DATES FOR THE DIARY

Due to the current government guidelines regarding social distancing many events have been cancelled. Details have been updated where we have been informed. Everyone should check with organisers and follow government guidelines before considering attending an event. Inclusion in the Gazette does not indicate an event is taking place nor does it indicate it is safe to attend.

All houses (including holiday lets and those that are permanently occupied) and businesses in the parish should receive a free copy of the Gazette. If you are not receiving yours, please either speak to the person who delivers to your area, or contact David Gascoigne on 01326 290536.

CONTRIBUTIONS

Please send contributions to the Editors' email address shown below. Paper contributions can be put in the Gazette Box at Ruan Minor Stores. **The deadline is the 18th of the month prior to publication.**

Articles may need to be split over more than one issue, and might be edited.

Views and opinions expressed in submitted articles and letters are not necessarily those of the Editorial Team and Committee. The Editor reserves the right to alter submissions for length and/or diplomacy.

See us online at www.cadgwith.com and on Facebook "Grade Ruan Gazette"

ADVERTISING

Advertising in the Gazette is a great way of reaching everyone in the parish, and further afield. Approx. 590 copies are distributed every month and the rates are reasonable!

A ¼ page is £5 in black&white, a ½ page £8 for b&w, £11 for colour, and a full page is £15 for b&w, £20 for colour, per issue, with 10 issues per year. A 10% discount is available if you pay for 10 issues in advance.

Noticeboard

Since last month's edition life has become dramatically different for us all. No doubt many people will be following the government's guidance with regard to social distancing and self isolation. We hope that everyone keeps safe and well through this exceptional time.

Throughout this edition - including in adverts - there is plenty of information about what is (and isn't) going on locally which hopefully will be of assistance to you all. In these fast moving times by the time you receive the Gazette things may have moved on and changed even more.

We will be relying heavily on our local services for support and there is already strong evidence of our fantastic community spirit kicking in to action.

Remember a lot of vulnerable people don't have access to Face Book so letting an elderly neighbour know what's available locally will be invaluable. Happily it seems that this is already happening.

I have it on good authority that there are some teenage boys who are happy to help with dog walking etc for those who are experiencing difficulties. Contact The Store for further details if needed.

The Parish Council have had to cancel the VE Day celebrations planned for 9th May which had promised to be a fabulous evening. You will see from page 3 that most other events have also been cancelled. Certainly when life returns to normal the village will have a lot of catching up to do.

Unfortunately on a more practical level there has been no response to the request for a new Co-Editor(s). Do get in

touch (see page 4 for contact details) if you would like to get involved, you do need to be confident using a computer. We can help get you started if you would be interested in learning some publishing programme skills. If you're not sure then why not get in touch anyway and we can show you what's involved?

Sally Watts

Happy Birthday in April to:
Sandra Birchmore, Tony Halliday, Susan Hill, Brian Jenkins, Peter Fluck, Colin Thomas, Kane Kostrzewski, Lisa Jane, Jenna B, Bella J, Philippa Trewin, Simon Bradley, Freddy Trewin, Ellen H, Tamlyn C, Matt Jane, Andrew Whitehorn, Marianne Edwards.

From Carn to Cove

We are sorry to have to cancel our Zulu Tradition evening on 17th April. We hope to resume our programme of events in the Autumn when hopefully restrictions will have been lifted.

From Grade Ruan Church of England Primary School

The children had a non school uniform day in aid of Covid 19 and raised £55 which they donated to Ruan Minor Village Store for provisions for those older members of our community affected by the Coronavirus restrictions.

From the Village Hall Committee

We were delighted to welcome Penny Woodward from Young People Cornwall to the market on February 27th. On behalf of the local community we donated £720 from our Christmas fundraising events. Penny came to offer her thanks and to give an insight into the work done by her Heads Up team for young people's mental health in Cornwall. For more information about

We will all remember Max with great fondness, a real local character whether lying in the middle of the road in front of his home or patrolling local events to ensure that everyone was behaving and enjoying themselves. We don't normally remember pets in the Gazette but Max is a special case

RUAN MINOR VILLAGE HALL

Reg. Charity No. 225626

WHAT'S GOING ON AT THE VILLAGE HALL?

In view of the current exceptional circumstances and to protect all members of our community the Committee has had to take the following action:

THE THURSDAY MARKET - CANCELLED

In the light of government recommendations regarding social distancing the decision has been taken to stop the Thursday market and the monthly quiz until further notice.

Many of our participants are in the vulnerable, at risk category as are several volunteers. We will update you when the situation changes.

To get further information, please telephone Liz Outten on 01326 290910
or visit Ruan Minor Village Hall's Facebook Page

SHORT MAT BOWLS - CANCELLED

Short mat bowls sessions have also been suspended until further notice.

For more information call Steve Griffiths on 290154

or visit Ruan Minor Village Hall's Facebook Page

WEDNESDAY EVENING PILATES - CANCELLED

These will be resumed as soon as guidelines permit.

MONTHLY QUIZ NIGHT - CANCELLED UNTIL FURTHER NOTICE

SNOOKER ROOM

For the time being this will remain available for members. However, it is advised that players should limit participation to two at any one time. They are also responsible for determining whether they are well and not a risk to each other. This is subject to change at any time.

We will update our new Facebook page regularly but not everyone has access so please let others know if you can. We apologise for the inconvenience caused and look forward to seeing everyone again as soon as the guidelines change, meanwhile stay safe and keep washing your hands!

RUAN MINOR CARNIVAL 2020

As I'm sure some you have heard, the Rec committee is hoping to bring back the much loved Ruan Minor Carnival. Steve Collins and Sarah Legge have been gathering photos of carnivals gone by and have been gauging interest in reviving this event. Many of us (including myself) have fond memories of dressing up on hot summer's days and parading around the recreation ground and village and would very much like to see the carnival's return. Planning is still in the early stages. However, no doubt there will be a traditional carnival queen and prizes for the best costumes. There is also talk of organising a band for the evening to keep the festivities going into the night. A carnival sub-committee is in the process of being formed to organise the event. If you are interested in helping, please contact Steve (01326 290764 or ocklynge1@aol.com) or myself (07790166751 or jacobscolding@hotmail.com).

The proposed date (coronavirus permitting) is **SUNDAY 26TH JULY** so that we can start the summer holidays off with a bang! Watch this space for updates.

RUAN MINOR STORE, CAFE & POST OFFICE

CORONAVIRUS SUPPORT

In light of the continuing spread of Coronavirus and concerns about our elderly and at risk customers, we have decided to offer a free delivery service to our regular customers who are either in enforced isolation, or who, due to their circumstances, wish to self-isolate. The service will operate on Tuesdays and Fridays to begin with, as this coincides with our main Booker deliveries (Monday and Thursday). At the same time, we can provide top ups for mobile phones and electric keys or cards.

We will also be able to deliver a limited selection of hot meals between 12 noon and 2pm on week days.

I'm aware that many of our vulnerable customers won't have access to the internet, so please pass on to your family, friends and neighbours. We will do our very best to make sure the we keep everyone well stocked during this difficult period. Please call 01326 290138 and we will have a chat about how we can help you.

As Jan is in isolation herself, she has agreed to take our delivery orders for us. Her mobile number is 07779 635148. Please restrict calls to 10am - 4pm Monday to Friday. Deliveries will be made on Tuesdays and Fridays at the moment.

We have managed to organise a card machine to take payments over the phone, so we will make up any orders, run them through the till and call you back with a total before taking card details. We can of course still take cash on delivery.

Keep safe everyone

Best regards

Claire

In the light of the global pandemic we are making some important changes to our business to keep both our customers and our staff safe, many of whom are in the at-risk groups.

With immediate effect, we have introduced a **self-service** system in our farm shop. This will allow our customers to do their shopping on their own without anyone else there. Full instructions are given how to use the equipment and pay.

This has enabled us to extend our opening hours to:
10am - 6pm every day.

We are also supporting our customers who are self-isolating by extending our home delivery service. We are offering to deliver to your door:

- anything we sell in our shop
- food hampers which we make up ourselves.
- hot food on Wednesday evenings (or you can takeaway)

All deliveries are **free of charge** for everything.

We deliver on our regular delivery days:

- Mondays & Thursdays: Ruan and Lizard
- Tuesdays and Fridays: Mullion

We also may be able to deliver at other times, but is subject to staff availability.

Our milk van delivery service and milk round will continue unchanged, and we will continue producing our lovely milk, cream, butter, cakes pastries bread and scones as always.

If you are interested in receiving a home delivery please let us know by phone or email.

Into April and the Easter holidays are upon us. In light of the current situation we find ourselves in, our doors will be closed until we are instructed otherwise. We understand the pressure this causes to our parents and endeavour to re-open as soon as we are allowed to. In the meantime, we will post links to websites and post activity ideas on our facebook page to help keep the children entertained and busy.

Our Spotty Run for Sports Relief raised almost £100. The children ran as fast as they could across the Rec with Wylfryd being crowned 'runner of the day', his little legs ran from start to finish all the while with a big smile across his face. The children have also been busy creating beautiful creations for Mother's Day and had created some wonderfully decorated floral pictures for the Spring Show.

As many are aware we had our Ofsted Inspection on Wednesday 4th March. It is always a nervous time when they visit, even though you know you are doing everything you should! The day went very well and our Inspector, Carly, was a lovely lady. As I write the report hasn't yet been officially published by Ofsted so we cannot tell you our result-we will update as soon as we are able to!

We wish everyone well, stay safe, remember to look out for each other and support each other where you can. Remember it is also OK to ask for help or some support. We miss all of our children greatly and hope that some form of normality returns soon.

Many of our brilliant local pubs and cafes are now offering a takeaway and delivery service, this may change so it's worth a call to check. Our fantastic village shops are continuing to offer a delivery service to those most in need. They are also working hard to ensure that shelves are stocked, and social distancing is adopted.

There is also a 'pen pal' initiative starting in the local area with our care and residential homes so if you would like to know more about that please let us know, or if you would like to receive a letter or a regular phone call please get in touch.

Please remember to socially distance, this will save lives – you may feel fine, but it could be a very different story for the vulnerable person that you encountered yesterday! This information has been collated in good faith and is accurate as of 20th March 2020. We will aim to keep this updated however, please get in touch if you have any queries:

The Village Hall Quiz

It was another hard fought evening in the hall which saw the Fox and hound return to the top of the pile of five large teams, they showed superior knowledge in the fields of geography and TV.

They were closely chased by the rest of the field alas geography was not strong for just us lot which led to they being awarded the wooden spoon for the first time. This month's mid time teaser was a word play connections which got everyone thinking.

1 st	The Fox and Hounds	75.5pts
2 nd	Scilly Old Fools	73.5pts
3 rd	Universally Challenged	73.0pts
4 th	The Jumblies	70.0pts
5 th	Just us Lot	65.5pts

It was another good evening and normally we would be welcoming our regulars and any new quizzers to come next month. Unfortunately due to the Coronarvirus we have made the decision to cancel the Quiz until further notice. We look forward to seeing everyone when the restrictions have been lifted and in the meantime hope that everyone keeps safe over the coming weeks and months.

REFURBISHMENT OF GRADE CHURCH

The long-awaited refurbishment of Grade church is now in sight. The stimulus has been the statutory quinquennial inspection which was carried out by Scott & Co of Truro in December and described the maintenance and repairs required, many of which will be obvious to visitors. The existing roof has been repeatedly patched after winter gales have dislodged slates, so reroofing and replacing gulleys and gutters is a priority.

A steeplejack survey has shown that the tower isn't in such poor condition structurally as had been feared and that the large vertical crack on the south side is due to the loss of pointing. So repointing the tower is also a priority.

We are fortunate to have the advice of staff at Scott & Co who are very experienced in the maintenance of historic buildings and are drawing up specifications and seeking tenders from tradesmen. They will also apply for a Faculty - effectively planning permission from the church authorities to go ahead.

As soon as estimates are to hand, members of the Friends of St Ruan and St Grade Historic Church Buildings will begin writing grant applications and planning future fundraising events to pay for the work needed.

Are you looking for care or help at home ?

I am a well mannered, reliable and completely honest lady (age 55), qualified HCA, with my own car available for accompanied shopping, days out, companionship, cooking, household duties etc. within The Lizard area.

Reasonable rates, references available.

Julie and Mark Oldfield adopt Thora from Soi Dog Foundation

Julie and Mark Oldfield have rescued this Collie after visiting Soi Dog Foundation in Thailand last June.

They decided to adopt Thora, who was buried alive in a rubbish dump with her brother as a puppy. The foundation managed to save them but it has left Thora blind and with some brain damage.

They had originally chosen to adopt a German Shepherd, but sadly he died. Julie explained: "Whilst we were there helping with some of the dogs rescued from the meat trade and off the streets, we met Fanumpa. He had been hit by a car as a puppy on the dangerous Phuket streets, leaving him unable to use his hind legs. A fund was set up and a lovely couple who were visiting the shelter donated the money to buy him a wheelchair. After we went home I kept thinking about Fanumpa and received updates of how he was racing around in his new wheel chair. We decided to adopt him as we felt he would benefit from having his own home and lots of open spaces here in Cadgwith."

Sadly however, whilst preparing him for his flight, it was discovered that he was suffering from heart failure which meant that he couldn't fly anywhere. Julie and Mark were really disappointed as they had fallen in love with his cheeky character. Happily he was to be fostered locally in Thailand but he never made it to his foster home as he died shortly after.

They then came across Thora whose terrible story "just stole our hearts", said Julie. Her brother was adopted as a puppy and Thora has been waiting ever since. She flew over on the 21st March with five other lucky dogs, chaperoned by a flight volunteer.

The Soi Dog Foundation was set up by an English couple, John and Gill Dalley several years ago and it is now a world class animal hospital and shelter where many vets go to train.

If you would like to help towards the cost of Thora's flight, you can send donations to Julie Oldfield's account No; 25264346, sort code 07-04-36.

If you're interested in sponsoring or adopting a dog or cat, you can visit www.soidog.org. The foundation's main aim has been to control dog populations by neutering and vaccinating as many as possible, with the animals then returned to where they came from.

Rector's Ramblings

The Church during Coronavirus

As I write this, the Archbishops of Canterbury and York have just issued a directive that all church services are to be suspended for the time being. This is in accordance with the directives from both the Government and the NHS.

Whilst it is impossible to predict what further restrictions may be required as we all respond to the Coronavirus, the churches' doors will remain open. Jesus has promised never to leave or forsake us, and promises his presence especially in the valley of the shadow of death. Therefore:

- **All our church buildings will remain open during the day**

you are welcome to come in and pray, or just be in God's presence. Please observe your own hygiene protection as you do so and give anyone else who is there safe space.

- **Whilst many may need to self-isolate, there is no need for anyone to feel alone.**

Many people are offering help in our communities and the church family is also there for conversation or practical help (eg shopping). But there is always someone who feels left out. If you know someone in this position, please let us know – and speak to them yourself.

- **Even though we are no longer allowed to hold services, Church will continue:**

in our own prayers and Bible reading; in acts of service and love; and in the comfort of faith.

¹ God is our refuge and strength, an ever-present help in trouble.

² Therefore we will not fear, though the earth give way and the mountains fall into the heart of the sea, ³ though its waters roar and foam and the mountains quake with their surging. Selah ⁴ There is a river whose streams make glad the city of God, the holy place where the Most High dwells. ⁵ God is within her, she will not fall; God will help her at break of day. (Psalm 46:1-5)

Yours in Christ

Peter Sharpe, Rector

Lifeboats

THE LIZARD LIFEBOAT VISITOR CENTRE NEWS

The 100 or so miles of Cornish coastline and waters from Falmouth to Newlyn are served by three RNLI Lifeboat Stations; Falmouth, Lizard and Penlee. Each of these locations has its own range of different activities happening throughout the year and, therefore, each has its own allocation of lifeboats and crews to enable them to deliver the nature of support they could be called upon to provide at any time.

Falmouth Town Harbour has a myriad of boat traffic of all shapes and sizes using its waters on a daily basis and larger commercial and naval traffic carries with it additional issues. Penlee Lifeboat is based at Newlyn which provides a base for a significant fishing industry and with nearby Penzance Harbour and Mounts Bay leisure and recreation usage they are certainly kept busy. The waters around the Lizard provide ample opportunity for the 'local' inshore fishing fleet to ply its trade.

The Lizard Lifeboat is perfectly placed to support this activity and also to be available when needed to assist the leisure and recreation usage of the local waters and coastline which, whilst all year round (subject to weather conditions), is majorly from Easter to the end of October.

Over the years different classes of RNLI Lifeboats have been designed and built to satisfy different needs and conditions and, of course, to take on board technological development. The largest boat in the RNLI fleet is the 'Severn Class' and both Falmouth and Penlee, because of the type of duties they are called upon to perform, have one of these allocated as their Station ALB (All Weather Lifeboat). Both of these boats are moored afloat at their stations.

The second largest boat in the fleet is the 'Tamar Class' which was designed to provide similar operational facilities to the 'Severn Class' but with the addition, amongst other things, of protected propellers in order to enable slipway launching and work in shallow waters. Our own ALB, 'RNLB ROSE', is one of the 27 Tamar Class boats currently operating in the RNLI fleet.

The basic 'vital statistics' of these two boats are as follows

SEVERN CLASS STATISTIC	OPERATIONAL TAMAR CLASS	TAMAR CLASS
17.3 METRES	LENGTH	16.3 METRES
40 TONS	WEIGHT	32 TONS
1250 HP CATERPILLAR DIESEL X 2 or 1600 HP MTU DIESEL X 2	ENGINES	1001 HP CATERPILLAR DIESEL X 2
25 KNOTS	SPEED	25 KNOTS
250 NAUTICAL MILES	RANGE	250 NAUTICAL MILES
5500 LITRES	ON BOARD FUEL STORAGE CAPACITY	4600 LITRES
6	CREW COMPLEMENT	6/7
185 47 SELF-RIGHTING	PASSENGER COMPLEMENT	118 44-SELF RIGHTING

In view of the high level of in-shore activity the stations are required to support, both the Falmouth and Penlee Stations are also allocated a fast response Atlantic 85 boat. The Atlantics are 8.44 metres rigid inflatables and have a top working speed of 35 knots. They operate with a crew of 4 and can carry a passenger load of 24 persons. For close contact work on the water, RNLB ROSE carries a 3metre 'Y-Boat' in a recessed chamber within its stern section. The Y-Boat has a crew of 2 and is powered by a 15hp 'Mariner' outboard engine.

CORONAVIRUS – COVID 19 – SPECIAL NOTICE

At 5pm on March 16th, the Prime Minister announced the government's strengthening of its measures to combat the spread of the COVID 19 virus.

The RNLI takes its responsibilities on this issue extremely seriously and immediately implemented its own specific measures in order to comply with government guidelines.

Until further notice, all RNLI stations must be closed to all but operational personnel and only operationally essential activities should be undertaken.

Of major significance to the Lizard Lifeboat Visitor Centre is that, with immediate effect, all RNLI Visitor Centres, Shops and Museums MUST CLOSE UNTIL FURTHER NOTICE.

This is a most regrettable action but I am sure you will agree that it is of the utmost necessity. The matter will be kept under priority review and further information will be announced when appropriate.

Thank you very much for your support.

Friends of Kennack Sands

Kennack Sands monthly beach clean welcomed 7 volunteers in March. Thank you for your support!

Please join us for our monthly beach clean in April and/or do a two minute beach clean next time you visit our beautiful beach. With Easter approaching and, hopefully with the weather improving you can do your bit to help by picking up any litter you come across, picking up after your dog and not leaving cigarette butts on the beach. I

f you visit for a picnic please use reusable containers and take your rubbish home with you. Cleaning the beach improves the ecosystems on the coast and in the sea, that one piece of rope can no longer entangle a marine animal or the dog waste and plastics you removed can no longer pollute the coastal environment.

This month we have collected just over 4 black bags of waste and recycling. This includes: small plastics, broken glass, 5 gallon plastic container, part of a boat and, as usual lots of dog waste!

***The next beach clean is on SUNDAY 5TH APRIL
ALL WELCOME!***

Happy Memories

How lovely to receive this photograph from Arnold Phillips. Arnold explained that this picture shows his wife, Eileen, shopping in Cadgwith Cove. Johnny Trewin was the storekeeper but he was also a Justice of the Peace and a Preacher and very well respected. He was great uncle to his namesake John Trewin.

Arnold thinks this photograph would have been taken in the 1960s when there was limited transport and not many had cars. This shop was located where the Crab Shop now is in the Cove and was a life saver to those living in Cadgwith.

Eileen looks so elegant in her headscarf. It's clearly a cold day but Johnny, obviously made of sturdy stuff, is in a short sleeved shirt and braces. Many thanks to Arnold for allowing the Gazette to reproduce this photograph.

CORONAVIRUS:

Based on current advice, we have considered how we are going to run the Pavilion for the next month (or two...). Of course, there are new announcements from the Government daily - so some of this may be changed by the time this magazine is published!

We will continue to open the Bar on Friday evenings between 5 and 8pm for as long as there is a demand. Of course, if there is an escalation in Government advice to avoid pubs and clubs to a ban on opening, we will have to comply. Whilst we are open, we will take practical steps to reduce the risks to both volunteer staff and customers.

All other regular activities have now been cancelled by their organisers - the remaining football league matches, euchre, darts and yoga classes all cancelled.

We are cancelling all party bookings for April (fortunately there is only one), and will review the situation again before May. At the moment we are not cancelling the May Festival, but anticipate that to be a real possibility. We hope that by the Summer, the situation will have begun to improve, so we will continue to plan fund-raising events including band bookings, Cadgwith BBQs and the Carnival - but obviously we will keep this under review.

We have enough funds to (just-about) cover our fixed outgoings (gas, electricity, water, phone, insurance, etc.) for 2 to 3 months. If we have to close, we can switch off heating (we would be doing that soon anyway) and cooling systems - which will save money in the longer term, but the electricity is on a "budget" account with fixed monthly payment, and the gas usually gets refilled in the Summer (whether we want it or not!).

There are difficult times ahead, but I'm sure we'll pull through. There's plenty of businesses in a worse position than us, and many people with real fears for their health, even their lives. I wish you all the best of health and hope to see you all again soon, when it's all over.

On a more positive note, we have organised a work party (and a lorry-load of stone) to sort out the potholes in the driveway and parking area. This will have been done by the time you read this - with grateful thanks to Stephen Green (again!) for the loan of a digger.

Many thanks for your continuing support,

Mike Fleetwood, Chairman.

Gardening in April

by David Endean

The world is a fast changing place these days and the way we go about our daily business is having to change because of this corona virus sweeping through our world. As I pen this article we have lost our Spring Flower Show for this year and are unsure what community events will take place over the coming months. But one constant is the garden this will be something that you can continue with if you are well enough, even if you are self-isolating or self-distancing, as you are unlikely to be in close proximity to many people in your own garden. But who knows in this ever changing world, see what is happening in France.

A group of shrubs that may need some pruning around now are those which flowered this spring, things like the flowering currants *Ribes spp* and *Forsythia*. These you cut out a third of the old wood once again when the shrub is mature and at the size you require if they are too big and over grown cut them back hard but you may lose the flower for one year but doing it now gives the most chance of flowers in twelve months' time. Also finish off the pruning of the Hydrangeas for the classic mop heads and lace caps just tidy up the old dead flower stalks and maybe remove a few of the very oldest branches with the aim of gradually rejuvenating the bush.

In your borders you will have already have done your weeding, but have you given the beds a generous dressing of a slow release fertiliser such as fish, blood and bone. Also putting a layer of mulch around now suppresses any more weed and traps in the moisture from the winter rains.

While you are pottering in the borders now is a good time to start getting some staking in around your herbaceous plants, as the proverb says - a stitch in time saves nine. If you get the stakes in early they are quickly covered up and the plants do not flop, plants rarely look right if they are staked after they have flopped also they can collapse on other plants and in the worst cases kill them by smothering and blocking out the light.

Also whilst you have the fertiliser to hand give a generous dose to your daffodils of which most will have finished flowering now. I know the strappy leaves on these look untidy but do not do anything to them for at least six weeks even better to let them turn yellow and start to be eaten. Do not trim them back or tie them in knots as was done in times gone by. They need to be able to photosynthesise to put energy back into the bulb so that it will flower well next year.

Down in the veg patch there is much to do, sowing and planting comes on fast from now on. It is time to plant out your main crop potatoes, sow carrots and parsnips, and get the onion sets in. It has been such a long wet winter that I expect you are well

behind in this area of the garden. There is the saving grace that often the later sown crops will catch up, I have several things to plant out which I brought on in the greenhouse like lettuce cabbage and beetroot.

The greenhouse has loads of things to do but I expect you will be thinking about planting out tomato plants. This can generally be done from the middle of April without too much trouble. Prepare the ground well and if you are using pots or bags be very generous with the amount of compost you give them because they are hungry, thirsty plants and a good root run will reduce the effect of these problems.

In the greenhouse now is the right time to sow the quick growing half hardy annuals like French and African Marigolds and Asters. Also keep sowing hardy annuals in small pots or modules just to fill any gaps which may appear in your garden. April is generally a mad month for pricking out seedlings which you sowed in March this needs to be done to get good strong stocky plants. You use compost with more nutrients and give the plant more space.

With your lawns you should be able to start thinking about lowering the blades on the mower and now they are actively growing away you can decide whether you wish to use a weed and feed product of your choice. Looking around after such wet times moss seems a problem this year so something to kill the moss and then scarify the lawn to remove it may well be a necessity. This needs to be done to stop the grass from being stifled.

I am off to get the sweet peas planted out, keep well and enjoy your gardening.

Minutes of the Grade Ruan Parish Council Meeting held at the Sunday School Room, Methodist Chapel, Ruan Minor on the 10th February 2020 at 1930.

199/19 **Persons Present/Apologies**

Present: Cllrs Preston (Chair), Green (Vice Chair), P Collins, S Collins, Fleetwood, Freeman, Harry, Lee, Stephens, Trewin.

Apologies: Cllr Agutter, Clifton. Cllr Rule CC.

In attendance: L Dunkley (Parish Clerk). 7 members of the press/public.

200/19 **To Receive Declarations of Interest/Dispensations**

Cllr Trewin declared an interest in PA20/00206 & PA20/00435.

201/19 **Public Participation.**

B West addressed the Council about Primrose Day (19th April), “a unique and largely forgotten tradition which began in order to remember Benjamin Disraeli.” On the same date in 1909 a 16 year old boy, Thomas Richard Collinson Harrison, fell to his death at Carleon Cliff whilst trying to collect kestrels eggs. The proposed event this year invites the local community to a service at St Ruan Minor Church; laying of primroses on the grave of Thomas Richard Collinson Harrison; an organised walk along the cliff path; a talk on the history of Poltesco and the Old Serpentine Works. The Council were supportive of the event and gave useful contact details.

S Bennetts and H Bennetts gave context to PA19/10852.

A Dale gave context to PA20/00453

**Cllr Trewin left the room*

J Nunn spoke in favour of PA20/00206.

**Cllr Trewin re-entered the room*

202/19 **Reports from outside bodies.**

RECEIVED a request to appoint a representative to a new Police liaison group. Representative to be appointed in due course following email correspondence. Clerk to pursue

203/19 **Council Meeting: Minutes 13 January 2020**

RESOLVED that the above Minutes of the Meeting of the Council having been previously circulated, be taken as read, approved and signed. No matters arising
NOTED. Cllrs S Collins/Lee. Unanimous.

204/19 **Staffing Committee meeting: Draft Minutes 13th January 2020**

NOTED the draft Minutes and resolutions therein as above.

**Cllr Trewin left the room*

205/19 **PA20/00206:** Erection of Single Dwelling. Mr And Mrs J Trewin. Land Adjacent To Crig-A-Tana Long Moor Ruan Minor TR12 7LG.

The Council carefully considered matters such as conditions of use on nearby properties, the general built environment in the area, the need for the development, open countryside, concerns submitted by the public.

Proposed and seconded to support the development given that it is felt to be congruent with the local built environment and the need for the proposals are evidenced. If the Planning Authority considers open market housing unsuitable the Parish Council will support a s106 restriction tying the property to use by local agricultural/fishing workers as per the adjacent property.

Amendment proposed and seconded to remove “If the Planning Authority considers open market housing unsuitable the Parish Council will support a s106 restriction tying the property to use by local agricultural/fishing workers per adjacent property” and replace with “The Parish Council wish to add a planning condition that a s106 restriction tying the property to use by local agricultural/fishing workers as per the adjacent property is applied.

3 in favour of the amendment, 5 against. **Amendment failed.**

6 in favour of the original proposal, 3 abstained. **Original carried.**

Clerk to respond

**Cllr Trewin re-entered the room*

PA19/10852: Temporary residential use of wooden cabin to support equestrian business. Miss Sophie Bennetts, St Ruan Croft Ebenezer Rd Ruan Minor TR12 7LW

The Council considered matters such as the visually exposed location, proximity to the main road into Ruan and beyond, the introduction of domestic elements into the rural landscape, the evidence of need, and what constitutes “temporary”. The Council supported the application with the condition that the permission for temporary use is to a maximum of three years, and that a full screening/planting programme is submitted as a Condition of consent and approved in writing before commencement of any further works. Proposed and seconded. 6 in favour, 3 against, 1 abstained. Clerk to respond

**Cllr Trewin left the room*

PA20/00453: Construction of single storey dwelling. Mr Andrew Dale. Land North West Of Chy An Delek St Ruan Ruan Minor Helston Cornwall TR12 7JS

The Council opposed the application on the following grounds: potential benefit of the development will not outweigh the harm to the rural setting; the proposal represents development in the open countryside; there is no proven need for the development; there is concern that approval of such development would set a precedent for further development in the open countryside. Proposed and seconded. 5 in favour, 2 against, 2 abstained. Clerk to respond

**Cllr Trewin re-entered the room*

PA19/11049: T1 - Sycamore - Crown Raise from 2 meters to 4 meters. G1 - x2 Elms - Fell. Tree showing signs of Dutch Elm Disease. Replant with Sessile Oak. Mr & Mrs Watson. Carsilgy House Prazegooth Lane Cadgwith TR12 7LA

The Council supported the application. Proposed and seconded. Unanimous.
Clerk to respond

206/19 **Planning Applications decided by the Planning Authority**

PA19/07834: Lawful Development Certificate for Existing Use to prove property has been sub divided and used for holiday let. Vine Cottage Annexe Cadgwith Ruan Minor [REFUSED]

PA19/08142: Application for Certificate of lawfulness for existing use of building as a dwelling/holiday. Land Adj Coth Lytherna Cadgwith [GRANTED]

PA19/09968: Alterations to 2 existing dormer windows to form inset balconies and installation of one roof window to north west elevation. Bay View House Treworder Lane Ruan Minor Helston Cornwall [APPROVED]

Staffing		682.93

Cllrs Lee/S Collins. Unanimous.

Clerk to action. Clerk to provide loan update to Cllr S Collins

209/19 **Red phone box update**

RECEIVED an update as above on discussions with BT and experiences of other Local Councils in Cornwall. **CONSIDERED** the Council's options and concluded that the phone box could only be recovered at a great cost, and that the adjacent former bus shelter affords space to house any provision that the phone box might have been used for.

Clerk to confirm Council adoption of Kuggar phone box

210/19 **VE Day celebrations**

RECEIVED an update that progress is being made. Cllr Agutter will update on the following meeting.

Cont....

211/19 **Bench at former bus shelter**

CONSIDERED as above per 192/19. The Council felt that the current informal seating works well and there is not a need for a formal bench at this time. It felt that a map/information board is desirable in the shelter. Cllr Preston to pursue

212/19 **Play area works quotations**

None **RECEIVED** as contractors have failed to respond. **RESOLVED** to authorise expenditure of up to £395 for repairs. Cllrs Lee/Fleetwood. Cllr Preston to pursue

213/19 **Martha's Acre land management update**

RECEIVED as above. Another site meeting is due to take place on 11th February between Active Plus, the National Trust and Cllr Preston.

214/19 **Footpaths, Highways; Tree wardens report.**

- a) **RECEIVED** an update on Highways actions from the previous meeting.
- b) **RESOLVED** to accept the Treleague Verge grant for 2020. Cllrs Freeman/S Collins. Unanimous.
- c) **RESOLVED** to accept the LMP and SWCP grants for 2020 and to seek quotations for work. Cllrs Trewin/Green. Unanimous
- d) **CONSIDERED** other reports: a request to Cornwall Council for them to adopt Chapel Terrace is being pursued. Erosion at the Todden was reported. FP6 is unusable in places due to mud. Surface erosion and access issues were reported on FP23.

Clerk to respond to grant funders

Clerk to pursue Chapel Terrace and FP matters.

Cllr Preston to investigate Todden matter

215/19 **Reports from Council representatives to outside bodies**

NOTED reports including from the inaugural Lizard Peninsula Dark Sky meeting and from the Community Network Panel.

Clerk to circulate Dark Sky details

216/19 **Notification of meeting/items for agenda: 9th March.**

NOTED: Potential for housing between Ruan Minor and St Ruan (Cllr Freeman).

217/19 **Public Bodies (Admission to Meetings) Act 1960.**

RESOLVED that in view of the confidential or special nature of the business about to be transacted it is advisable that the press and public be excluded and instructed to withdraw during the discussion for the following items: commercially sensitive information; personal data. Cllrs Lee/S Collins. Unanimous.

218/19 **Fishing Cellars (Fort York) update**

RECEIVED a brief update.

219/19 **Fishing Cellars (Steamers) Survey** None **RECEIVED**.

220/19 **Fishing Cellars (Winch House) update**

RECEIVED survey and valuation reports and **CONSIDERED** public consultation and funding matters.

221/19 **Fishing Cellars actions**

CONSIDERED the process of public consultation, including a public meeting to follow an extraordinary meeting of the Council.

Clerk to investigate PWLB process and liaise with Cllr Preston regarding an extraordinary meeting.

The meeting ended at 21:55

Minutes of the Extraordinary Meeting of the Council held at the Sunday School Room, Methodist Chapel, Ruan Minor on the 3rd March 2020 at 1845

222/19 **Persons Present/Apologies**

Present: Cllrs Preston (Chair), S Collins, Fleetwood, Freeman, Harry, Lee, Trewin.

Apologies: Cllrs Green (Vice Chair), Agutter, Clifton, P Collins.

Absent: Cllr Stephens.

In attendance: L Dunkley (Parish Clerk). 7 members of the press/public.

223/19 **To Receive Declarations of Interest / Dispensations.** None.

224/19 **Public Participation.**

The Public were permitted to participate in the following agenda item.

225/19 **Principles of Safeguarding Fishing Cellars**

The context of this agenda item is that the Council formed a working group in April 2019 to investigate and enter discussions with other parties with the view of obtaining information which will inform discussion and decision at future Council meetings on the level of Council involvement thought to be desirable in safeguarding or purchasing buildings related to the fishing industry in Cadgwith. Key questions were: is the fishing industry at risk if the cellars are sold?; if so, what should be done about it by the fishing community and by the Parish Council? The Council has discussed in private sessions of Council meetings (due to the confidential nature of valuations, personal data and so on), and has commissioned, received and analysed structural surveys for all three buildings (Fort York, Steamers and the Winch House) and valuations for two buildings (Fort York and the Winch House). The working group (Cllrs Freeman and Green) have been undertaking discussions with representatives of the fishing industry and current building owners. This is the first time the Council has formally discussed the matter in the public session of a Council meeting and this may form part of a series of public consultations used to ascertain the most desirable course of action.

DISCUSSED as above including the following points:

- Listed status and covenant of Winch House – Is there a threat that use by the fishing industry can be removed, and if not, why the need for the Council to investigate purchasing?
- Identifying if the buildings are for sale, and the level of negotiation the Council has had with current owners.
- Cold Store: could the Council purchase and secure this separately?
- Should the Council consider all three buildings together, or prioritise one over the others?
- Suggestion of putting a covenant on Fort York (for use by fishing industry). Is the same for Steamers desirable?
- Would fishing really stop if ownership of buildings changed from one private landlord to another?
- Time limits, pressure on the Council to purchase.
- Grants – what may be on offer for purchasing, and what may be on offer for refurbishing after purchasing.
- Public Works Loans to fund purchasing – potential impact on the precept and Council budgets.
- Management and maintenance matters – the Council could conceivably purchase buildings but not manage them. Would an existing or new Trust do this? Parallels with the Community Trust and public toilets and car parks
- The Council would seek to ensure it has general public support before taking any course of action.
- Liabilities, renovations, administration and finance if the Council were to purchase
- If direct purchase doesn't proceed, how best can the Council facilitate?

Confidential matters were discussed in the later private session of the meeting. The item will return to the normal Council meeting agenda on 9th March and further public consultation will be considered.

226/19 **Martha's Acre land management update**

RECEIVED as above. Cllr Preston outlined the project to create a new footpath and access through National Trust land to Martha's Acre. The Council were supportive. To be brought to the normal Council meeting on 9th March to resolve to fund a proportion of the project.

217/19 **Public Bodies (Admission to Meetings) Act 1960.**

RESOLVED that in view of the confidential or special nature of the business about to be transacted it is advisable that the press and public be excluded and instructed to withdraw during the discussion for the following items: commercially sensitive information. Cllrs Lee/Fleetwood. Unanimous.

218/19 **Council direction on safeguarding Fishing Cellars**

DISCUSSED and carefully **CONSIDERED** as above in preparation for public consultation and future decision, specifically costs of purchasing, Public Works Loans and impact upon the budget and precept.
