off. This people is meant to fit together, and so are you.

Yours in Christ

# QUIZ NIGHT NEWS

April's Quiz saw six teams battle it out for the monthly trophies once again. It was good to see some people on holiday come in and enjoy the evening with us. Skinny was our guest quiz master this month. We had a fine selection of rounds supplied by Lorraine and Carolyn. We had many geography questions this month, including a selection of African commonwealth countries, a selection on insects especially termites and a round for us greenfingered types. Did you know that Carey Grant and Noel Coward were both offered the role of 007 in Dr No? It was tight at the top, so much so that 1<sup>st</sup> place was shared between the Scilly Old fools and the Jumblies, at the bottom of the leader board Martin was delighted to accept the wooden spoon for the Cliffhangers.

See you all on the fourth Tuesday of the month. There is always room for more if you are up to the challenge.

# Gardening in June

by David Endean

Well here we are half way through the year already and this month is always the busiest, so it's a good job that it also has the longest days. These long days, warmer weather and spring moisture mean that everything is growing at full speed, especially the weeds. Take every opportunity on those hot sunny days to use your hoe everywhere in the garden. Let nature do the work and shrivel those weeds up after the hoe has gone through the ground. It is much easier and less time consuming to hoe when the weeds are small than when they get larger and you have to do hand weeding.

The better weather will make the lawns grow fast also, so keep on top with regular mowing. Lawns will also benefit from some feeding at this time of year. It may seem mad as you may have to cut it more but it will make the lawn healthier and more able to cope with whatever this summer will bring. At this time of year use a feed which is high in nitrogen but if you have none of that to hand, a liberal dose of Growmore will suffice.

Many of the plants in your flower borders are now coming to a peak. I always think of the end of June as the pinnacle for herbaceous plants. You can extend the flowering period of many of these herbaceous plants by performing an act known by many in horticulture as the Chelsea Chop. As the name suggests, this normally takes place around the time of the Chelsea flower show which was a week or so ago but it is not too late to give it a go in the first week or so of June. What you do is cut a third of the shoots off. This can vary in your garden if you have a group of several of the same plant then pick out a couple of the individual plants and cut off the top third. If you only have the odd plant then cut off the top third of a third of the stems. The effect is the same in that those stems that have been cut off will branch out and bush up and so flower several weeks later with the untouched stems flowering at a normal time. This treatment is good for plants such as *Sedums*, Obedient plant, *Achilleas*, *Phlox*, Shasta Daisies and Sneezeworts to name a few. Once these plants have flowered, do not forget to dead head as this will encourage them to flower a little more.

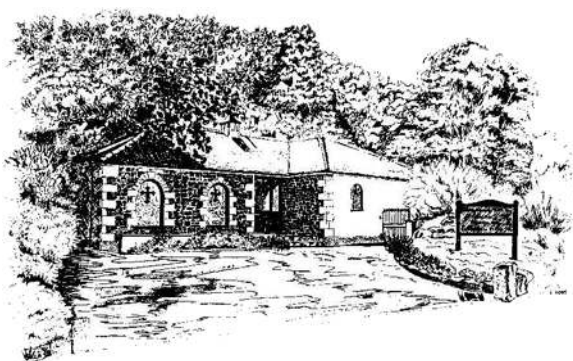

In your veg patch I expect you will be thinking about lifting your early potatoes; they are later this year due to the beasts from the easts. The first Cornish earlies appeared in the shops on the 17<sup>th</sup> of May this year at least two weeks later than normal possibly three. They are a treat for many and I suggest you only lift enough for each meal as you require them. This is because they do not keep well and the flavour is best the fresher that they are. As for your maincrop potatoes, make sure that they are well banked up and it is a good idea to give them some protection from blight. Nothing is guaranteed, but you can use products like Dithane 945. Some people swear by using a very dilute solution of full cream milk, but I have never tried this.

Carrying on in the veg patch, there is much to do. Keep sowing. Runner beans, French beans and peas will all romp away at this time of the year. Make sure you put a generous portion of well-rotted organic matter underneath them as they are thirsty devils and this will hold the moisture better. Using a wigwam system suits most people best as it will give enough crop for most and is all but self-supporting.

Keep on sowing your salads. Many people sow their maincrop carrots now. Sow and plant out most brassicas like cabbage, turnips, swedes and Kohl Rabi I would strongly recommend with these to grow them under a frame, covering in a fine net to help stop damage from caterpillars and pigeons. To stop problems with cabbage root fly grubs, you need to place collars made from old carpet tight around the stems from the minute that the plants are put into the ground.

Keep on top of your tomato plants. They need steady regular watering and your cordon grown style plants will need regular side shoot removal. I always favour a cordon grown plant rather than the easier bush style. This is because they can be controlled better, take up less space and, without the tangle of branches, more air can get around the plant to reduce diseases and more light will get to the trusses of fruit to help them ripen.

June is the traditional time to sow your biennials, just as they are beginning to bloom in your garden it's time to think about next year. These plants are the Wallflowers, Sweet Williams, Foxgloves and Canterbury bells. Find a patch in the vegetable garden, make sure it is weed-free and work the ground down to a fine tilth, then sow the seed in shallow drills a foot apart. It is often good to water the bottom of the drill before sowing to aid germination. Once they have grown on they can be lifted and spaced out so that they are six inches or so apart. They can grow on from there until they are required in late summer or autumn to bed out or fill gaps.

What will I be doing this month well all my exhibition stuff will need work. The sweet peas will need tying in at least weekly if not more and the flowers will be coming in thick and fast hopefully. My dahlias will be planted out early on in the month when all danger of frost has passed.

Just remember to get out there and enjoy your gardening.

Report to Council meeting – 14<sup>th</sup> May 2018

## **Item 12 - Clerk's report**

The 2017/18 Council year has been the first full municipal year I have spent as Clerk to Grade Ruan Parish Council. I am grateful to the Council for their patience during the first period of my appointment, as I grappled with managing four jobs, a house move and a change of primary employer in the space of two months. I am delighted now to be in a position where I enjoy a much more settled and sustainable situation both personally and professionally. I now have a single primary employer (St Agnes Parish Council) and a single secondary employer (Grade Ruan Parish Council) and am very happy to say I feel stable and well-established in post now. I aim to deliver the best service I can to the Council and the community of Grade Ruan Parish.

In the past year I have undertaken training in a wide variety of issues affecting councils and communities, including: Charitable Trusts; Accounting; Legal changes; Planning; Data Protection. I have attended conferences at National and Regional levels, and continue to represent Cornwall on the Society of Local Council Clerks National Forum. I have established a working relationship with the local MP and other Clerks and have been involved in devising a constituency-wide training event for Clerks – likely to take place in September.

In recent months the significant issue to address as Clerk, behind the scenes, has been compliance with the new General Data Protection Regulations. This has required a great deal of research and thought, as there are many interpretations and possible approaches. I have prepared a compliance timetable/report for noting at today's meeting, and there remains some work ahead to sort through data, publish

notices and establish new procedures.

I have been delighted that the past year has seen the drawing up and approval of a formal agreement, a license, with the Grade Ruan Community Trust. At the time of writing this is all but signed. The agreement offers some structure to the arrangement for the maintenance of toilets and Cadgwith car park, how this can be reviewed, how monies received are redistributed, and crucially provides a sustainable approach for the long-term, regardless of changes in personnel at either organisation. Although this has taken some time to put together, this does represent a huge step forward for safeguarding services for the community.

It has been a pleasure working with partners such as GRCT, Cllr Rule CC, the National Trust etc. As a Council we also strive to develop and maintain strong working relationships with Highways, Planning and other departments at County Hall. I'd like to thank Cllr Preston and Cllr Green for their professional and friendly approach, and to all Cllrs on the Council for their diligence and enthusiasm.

Lee Dunkley, Parish Clerk
