Noticeboard

Sadly, Irene Woollands of Glebe Place died suddenly on Wednesday 4th October. Irene was well known in Ruan Minor, as she walked her dog around the Village. She always had time for a chat with anyone she met on the way, and she will be missed.

No-one has volunteered to take over the Gazette Quiz, so it has been dropped from this issue. If you would like it back, and can spare the time to set a few questions each month then please get in touch with me.

The December issue of the Gazette will have a Christmas greetings section as usual. If you'd like to put in a message, please let me have your message, along with a minimum donation of £5 (more if you're feeling generous), by 18th November. You can put it in the "Magbox" at Ruan Minor Stores, or drop it in the letter box at Linden Lea in Ruan Minor.

If you would like to do things electronically, then email your message to

graderuan.gazette@btinternet.com and make your donation (with a suitable reference please) online to:
Sort Code: 40-24-06
Account Number: 81100750

As reported last month, the Gazette has funds in hand, so this year all the Christmas message donations will be handed over to this year's chosen charity, the Cornwall Air Ambulance.

You may remember that last year, we omitted the "Colour Supplement" that had previously been included in the December issue each year. We will not have it this year or in the future. The reason is that we now have a colour cover and many people see pictures of events on Facebook, so the interest in having colour pictures in the magazine has declined.

The next Gazette will be a combined issue for December and January. Please let me have your contributions for both months by 18th November, otherwise they will not appear until February.

From Wendy Elliot:

David, Matt, Wendy and families would like to say thank you for all the cards, letters and messages of sympathy following Cilla's death. Thank you also to all who attended her funeral.

From Sally Watts, on behalf of The Friends of St Ruan and St Grade Historic Church Buildings

The photo below, courtesy of Chris Hunt is of the new double gates at Grade Church. This is the first project undertaken using funds raised by The Friends.

From Joanna Applin, on behalf of the Friends of St Mary's:

At 3 pm on Sunday 15th October, the congregation of St Mary's Church, Cadgwith enjoyed their

Harvest service, led by the Revd Deirdre Mackrill. They would like to thank Stevyn Collins for the wonderful shoal of fish that he produced for the altar (see front cover). The service was followed by a blessing of the tree prayers on the fishing beach which were then offered up as they burned in a fire pit.

From Marcia and Keith Johnson:

We would like to thank everyone who came to help us celebrate our 45th Wedding Anniversary, and for all the cards and presents. It was an amazing day.

From the Village Hall Committee

We are looking for a voluntary Secretary to assist with the Village Hall. The workload is not onerous and the Committee meets once a month on the second Tuesday. If you are able to spare some time to help with the administration of this valuable local amenity, please contact Jan Halliday on 01326 290978 or pop into the Market on a Thursday morning.

We are truly passionate about our trade and seek to go that extra mile to deliver what we and many others believe to be the highest standard of thatching in Cornwall. We look past the run down attire of the roof which is essentially compost in its dying days and work to transform the thatch into some of our finest work yet, questioning at every stage how we can improve the design, shape or style to suit the individual buildings heritage.

Grade Ruan Horticultural Society

Autumn Show Report

Saturday the 14th October saw a landmark in village history: the Grade Ruan Horticultural Society's Autumn Show held its 70th edition and to mark this we had the honour of the Lord Lieutenant of Cornwall, Colonel Edward Bolitho, to open the show and present the trophies. He commented on his admiration of these autumn shows as they seem to have elements from all the seasons with the last of the summer flowers like the dahlias through the autumn harvest crops of grain and fodder beet to even the first of the spring flowers as we had a vase of camellias brightening the show bench. He commended all for their hard work as these events are what keep the community together. He chose Marion Prout's patchwork quilt as the best exhibit in show and went on to present the trophies after which he presented Mrs Elizabeth Endean with a bouquet of flowers for 50 years of service on the show committee.

We had a lovely turn out of people who came from all over to view the show, even down from Devon especially for the event. They saw the hall bedecked in bunting, the ladies sporting boaters and black n Gold sashes with all the exhibits laid out before them. Alas due to the poor summer/ autumn and several retirements, exhibits were a bit down around the show but quality was there and the efforts of the 88 people who entered were much appreciated. Some of our parishioners who shone were Mary Roberts who entered most sections of the show. She gained most points in the show by a parishioner and most points in the vegetables by a parishioner. Lorraine Bradley and Elizabeth Endean shared the cookery cups. In the photography section, Andrew Fletcher did well once again and gained the most points by a parishioner and Claire Bollard had the best Photograph. When she found time to take it I do not know as she is never out of the shop. Alistair Rowe up at Eglos Farm gained the most points in the farm section and the best exhibit with his Barley, and a former Kuggar Man in exile in St Keveverne once again took some beating in the fruit classes - well done Doug Stevens. Then we had all the next generation of showers in the children's section so congratulations go to Mailli and Tamlyn Carter, Clover Oates and Jamie Trewin and to Tessa James who won the new Johnno Cup, just to name a few of those which cheered the snooker room up.

It turned out a good village event once again, and now thoughts move on to future shows. Our group who organise this is getting ever smaller so, if anyone has the inclination to get involved, talk to any of the committee - jobs can be found for all. There is plenty of space for more exhibits and exhibitors so think about it, prepare and we would love to see your efforts next time.

Rector's Ramblings

Remember also: you'll never walk alone

Life is a pilgrimage; and whoever or wherever you are, you are on that pilgrimage, that journey. And as we focus this month on the thousands of men and women who have given *their* lives for the sake of *our* lives and our freedom, it's good to remind ourselves that individually, nationally, globally – we are *all* on life's journey.

As those brave young men and women set out to serve their country, most will not have had any idea in which direction their life journey would take them. And many, perhaps, will not have had a 'spiritual blueprint' – a something deeper – with which to sustain and uphold them on their journey.

Stephen Cottrell, the Bishop of Chelmsford, recently spoke of his personal pilgrimage, setting-out to walk from Chelmsford in Essex to Santiago de Compostela, in the far north west of Spain. If that sounds daunting, it is! But Bishop Stephen offered four points to help the aspiring pilgrim – all of which can be applied to our journey of life, and more especially to a journey with God:

1. Your journey starts from where you are, wherever that may be; there's no point wishing you were starting from somewhere else. Where you are is fine by God. *Your* journey with God can start today!
2. Don't carry too much baggage. Stephen was told to keep his rucksack to 10 kilos, and was very pleased with himself for getting it down to 8 kilos. But it was still too heavy; he was carrying too much. We can all carry too much 'baggage' – worries, busy-ness, stress. Jesus tells us not to worry: God knows our needs (*Matthew 6:25ff*).
3. On the pilgrimage you don't get to choose your companions, so accept and value them for who and what they are. One of the bishop's companions turned out to be an actor who knew the whole of St John's Gospel off by heart – all 21 chapters!
4. "What if I lose my way?" Someone has been that way/gone that way before you and has blazed a trail; just look for the markers, the way signs.

The most obvious example of one who has gone before us to show us the way is, of course, Jesus Christ, who shares our journey through life. We know, too, that we are 'surrounded by such a great cloud of witnesses' (*Hebrews 12:1*) - those whose past lives of faith continue to inspire and encourage us today, as though they were cheering us on as we journey forward.

So, as *you* journey on through the ups and downs of life, remember that you'll never walk alone.

Blessings

Revd Deirdre

Recreation Ground News

See us on Facebook:
"Grade Ruan Recreation Ground"

As a busy Summer becomes a busy (and stormy!) Autumn - the Fish and Chip van visiting the Rec on Friday evenings certainly seems a popular move! We open every Friday at 5pm, usually closing about 8pm. There has been a growing number of people, both local and visitor, enjoying a drink while they wait for their meal, then sitting inside to enjoy it.

Starting tonight (as I write) the "Cadgwith B" euchre team are using the Pavilion as their "home ground" - so we will be open on Thursday evenings roughly every two weeks, so that will be 2nd, 16th and 30th November and 7th December. We will open about 7pm (cards start at 8pm, I think), staying open until about midnight.

We are open every Saturday from 5pm to about 8pm, opening 2pm if RMFC are playing at home.

Coming soon is our annual Firework Display - on Sunday 5th November. Again, Roddy Hall has agreed to provide a grand, professionally organised display - which promises to be bigger and better than ever! As for the last couple of years, there will not be a bonfire - so please don't bring stuff to burn! The gates will be open from 6pm and the display starts at 6.45pm. There will be no parking on the field, apart from a limited number of disabled spaces - if possible, please walk, or use the free car park in Mundy's Field (behind the Village Hall). We hope to be able to provide additional space if that gets full, but, in any case, please park sensibly. Please allow plenty of time to park further away than you expected, and walk to the field! The bar will be open from 6pm, and

the football club will be offering snacks and hot drinks in addition.

As always, we rely on volunteer help to make everything run smoothly. We especially need people to help Roddy to set out and clear up afterwards, also people to man the gates and to direct traffic(!). I will be circulating an email to everyone on our list of events helpers, but would appreciate anyone getting in touch beforehand!

Also in events coming up soon - we have been asked to host a fund-raising event on Friday 24th November - look out for details, and please come along to support. We plan to have an evening with the bar open and probably a band to celebrate the anniversary of our "official" opening - this will be on Saturday 9th December. Please note it in your diary and look out for further information! And, of course - our New Year's Eve party - don't forget!

On a more negative note - I'm disappointed to have to announce that the "Rascals" children's football does not seem able to continue! Through the hard work of several parents, it built up from nothing to a successful children's club. Unfortunately, most of the original organisers have had to drop out over the last year, and no-one seems to have been able to step forward to take their place. Please, if anyone is willing/able to help keep this worthwhile club going, could they contact Gemma Bennett or one of the other Rascals organisers. If they don't get any new leaders they will have to close.

Many thanks for your continuing support,
Mike Fleetwood, Chairman.

Grade-Ruan Under 5s: The first half of the term is over and a well earned rest for children and adults alike has been welcomed. Re-fuelled for a busy 2nd half of term, with the build up to Christmas, there is lots to pack in to the next 7 weeks!

Our pyjama day was a great success. Some wonderful pyjamas and slippers were worn to playgroup. We all enjoyed pancakes and hot chocolate for snack and stories with our teddies and blankets. We raised a total of £40 for the Cracker-jacks charity.

Friday 3rd November the Health Visitor will be with us during the morning stay and play.

Dates for the diary as follows, please also see our poster in the Gazette for more info, keep an eye on our Facebook page and village Notice Board too.

Tuesday 31st October - Halloween Party for playgroup and KS1

Saturday 25th November - Christmas Fair and Craft. All Welcome

Saturday 23rd December - Festive Movie Night! All Welcome

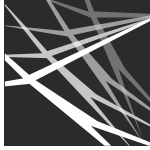

Thank you for your continued support and we hope to see at our upcoming events.

Grade-Ruan School: We would like to thank those children who represented our school at the Education Sunday Service at Truro Cathedral . It was a very pleasant afternoon.

Children in years 2-6 should be reading 4 or 5 nights a week to somebody at home and have their reading records filled in. Research has shown this is the single most important thing that you can do to help your child across the curriculum. Research has also shown that children who read at home go onto have stable relationships and better mental health as grown ups.

A huge thank you to everyone who supported our tea and cakes afternoon. We raised an amazing £212.25 for Little Harbour Children's Hospice. Thank you also to the Y6 and school council pupils who helped out.

An Emergency First Aid at Work Course will be held at Coverack School on Saturday 11th November, 9:30am - 4:30pm. It costs £40 per person and is open to all.

GRADE RUAN COMMUNITY TRUST

In 2007, Grade Ruan Parish Council (PC) arranged a deal with Kerrier District Council whereby responsibility for both Cadgwith car park and the public toilets would be devolved to the PC, so that income from the car park would provide funds to maintain and improve the toilets as well as the car park. The PC in turn devolved responsibility to the Grade Ruan Community Trust (GRCT), which manages the day to day running and maintenance of the Cadgwith car park, and the public toilets at Cadgwith, Kennack and Ruan Minor.

The GRCT is a registered charity with the objective of “the provision, improvement, maintenance and protection of such public amenities in the Parish of Grade Ruan as the Trustees shall from time to time decide, for the benefit of the inhabitants of, and visitors to, the said Parish”. Having charitable status means that the Trust pays reduced business rates on the car park and toilet premises.

The current Trustees are: Paul Collins (Chairman), Jonathan Fletcher, Peter Freeman, Moira Hurst (Secretary), Elwyn Jones, Mo Jones (Treasurer), Nicky Jose, Richard Williams.

The ongoing work that the Trust does includes:

- Regular cleaning of 3 sets of toilets
- Emptying the sewerage tank at Kennack
- Emptying the car park ticket machine and banking the money
- Provision of car parking for residents at a nominal rate
- Doing running repairs to toilets, including after frequent vandalism at Kennack
- Litter picking in the car park and on the footpath to Cadgwith
- Liaison with the Friends of Kennack Sands to ensure collaboration on their plans for improving the area
- Mowing the grass verge in the car park and at Treleague
- Annual maintenance at all toilets over the winter
- Dealing with emergencies at any of the toilets, e.g. water leaks, blocked toilets

In addition, one off jobs done recently include:

- Upgrading the Ladies toilets at Cadgwith to the standard to which we aspire for all the toilets
- Altering the car park ticket machine to take the new £1 coins
- Resurfacing the entrance slope to the car park
- Improving signage at the three sets of toilets

cont.

- Printing a new edition of the tourist information leaflet about the Parish (available at the car park and in the Cove)
- Replacement of windows in the Kennack toilets with uPVC

Current items on the agenda include:

- Waste Collection. The Trust was severely affected by Cornwall Council's decision to withdraw all its refuse collection from the car park and from Kennack Sands. Notices in both places asking visitors to take their rubbish home with them helped, but there are still ongoing problems with dog waste in the car park and rubbish at Kennack, which require resolving.
- Electricity at Kennack. Provision of electricity would enable the installation of hand drying machines which would eliminate much of the paper waste created at Kennack.
- Woodland Walk. The Trust plans to create an arch to highlight the start of the woodland walk on the area below the Cadgwith car park. The walk will be signposted and shown on the tourist information leaflet.

If, as has been the case over the last few years, income from the car park exceeds the amount needed for maintenance, then the Trust has the authority to grant funds for local projects that comply with the Trust's objective of "provision, improvement, maintenance and protection of public amenities".

Recently, grants have been made to:

Friends of St. Mary's, towards interior and exterior decoration
 Cadgwith Thespians, towards producing a record of Fishy Tails
 Recreation Ground, towards cost of pavilion
 Recreation Ground, towards turfing football pitch
 Ruan Minor Football Club, towards purchasing equipment
 Cadgwith Gig Club, towards repairs to Lifeboat House

If you would like to apply for funding for your project, please send a proposal explaining how the funds would be used to grct@btinternet.com. Please note that the Trust can provide funding for projects, but does not manage these projects.

QUIZ NIGHT NEWS

September saw the return of the Village Hall Quiz evening after a summer break. A packed hall welcomed a new Quizmaster in the form of Malcolm Scott, on his birthday none the less. He delivered the slightly different format quiz in a style which only Malcolm can possibly do. Michael Halliday was proud to collect the Trophy and prizes for the winning team. I hope everyone enjoyed their evening and will return on the 4th Tuesday of the month. My grateful thanks go to Malcolm and to Sally W and Carolyn F for all their efforts behind the scenes.

Gardening in October

by David Endean

Well winter feels as if it is really upon us now. Everything became tatty around the garden early this year and I was looking across the fields today thinking that it could be any good winter's day really, with the low but bright sun, a gale blowing and hardly a leaf left on the trees. Alas we rarely see much autumnal colours in this part of the peninsula, as there's too much wind.

Once again I have seen many lawn problems this autumn. One of the most annoying is small holes occurring in the lawn sometimes with larger patches of turf being gouged up. The problem is derived from what is under the turf. Often at the end of the summer you will notice small brown patches in the lawn and then the holes appear. I have always said that it is leather jackets eating the roots thus killing patches of turf, then animals coming along and digging searching for them. I know this was a real problem two years ago and even with the rugby pitch at Murrayfield where great areas would rip up as the roots were damaged. This is not the only pest that does this damage - chafer grubs do the same thing. These are ugly inch long brown headed white creatures. I had cause to prepare a fresh new rose bed in a turfed area a few weeks ago and under every spade full of turf was a Chafer grub feasting away. There must have been more than 50 there, and the birds had a field day. These grubs eat the grass root, then birds such as Rooks and crows, and even Green woodpeckers and animals like foxes and badgers come along and rummage around, pulling at the turf to eat the grubs. This leaves you with a real mess. At this time of year there is little that you can do other than rake out the dead thatch and moss, fill the holes and give it a preparatory autumn feed. Because these grubs can persist in the soil for up to 3 years and each year more can be laid, you need to treat the lawn. Chemical treatments have now been lost to the amateur gardener so you have to use an organic treatment of a special nematode which you can get from several companies through mail order, or at the garden centre. These need soil temperatures of above 12°C, therefore they need to be used in August or September to be effective.

There are several deciduous shrubs which I like to prune now: plants like *Berberis thunbergii*. I do it now because they show some lovely autumn colours which are lost if they are cut back any earlier. When they lose their leaves they are generally dormant and then you can be much harder on the plant. Cut them back to a pleasing shape. Doing it at this time of the year means that you do not notice any bare patches which may occur but they will readily grow in, in the spring. This treatment is ideal for many deciduous trees and shrubs. This means that November is the ideal month to start the winter pruning of fruit trees such as apples and pears. Do not go to town on a mature tree right away as you will be rewarded with little more than lots of soft whippy growth and no fruit next year. Initially go in and remove only dead, diseased and crossing branches. Leave major branch removal to a gradual process in future years. Young trees should be pruned back to encourage spur growth whilst keeping the shape required.

There is little to do in the vegetable garden, other than continuing to harvest crops that you have. Protect any brassicas such as spring greens from the ravages of pigeons by covering them with a net. The net needs to be far enough away from the foliage so that the birds cannot land on it and eat the greens through the mesh. Also the net needs to be far enough away so that the wind does not whip it and damage the plants that you are protecting underneath. When the weather allows and you have free spaces in the veg patch, dig the ground over as this helps to remove weeds, add air to the soil and helps it drain so that you can use the ground earlier in the spring.

What else can you do this month? Well it is your last chance to sow some broad beans and peas to over winter in the garden. Many people will make a sowing of sweet peas in pots now, but I usually leave mine until the early spring. This year I must sow an early batch because I know some people who want the plant in February. These are really hardy and so can be grown on in a cold frame or unheated greenhouse until next spring, but do protect them from mice and slugs.

Whatever you decide needs doing this month enjoy your gardening.

For just £5 you can enjoy a steaming bowl of one of the following, along with some of our own fresh baked bread;

- Mauritian Chicken Curry**
- Keralan Fish Stew**
- Sweet Potato & Bacon**

We also plan to use Rod and Ben's soups. Choose from;
