**Happy Birthday in June to:** Alex Jane, CC Naish, Alex Robertson, James Goddard, Morwenna Ellis, Andre Ellis, John Fleetwood, Hattie Drummond, Len Carter, Charlie Coates, Hettie W, Jean Hall, Jan Halliday, Gill Thomas, Sharon Legge, Valerie Jane, Mike Fleetwood, Peter Freeman, Shelley Cooper, Lucy G, Grace S, Andrew Fletcher, Dominic Humby, Talia Sealey, Amy Bird

Our Treasurer, Peter Martin, has been working to ensure the long term financial viability of the Gazette and has negotiated lower printing costs with a new supplier. The deal with our new printers includes a full colour cover, and this is the first issue since the Gazette was launched in March 1987 to have this.

I'd like to take this opportunity to thank The Andover Printing Company Ltd. for the excellent quality and service they have provided to us over the last nearly three years.

Congratulations to Tommy Phillips who has been selected for the England Counties U20 tour to Russia this month. The squad is made up of 23 players selected from the 26 counties that play in both tiers of the National U20s County Championship, and offers players the chance to represent their

country. Tommy is the only player from Cornwall to be included in the squad.

The team will play two matches in Moscow against the Russian side on 5<sup>th</sup> and 8<sup>th</sup> June. Best wishes for a successful tour, Tommy.

*From Nicky Jose:*

A massive thank you to everyone who helped in any way to raise the amazing sum of £1,021.71 for Meningitis Now at the Christmas Day Sponsored swim. We all got wet (courtesy of John) but not from our swim. Hope you all enjoyed yourselves and hopefully this year we will manage to swim in calm waters. Thank you all for your continued support.

*From Sam Jane:*

Well done to Billy for winning the treble in his last year of youth football. It's been a long 10 years and it's the end of an era, but what a way to finish: winning the League, League Cup and County Cup with the Helston Blues Under 16 team. Next step... men's football!

*From Emma Trewin:*

Congratulations to Freddy, who has been named as the Helston RFC Under 13s Player of the Year 2015-16.

Massive congratulations to William, Wade Toy and Dan Woodley who were in the Helston Colts team that won the Double this season, winning the County Colts league and County Colts Cup.

*From Sarah Rudd:*

Jake has passed out of basic training after a very long hard 10 weeks. It was a very special and emotional day for all of us. He has now gone on to HMS Sultan to do his aircraft engineering training, following in his dad's footsteps. His dad and I are amazingly

proud of Jake and the thoughtful young man that he has turned into and wish him every success in his naval career

*From Jan Halliday:*

The Veterans Skiffs Championships were held at Stithians Lake on 15 May. David 'Chick' Henn, David Bray and Tony Halliday retained their Randan title. Not bad for 65 eh, Chick?

*From David Endean:*

I do not want to wish the summer away but plans are afoot for this year's autumn show and in doing so as usual we have changed some of the classes. But we thought while you are out and about this summer with your cameras we have a couple of new titles planned, namely "Boys Toys" and "Blooming Marvellous". Craft items are much harder and take more time to produce so a preview of changes there also will be useful. In the style of the Great

### *From Ginny Sealey:*

Check out the Diary Dates page and put the two Carn to Cove events on your calendar! For those not familiar with Carn to Cove, it is a Cornish arts organisation that brings theatre, music, film and dance to rural areas – it's like a touring Edinburgh Festival that turns village halls into the top of the Faraway Tree, hosting a range of ephemeral wondrous creations! Recent events in the village from Carn to Cove include Scary Little Girls' *Sorry I Haven't a Minute*, Light Theatre's *Jack and the Beanstalk*, a screening of the film *Tin* from Miracle Theatre, a concert from The People's String Foundation and Blackfish's absurdly funny *Alaska*. As always, these shows require an audience to make the organisers feel brave enough to contemplate putting on another one so do support these events

if you can! There is a trailer for *Brown Willy* on YouTube and the Kneehigh website has more information on *Salt Road* – 'an evening of original stories and music about the sea and how it shapes us, those who leave, stay behind and come back

### *From Lorraine Wickens:*

There has been a good response to my proposal to start up Flower Arranging community classes and I am in the process of communicating a preliminary meeting to discuss day time and venue. If you have not contacted me, please feel free to do so.

# Cadgwith Pilot Gig Club News

Cadgwith gig club enjoyed a great weekend in the Isles of Scilly for the World Pilot Gig championships. The championships are now in their 27<sup>th</sup> year and as a club we are proud of the fact we have been there since the very beginning. They have come a long way since the early days and this year there was a record number of gigs, over 150 registered to take part.

It got off to a great start on the Friday night with the first races of the championships, the vets. Both our ladies and men rowed brilliantly to finish in 7<sup>th</sup> place overall out of a strong field of veteran crews. Well done to coxswain Stuart George and his crew of Emma George, Sharon Partridge, Sarah Rudd, Clare Darnell, Sue Atkinson and Angie Richards; and the men coxed by Brett Jose and his crew of Steve Jane, David Muirhead and Stuart Naish. Like last year we called on Jamie Fletcher who grew up in Cadgwith but now lives on the Islands to be a part of the men's crew. Unfortunately we were without club legend Diddy Holyer, who sadly came off his motorbike on his way to training and suffered a broken collarbone. Friday was spent hunting for 2 new rowers but thankfully all worked out well and the men were delighted with the result.

Saturday saw the amazing sight of all 150 gigs lined up at St Agnes to race back to St Mary's.

This race determines what heat you row in for the evening race from Tresco. We managed to field 2 ladies crews this year which was great to see. A huge well done to Ellie George, only 16 years of age who made her debut in the ladies A crew. Ellie rowed as stroke and she showed what a talent she has.

The other members of the A crew were Ellie Parsons, Sarah Rudd, Angie Richards, Emma George and Sharon Partridge. I was due to row but unfortunately got hit with the flu! Thank you to Angie for stepping up to the mark. Once again Stuart George pulled the ropes meaning that the crew consisted of 3 members of the George family! Our B crew was a mixed crew and involved rowers from Bridport, Salcombe and Cadgwith. It was great to see Gemma Bennett and Gwen Jane back in the boat ably assisted by Lauren Skewes and Anne Oliver. David Muirhead did a fine job of coxing

the B crew for the weekend. Final results for the ladies were A crew 53<sup>rd</sup> and B crew 132<sup>nd</sup>.

The men's squad was slightly depleted this year due to injury and work commitments, but we were still able to field a strong crew in Tamarisk, coxed by Steve Jane and featuring a first time appearance from 17 year old Jamma Phillips who certainly held his own. The rest of the crew were Heydon Dark, Tommy Phillips, Robbie Green, Ed Langley and Brett Jose who surpassed himself this year as our responsible adult of the crew! Despite enjoying the social festivities a lot, the crew managed to win two races from Nut Rock (Tresco) and finish in an overall placing of 31<sup>st</sup>. David Muirhead and Stuart Naish helped out fellow Cadgwith rower Steve Holyer by filling in and helping the crew from the Cornwall Rowing Association for the Blind. Once again the sight impaired rowers showed just how amazing they are and finished ahead of several crews.

The Scilly islands never disappoint. Not only is it great racing but it's lovely to meet up with old friends from the gig circuit. We are now back and ready for the forthcoming season with slots available for juniors, ladies and men. If you would like to have a go please feel free to contact me, Sam Jane (290464) or our chairman, Mike Hardy (290282). On a closing note the club would like to say a huge well done to Tony Halliday, David Henn and David Bray who managed to retain their county Randan title at the recent skiff championships at Stithians. Cadgwith men are certainly the best!

# VILLAGE HALL AGM REPORT

The AGM of the Village Hall was held on 10 May 2016. The Chairman, David Endean thanked all those who freely give their time to support the Village Hall whether by serving on the Committee, helping at the Thursday Market or attending or organising events. The Village Hall was being well used and the Thursday Market had continued to be its largest source of income. Regular users include the Grade Ruan Under 5s, Short Mat Bowls, Yoga and the successful monthly quiz organised by David and Janet Gascoigne and Jill Thomas. The Snooker Room is used regularly throughout the year but there is still only one team from Ruan Minor playing in the league this year. Other users include the Spring and Autumn Shows and the Ruan Revellers as well as Carn to Cove who provide regular entertainment. The Village Hall is popular for one off fund raising events such as craft shows and private parties with special rates available for charities.

Financially it had been a successful year at the Village Hall with major expenditure which included completely redecorating the whole of the interior of the hall, repairs to outside storage facilities and upgrades in the kitchen including a new fridge/freezer. Unfortunately the flat roof above the toilets/kitchen area developed a serious leak and a new fibreglass roof has been installed. There have also been internal repairs and redecoration to put right the damage caused and this expenditure will feature in next year's report. Special thanks to Garvin Cadman for his help decorating the Under 5s store room which was badly affected by the leak and for work in the kitchen.

Health and safety has continued to be a priority and the premises and equipment are regularly checked including emergency equipment. All our regular kitchen users and stall holders serving food have completed or renewed their food hygiene certificates.

Trustees were elected as follows: David Endean, Melanite Fletcher, Tasha Allen, Jan Halliday, Liz Outten.

Organisational Represents were elected as follows:

- Grade Ruan Methodist Church - No Nominations Received
- Grade Ruan Parish Council - Jeff Lee
- Grade Ruan Parochial Church Council - Liz Outten
- Grade Ruan Under 5s - Danielle Legge
- The Short Mat Bowling Club - Steve Griffiths

Elected Officers are as follows:

- Chairman: David Endean
- Vice-Chairman: Steven Griffiths
- Treasurer: Jan Halliday
- Bookings/Secretary: Tasha Allen

Co-Opted Members: Garvin Cadman and Sue Cadman have been a great help in the kitchen during the Thursday markets and have supported other events and joined the committee towards the end of last year. Their support is much appreciated.

## School Spot

Grade-Ruan School

Mullion School

**Grade Ruan Under 5s:** For the latest news please go on line and check Facebook "Grade Ruan Under 5s"

**Grade-Ruan School** will be on its extended half term when the Gazette is published. The school takes its annual allowance of five staff training days in one lump to make it easier for families that want to go on holiday but avoiding peak season prices. The first half of the Summer Term has seen Turtles Class working in the School Garden. They have done some weeding and planted lots of seedlings in the beds which they will be monitoring over the next weeks and months.

The Year 5-6s took part in the Mullion cluster sports tag rugby competition at Mullion School. The children competed at a very high level and finished joint third. Special mention should be made of Lowan, Phoebe and Toby's performances which were outstanding! Not to be outdone, the Year 3/4s competed in a tag rugby and football competition - they not only competed in the right spirit and with immaculate behaviour, but they actually won the competition. Congratulations to all those who took part; you were a credit to our school!

Very well done to our fabulous Year 6 pupils who took their SATS tests in early May. As the Department for Education promised, the tests were challenging but every single child in Year 5 did their absolute best. We are very proud of them. Please see the Grade-Ruan School website for more information - [www.grade-ruan.cornwall.sch.uk](http://www.grade-ruan.cornwall.sch.uk).

**Mullion School** has been nationally recognised for its exceptional 2015 performance by the Schools, Students and Teachers network (SSAT). Educational Outcomes data analysis from SSAT has shown that the school is in the top 20% of schools nationally for high average grades achieved by students and the top 20% nationally for progress made by pupils between their key stage 2 results at primary school and their key stage 4 results. The school's SSAT Educational Outcomes awards will be presented at a regional celebration event held to draw attention to the work of high-achieving, improving and innovating schools and teachers. Sue Williamson, Chief Executive of SSAT said: 'It's my great pleasure to commend Mullion School on their excellent 2015 performance, and to have the opportunity to highlight and share their great work at the SSAT Educational Outcomes celebration evening. I have the privilege of visiting a lot of schools and

I am always impressed by the creativity of teachers in engaging and inspiring their students. 'I hope that SSAT's Educational Outcomes awards will highlight the professionalism, commitment and hard work of the leaders, teachers and students at Mullion School. Recognising and sharing successes like this is at the heart of SSAT's mission, so I'm delighted to congratulate Mullion School on their achievement.'

Mullion School has been celebrating the work of William Shakespeare as we mark the 400th anniversary of his death. Our celebrations with Year 7 students have centred around Shakespeare's comedy *A Midsummer Night's Dream*. During English lessons, the Year 7 students have been experiencing the play through a series of active workshops based on collaborative approaches from the Royal Shakespeare Company. In addition, students have already created fantastic shoebox sets as part of an inter-house competition and a *Midsummer* short story writing competition. On Wednesday 4<sup>th</sup> May, our celebrations culminated in Shakespeare Day where Year 7 students explored more of *A Midsummer Night's Dream* and performed excerpts of the play. Following enthusiastic requests from Year 7 students, school decided to embrace the Star Wars (May the 4<sup>th</sup>) theme for Shakespeare Day and there was a fantastic array of Shakespearean Star Wars characters!

Over two weekends school staff ran practice expeditions for 86 Year 9 & 10 pupils' Bronze Duke of Edinburgh Award. Despite the poor forecasts, the weather was kind to us all. The pupils worked in teams of 5 to 7 to complete a two-day expedition around the Mullion area in order to demonstrate skills in navigation, cooking, campcraft but also the invaluable soft skills of teamwork, resilience, motivation, all of which are so important in developing good character. The pupils experienced the feeling of self reliance as staff left them to find their way around the lanes and cliff paths solo before they returned for lectures in the evening. Some pupils trekked confidently whilst

The staff hope that the pupils will take away happy memories as well as having learnt valuable skills which they will use in the summer assessed expeditions in west Cornwall. Mr Loder was delighted to have so many pupils take up the challenge and hope that many more continue to sign up and even go on to Silver award training. Thank you to Miss Bunyan, Mrs Mathias, Mr Trudgeon, Mrs Hatton, Miss Moreton, Mrs Tatham and Mrs Batley for their support and Mr Davey and Mr Gilbert for their rescue missions! Good luck to the pupils for their assessed expeditions.

## ***Spring into Life***

**L**ater this month – on Thursday 23<sup>rd</sup> – we as a nation will vote on our future relationship with the European Union (the EU). So, whether we like it or not, whether we're totally bored with the whole media coverage and party political spats or not, the EU Referendum will take place on that day.

How will *you* vote: 'Remain'? or 'Leave'? Or maybe you're a 'Don't know' – like a sizeable proportion of the population, according to a recent opinion poll (actually, have *you* ever been asked for *your* opinion? I know *I* never have. I wonder where they get their statistics from?).

Whatever the outcome, the result of the EU Referendum will have a far-reaching effect on each one of us – whether we're farmers, fishermen, retailers, big or small businesses, or 'ordinary' people just trying to get on with their lives. The future of our country will hang in the balance on that day.

As a 'Don't know' myself, I tried looking at the pro's and con's of both the 'Remain' and the 'Leave' arguments, on a well-known news website, which claimed: 'Everything you need to know about the EU'. Except it didn't tell me everything I needed to know! And it certainly hasn't helped me come to a decision as to how to vote!

I looked to see if there was a decisive Christian slant: 'No man is an island entire of itself; every man is a piece of the continent, a part of the main; if a clod be washed away by the sea, Europe is the less .....

.....' wrote John Donne, some 400 years ago. In other words, human beings do not thrive when isolated from others.

Meanwhile, Andrew Goddard, Senior Research Fellow at the Kirby Laing Institute for Christian Ethics, in his very balanced thesis, 'The EU; How Should we Decide?' writes: 'We should leave because the EU, despite Christian elements in its vision, and past successes – for example in relation to peace – is now failing and damaging members and others... increasingly captive to contemporary, particularly economic, idols as seen in the Euro, and is developing characteristics of an imperial project which do not adequately respect national integrity.'

Lawks! All this confusion; all this uncertainty! Of one thing we can be certain, though: 'The steadfast love of the Lord never ceases; his mercies never come to an end; they are new every morning; great is your faithfulness.' *Lamentations 3:22-23*

So whilst we humans try to make decisions – often with 'self' in mind rather than what's best for the common good – God still loves us, to such an extent that He sent His Son, Jesus, into the world to die for us. And Jesus himself promises that, "I am with you always, to the very end of the age." *Matthew 26:20b*

People of faith prayerfully seeking the common good are found on both sides of the 'In'/'Out?' arguments. Whatever the outcome, we need to agree to disagree in such a way that we are able to work together, in love, to get the best out of it – whether or not it is the result we wanted.

Blessings,

Revd Deirdre. [deirdre.mackrill@btinternet.com](mailto:deirdre.mackrill@btinternet.com)

# Recreation Ground News

By the time you read this, the May Festival will have happened, and we hope it was a good one!

The pavilion is not progressing to the original schedule, but things are moving on quickly now. The roof is finished and has been adorned with finials. After much discussion, it was decided to have three plain balls and one ball with a dragon on top. Love it or loath it?

If you've booked an event, the committee will keep you informed about the facilities that are likely to be available on the day. If you'd like to book an event or function, then we will do our best to provide the facilities you need.

We hope you will have taken the chance over the May Festival to have a look round the pavilion and we hope you liked what you saw. It will be a great community space, to be used for all sorts of functions, events, classes, sports, etc. If you are thinking of using the pavilion for any of these, please get in touch, so that we can incorporate your requirements as we work out the details of how the pavilion will be managed.

Moves are afoot already to form darts and pool teams. Wayne Briggs has

taken the initiative in forming a men's football team and is currently recruiting players. Gary Pollard has taken on the roles of Treasurer and Secretary of the Ruan Minor Football Team and is working with the FA to get the team registered in the Trelawney League. If you would like to be considered for selection to the team, please contact Wayne on [briggsis@icloud.com](mailto:briggsis@icloud.com).

Is there anyone who would like to form a women's football team, tennis league or rounders team? These are the most obvious immediate thoughts, but if you have any ideas about other uses of the pavilion (chiropodist, table tennis, bridge, keep fit, classes in anything, etc.) then please get in touch.

The **AGM** will be held on Wednesday 8<sup>th</sup> June in the pavilion. If you want to be involved in shaping the future of the pavilion, please come to the AGM. All positions on the Committee will be up for re-election, so if you want to be involved in the future of the Rec, please come to the AGM and either put yourself forward or vote for your preferred candidate. In particular, volunteers for the roles of Secretary and Treasurer are needed; if you would like to be considered for either of these, please come to the AGM.

# QUIZ NIGHT NEWS

April's 'QUIZ NIGHT AT THE VILLAGE HALL' saw a few temporary team

changes and amalgamations but it was a full hall which sharpened pencils and honed brains in readiness for the latest episode in our monthly battle of wits.

As the rounds unfolded, THE WEDDING PARTY (aka New Blood plus some guests) and BOB'S HANGERS (aka Cliffhangers plus the wind section from Bob's Band) were right up there with the majority of the other teams in what developed into a very closely fought contest indeed.

The lead changed hands five times in the first seven rounds and seven of the eight teams were pushing hard

for the title as we moved to the All-Nighter which, yet again, proved to be decisive. At the end of Round 7, THE MOTLEY CREW shared equal third place with THE BOTTOM SPANKERS and THE MIXED BUNCH but a magnificent 61 out of a possible 65 All-Nighter points saw The Crew surge to top spot and claim the coveted champions' crown. Despite all of their efforts and a very sterling performance, it was left to THE NO-HOPERS to stand guard over THE WOODED SPOON until May's contest.

A big thanks was given to Glynn for an excellent Guest Round which was based on pop groups and hit records over 'recent' years. Gill Fox is planning the next list of guest posers which should test contestants to the full.

When the dust had settled and heart rates had dropped the final 'Scores On The Doors' were as follows:

| <u>Position</u> | <u>Team</u>         | <u>Score</u> |
|-----------------|---------------------|--------------|
| 1 <sup>st</sup> | The Motley Crew     | 118.0        |
| 2 <sup>nd</sup> | The Wedding Party   | 115.5        |
| 3 <sup>rd</sup> | Just Us 5           | 114.5        |
| 4 <sup>th</sup> | The Mixed Bunch     | 114.0        |
| 5 <sup>th</sup> | The Buccaneers      | 109.5        |
| 6 <sup>th</sup> | Bob's Hangers       | 107.5        |
| 7 <sup>th</sup> | The Bottom Spankers | 105.0        |
| 8 <sup>th</sup> | The No-Hopers       | 95.5         |

Thanks again everyone for another super evening of quizzing fun and games. Take care and see you all next time.

# CORNISH CHOUGH BREWERY

## THE UK MAINLAND'S MOST SOUTHERLY BREWERY

*[Did you know we have a brewery on our doorstep? It seems that many people don't know about it, so I asked Tim Birchmore, co-owner of the brewery, to write this piece about it. Ed]*

Cornish Chough Brewery started brewing in May 2011 and has since gone from strength to strength, supplying the likes of Eden Project, JD Wether- spoon, Helston Farmers Market, retailers, pubs and clubs across Cornwall.

The brewery is at Trethvas Farm on the Lizard, making it the most southerly brewery on the UK mainland. Neil Rowe and Tim Birchmore, who decided to set up the brewery after a few beers one Thursday evening (!), run the business as a partnership

Cornish Chough's master brewer is Andy Hamer who is assisted by Jake Styles. Andy has been brewing and developing recipes for over twenty years and is a legend in the industry (for all the right reasons).

The beers and ales that we produce are made from the very best ingredients and the liquor (water) drawn via its own bore hole from between two seams of Serpentine rock, thus the name of its first brew - Serpentine. It is the quality of the water coupled with the ingredi- ents and Andy's knowledge and atten- tion to detail that gives the beer its unique and consistently good flavour.

We now produce the following brews: Cadgwith Crabber, Kynance Blonde, Lizard Storm, Kilcobben IPA, Serpen- tine and Fire Raven. The naming con- vention is based upon the locality and we use local artists, illustrators and photographers to design the pump clips, bottle labels and artwork for our website and merchandise.

We appreciate the support we get from people in the area. If you'd like any more information, please contact me.

# Gardening in June

by David Endean

Everything has come to life now. The cuckoo returned for Flora Day, the spotted flycatchers, whose exploits I told you of last year, returned again. This season we have had a pair of long tailed tits doing their thing around the garden: gathering cob webs and insects. The male keeps seeing his reflection in the window and attacking it, with his Misses standing back leaving him to it, like the female of most species thinking what is he doing, stupid Boy.

Who knows what the summer will bring, but June is the month when you realise that the garden has got away from you and you are not going to get it back and complete all those jobs that you had planned to. The weather is always an unknown, but this year it is marked that the Oaks are well out before the Ash trees so as the summer progresses we shall see if it will be a dry one.

This month, jobs are nonstop so my suggestions will by no means be an exhaustive list. Most of your spring flowering shrubs will benefit from a prune now. The reason for this is that they tend to flower on wood that has been produced the previous year. If you do not reduce the shrubs in size they will get ever bigger. Plants that I am thinking of are flowering currants, Forsythias, Weigelias. I like to remove all the flowered wood, then shape the bush nicely. Another plant to have a go at is the Clematis montana - once it has

finished flowering, cut it back to a tight framework because this is a rampant grower and will take over if left to its own devices. Like the previously mentioned shrubs, it needs mature woody stems to produce the masses of spring flowers that it does.

Whilst you are in the borders, get in there and provide some support for those taller lax plants before they flop under their own weight or due to wind and rain. This will help to maintain structure in your borders. Many things can be used for staking, old twiggy material looks natural; canes and string have a place but be careful not to poke your eyes on the end of the canes. There are some really nice plastic coated wire hoops and supports which can also be used. The choice is yours but, if you get in there before you need to, the plants will soon grow through and hide whatever you use. June really is the month when everything goes mad. If you have any large gaps in the border or places where you had spring bulbs you can over plant these areas with some bright cheerful annuals. Often referred to as bedding plants they are relatively cheap and expendable but are bright and cheery and come in many forms.

Keep on sowing your salads. Many people sow their main crop carrots now to help reduce carrot root fly problems. Sow and plant out most brassicas like cabbage, turnips, swedes and Kohl Rabi I would strongly recommend with these to grow them

under a frame covered in a fine net this will help to stop damage from caterpillars and pigeons. I use hoops made from strong plastic piping. To stop problems with cabbage root fly grubs, you need to place collars made from old carpet tight around the stems from the minute that the plants are put into the ground. There is still time to sow a row or just a wigwam of runner beans; they should get away quickly with the warm soil and warm weather. Just make sure that they have plenty of organic matter underneath them and that you give them plenty of water. On the hot sunny days it is an ideal time to go around the garden, be it the veg patch or the flower borders, with the hoe. This will cut off the weed seedlings which will then shrivel and die

plus put a little air in the soil which will help to retain moisture deeper down in the soil.

Your greenhouse can get like an oven really quickly now, so make sure you open the vents to get as much air in as possible. Consider if you need to put up some temporary shading, which may be a product called Coolglass or some netting. I have even seen old net curtains used. You may find that your tomatoes will appreciate this. The air will reduce fungal diseases and regular watering will do the same for blossom end rot.

Well I hope that that gives you a few pointers for June. I am off to cut silage from my lawn, tie in the sweet peas and plant out dahlias, enjoy your gardening.

## **Minutes of the Monthly Meeting of the Grade Ruan Parish Council held in the Sunday School Room of the Ruan Minor Methodist Chapel on Monday 11 April 2016 from 7.30pm**

**Present:** Parish Councillors: J Preston (Chair), N Green (Vice-Chair), J Clifton, P Collins, M Fleetwood, P Freeman, M Jones, J Lee, G Pollard, S Stephens, J Trewin and Clerk J Castle and 10 members of the public.

- 1. Absences and apologies:** There were apologies from Cornwall Councillor Rule.
- 2. Declarations of interest:** There were no declarations of interest.
- 3. Public time:** Mr Charles Green of Charles Green Design spoke regarding planning application PA16/02168: the erection of a new dwelling at Malahat. The building will be located in an existing garden area. Similar garden developments have taken place in Cadgwith he stated. The existing access and hard standing for the garage (which is being demolished) remains. Only 1 tree is to be felled. He regards the proposed building to be a high quality contemporary design. There is no specified use of the property other than as a domestic dwelling.

There were a number of concerns expressed by members of the public regarding the proposed development:

- Environmental issues, in particular concerns about the disruption to wildlife in what is currently a wooded area
- Ongoing tree maintenance/ loss of trees with regard to trees covered by a Tree Preservation Order.
- The restriction of light to a neighbouring property
- That the development can be seen from the road
- Loss of existing parking space
- Inability of pumping station to cope with more drainage
- A design not in keeping with the existing properties in Cadgwith
- That Cadgwith is a unique village in a Conservation Area.

One member of the public expressed support for the project, in that a precedent has already been set by allowing houses to be built in gardens in the vicinity.

Mr Kevin Moseley (as agent) spoke with regard to planning application PA16/02224: the conversion of a building and alteration of vehicle access. He noted that there had been no objections from the public, the highways department, the Ramblers' Association or the Countryside Access Team. At present the building to be converted is classed as ancillary residential use and it is being converted to a single-bed property, involving fairly minor works.

**4. Police report:** The crime statistics for the Lizard Area for the year to January 2016 were displayed. The Clerk was asked to write to the local police support officer asking if more detailed information, as previously received, could be provided. **Action: Clerk.**

**5. Cornwall Councillor's time:** The Chairman read out the report that Cornwall Councillor Rule had provided in her absence, covering the following matters:

- The Homechoice register is currently being updated in order to provide a better idea of genuine need

cont.

- A Cornish Food store is being built alongside the new Waitrose in Truro. There will be a strong focus on fresh produce and great service.
- Community Fund – there is a new pot of £2,000 available to give small amounts to local community groups, which can also be used as match funding.
- Code of Conduct Training - the monitoring officer has agreed to come to the Lizard to deliver some training.

**6. Minutes for acceptance:** Having been previously circulated, it was proposed by Councillor Lee and seconded by Councillor Freeman that the minutes of the meeting held on 14 March 2016 be accepted, subject to an amendment to include reference to PA16/0297/PREAPP. Carried 9 votes in favour and 2 abstentions.

**7. Planning:**

Planning Applications for consideration

- PA16/02168 -Demolition of existing domestic garage and erection of a detached dwelling, Malahat New Road Cadgwith TR12 7JZ. It was noted that the Tree Officer does not support this application and concerns were also expressed about possible future applications for tree felling to protect the new dwelling. The elevated design makes it very prominent and the cedar cladding was viewed as inappropriate for the area. The definition of a Conservation Area was read out and noted. It was proposed

and seconded that the Parish Council does not support this application on the following grounds:

- It is an inappropriate development in an Area of Outstanding Natural Beauty.
- The proposed design is of an inappropriate style and height for the location.
- There are concerns regarding protection of a wooded area which is covered by a Tree Protection Order and the strong objections of the Tree Officer were noted.
- There are particular concerns with regard to the possible removal in the past of protected trees in violation of the existing Tree Protection Order, which have necessitated planting in response to a Tree Replacement Notice.
- There were also concerns about possible pressure in the future to remove further protected trees in order to protect the new structure or to provide further space for domestic support buildings, for example a garden shed.

Carried 11 votes in favour.

- PA16/02224 - Conversion of building into a one-bed dwelling and alteration of vehicular access, Linden Lea Ruan Minor TR12 7JL. It was proposed and seconded that this application be supported. Carried 11 votes in favour.

### **8. Finance**

- Financial Report – the bank reconciliation was noted, together with the statement of Income & Expenditure for March 2016.
- Payments Schedule - the schedule was adjusted to remove the proposed contribution for the carpet repair in the Sunday School room until the actual cost of the repair is available. However, a sum of £300 for transportation of the marker stones under the AONB scheme was added. It was proposed by Councillor Lee and seconded by Councillor Stephens that the payment schedule amounting to £1188.12 be approved. Carried 11 votes in favour.
- Budget 2016/17 – the budget for the new financial year was noted.

### **9. Matters arising from the minutes:**

- Play Area update – it was noted that a grant of £3,000 had been given by the 100 Club (Cornwall Foundation Trust) via GRCT. Councillor Preston reported that he had still

cont.

not yet received more detailed information from the contractor regarding the additions to the zip wire structure, which is needed to put the proposals for Phase 2 out for public consideration. It was hoped this would be available in the next couple of weeks. Councillor Preston suggested that a Play Area meeting is required and it was noted that some ground clearing is necessary. **Action: Chairman**

- Dog Poop Bag stands – the Clerk was asked to speak to Sue Cadman regarding full costing for these stands and bring this to the next meeting for approval. **Action: Clerk**
- School Bus Turning and Virtual Walkway it was noted that Maxine Hardy is investigating whether any grant funding is available. The School has been made aware that the designated parking space remains a problem for the turning of the bus. The Chairman agreed to look at the possibility of extinguishing this space with Ben Dickinson. **Action: Chairman**
- Refuse collection, Kennack Sands – it was noted that a further meeting had taken place that day, attended by Councillors Clifton, Freeman, Lee, and Preston. Although the agent for the Tregothnan Estate and the café owner attended along with a representative of Natural England (which is the tenant of the estate), not all the caravan parks were represented. The cost previously was £6,000 although this may be reduced by having fewer collections in the winter months and/or recycling. Natural England had agreed to contact the caravan sites who are major beneficiaries of the attraction the beach provides to tourists.

There had been a suggestion that the Parish Council should contribute, even to the extent of covering any shortfall in the first year. It was noted that there is a need for an immediate short-term solution, to be followed by a sustainable long-term solution. The Clerk was asked to contact Natural England for an update regarding engagement with the bigger businesses involved. **Action: Clerk**

It was proposed by Councillor Collins and seconded by Councillor Trewin that there should be no commitment by the Parish Council at this stage to make a contribution but that it would continue to work with stakeholders to find a solution. Carried 11 votes in favour.

- Notice Board – as it had been confirmed that the proposed new board is weather-proof, it was agreed to go ahead with this.

**10. Matters for consideration:**

- **Constituency Boundary meeting** – it was noted that Councillor Freeman had watched the webcast. The process will be very slow and the new boundaries will not be in place until the local elections in 2021.

**11. Correspondence:**

- Village Hall representative – it was noted that the request from David Endean would be considered at the AGM in May.
- Friends of St Ruan and St Grade Historic Church Buildings – it was agreed that a possible donation be included under Finance at next month's meeting. **Action: Clerk**
- Support for café in Shop - it was agreed that the letter drafted by Councillor Freeman on behalf of the Parish Council, supporting the conversion of part of the shop to a café area, should be issued if acceptable to Claire Bollard.

**12. Footpaths, environment and treewardens:**

- Todden & state of surrounding ground – it was noted that, in response to a query from a visitor regarding puddles round the benches, some scalplings would be put down. **Action: Chairman**
- St Ruan Well – it was agreed that the thorn should be cut away from the building for now and then cut right down when the bird nesting season is over. **Action Councillors Pollard and Preston.**
- Blocked drains- it was noted that some work had been carried out. There still remains a problem with the surface breaking up at the bottom end of Barn Hill in Cadgwith. It was agreed that this should be discussed at the next meeting with Ben Dickinson, with any known problem areas marked on a plan. **Action: Chairman**
- St Ruan Bridge – this needs to be looked at from a road safety aspect and also there is a fallen bollard. This is another item to discuss with Ben Dickinson. **Action: Chairman**
- Mundy's Field car park – no problems reported.

**13. In Committee:**

- No items were discussed in committee

The meeting closed at 9.40 pm.

# Who Remembers?

By Gill Preston

Following the sad and far too early death of Vince Tutton, at Millstone Cottage, Poltesco Lane, I have happy memories of an earlier occupant in the 'forties and 'fifties ..... Jack Exelby .... who else remembers him? What was his job? He went everywhere on a noisy and rather smelly motorbike. He live there, as I recall, with his fierce, intimidating mother, with her hair screwed up in a topknot bun.....

Every year, in late August, we would clamber across the fields from Polstangey to buy honey, to last us through the year. I think his hives were at the back of the cottage.

Vince's interesting and idiosyncratic paintings of Italy, where he ran courses, and of the Lizard Peninsula, especially of Carleon Cove, will, I hope, be remembered and treasured.

## THE BRITISH PENNY

From Rev. Deirdre Mackrill

*Just in time to consider before the EU Referendum*

### **The British Penny, European Union Directive No. 456179:**

In order to bring about further integration with the single European currency, the Euro, all citizens of the United Kingdom of Great Britain and Northern Ireland must be made aware that the phrase, "Spending a Penny" is not to be used after 30th April 2016.

From this date onwards, the correct term will be: "Euronating". It is hoped that this will be a great-relief to everyone.

## Don't forget Father's Day!

**Sunday 19<sup>th</sup> June**

We'll have lots of goodies including cards, beer and chocolate for Dad's special day.

June also sees the start of the European Championships in football and the tennis grand slam at Wimbledon. We'll have plenty of large packs of beer, cider, wine and soft drinks. There will also be sharing bags of sweets and crisps to see you through those tense moments! (Including the new sweet potato crisps and strawberries and cream popcorn from Tyrells Crisps). Who knows, with all home nations involved, we may even need some bubbles for the final.

### **A plea to our driving customers!**

May I please ask customers who drive to the shop to be considerate of our near neighbours. Access is required 24/7 to the gateways down the side of the shop as well as along the very front of the shop to some holiday lets and a bungalow.

I know you think you'll only be a minute, but with all our lovely goodies to tempt you and potential queues, due to our growing popularity (!), you're bound to be a little longer than you think. A minute is also a long time if you're waiting for an emergency vehicle.

THANK YOU!

### **Opening Times**

**Monday - Friday**

8am to 7pm

**Saturday**

8am to 7pm

**Sunday**

9am to 1pm

As always, Euro currency is available on demand and other currencies, if ordered before 2pm, can be collected the following day. Please remember your passport or driving licence if you wish to pay for your currency with a card. You will also need to retain the receipt if you wish to return any currency other than Euros.
