Noticeboard

Happy Birthday in **July** to: Josh Legge, Nigel Legge, Eveline Julian, Charlie Rudd, Sheri Rogers, Dora Halliday, Thomas Williams, Charlie Bennett, Herbie Bray, Kenam Sagram, Sharkey, Maillie C, Sarita, Susie Jane Thomson, Mike Hardy, John Fallows, Jutta Watson, Andrea Betty, Simon Sugrue, Verity F, Robbie Green, Pip Sealey, Sade W, Nancy S, Louisa Burgess, Denise Williams, Mo Jones, Alan Thomas, Michael Halliday, Kevin Cryan, Di Fleetwood, Victoria Gilbert, Lee Lewis, Richard (Skinny) Williams (a big O!), Chrissie Etchells, Emma Trewin, Sarah Stephens, Sam Sugrue, Amy J, Steve Thompson.

Apologies to **Cloe Price**, whose lovely drawing adorned the cover of the May Gazette. It was wrongly attributed to someone else. Cloe's picture was a runner up at the Spring Flower Show in the class to design a cover for a summer issue of the Gazette. Well done, Cloe and apologies again for not naming you correctly.

This month's cover is by the other runner-up in the Spring show, **Rose Tonks**. Remember, anyone can submit a drawing, photograph or idea for a cover, and it's almost certain to be used, maybe not immediately, but when the next gap appears.

Please join me in giving a warm

welcome to **Audrey Stokes**, who has moved from Scotland to Mundys Field. She has come to be nearer her daughter and son-in-law, Carolyn and Paul Ferrari, who have moved to St. Ruan. We hope Audrey will be happy in her new home.

On behalf of **Liz Newton** and in memory of Chris, Steve Holyer presented John Trewin with a new set of scales for the weigh-in at the Thursday evening and other fishing competitions. John expressed his thanks on behalf of all those involved in fishing competitions in the Cove, where Chris was such a keen and successful participant.

Thank you to those who pointed out to

me that **Bodrigy** (featured last month) burnt down in 1972, not the mid 60s as stated.

The photograph below was on the front of the April Gazette and I was hoping to be able to put names to some of the people in the photo. The only one I have so far is that Rose Boucher thinks that the young man in uniform is **Tommy Daw**, who was the local postman after WWI.

The next issue of the Gazette will be a **combined issue for August and September**, so please let me have your contributions for both months by 18th July.

Good luck to Charlie Day-Smith as he sets off to his new life on the Gold Coast of Australia! Over the past four years he has worked as a radiographer at RCHT, St. Michaels and Duchy Hospital. He has now obtained a post at the John Flynn Hospital where he will be training and specialising in Cath Lab. It'll be an amazing adventure full of sun, surf and lots of hard work. He'll be extremely missed by family, friends and work colleagues alike. Thanks to every-

body who joined us down Kennack on a lovely sunny afternoon for farewell BBQs and all things Cornish - one to remember!

Alex Day-Smith

On 4th April your local store received a surprise visit from the Environmental Health Officer. He reviewed all of the temperature logging, both hot and cold, checked for date monitoring as well as cross contamination in the chiller and inspected the food preparation area. As a result, Ruan Minor Spar has been awarded a 5 star food hygiene certificate. I'm extremely pleased and want to thank all of my team for their contribution towards the award.

Claire Bollard

[I've heard that Jumunjy Lizard Thai Cuisine has also been awarded 5 stars. Well done to them and Spar. Ed.]

David and Janet Gascoigne retired from managing the Ruan Minor Village Hall (RMVH) on the 8th May, after 10 years of hard work. Apart from overseeing all the other events held at the hall (of which there were many), whilst drawing the weekly raffle David staged weekly, hilarious banter with the kitchen staff. These were Janet herself and Jill Thomas, who together with Janet, retired from "Kitchen Duties" on the same date! This ribaldry often took the form of criticising their operation of the microwave oven and toaster on which the famous RMVH bacon sandwiches are made. Jill Thomas could often be seen menacingly waving a kitchen implement in David's direction and Janet saying what she would do to him

Grade Ruan Under 5's Playgroup would like to thank everyone who made our Teddy Bear's Picnic such an outstanding success. Kyra and Mike Tonks for the loan of their amazing garden, Keith and his bouncy castle, Sarah Henn for her beautiful woodland crafts, Mike Hardy for the crafty makes and creations, Tim Birchmore, Mark and Liz Outten and to all the GRU5 staff

and committee that organised raffles, refreshments, games, stalls and entertainments. And above all, To you! The community that supported us and joined us in such a lovely event. THANK YOU!!!

Tasha Allen

Staff and Governors at Grade-Ruan School have noticed that youngsters are often using the school playground in the evenings. It is lovely that people want to come back and use the area but, whilst this is a safe place for roller skating, skateboarding, cycling etc., we would ask that ball games take place on the recreation ground please where there is more room and less likelihood of damage to windows etc. We would also request that school equipment is not used or moved and to respect the school by removing any litter when you have finished.

Herbal Medicine

Hello, my name is Deanne Greenwood and I'm a herbalist living in Poltesco. I use traditional, plant-based medicine to help heal mind, body and spirit – and I practice in a corner of Cornwall that is a natural healing environment.

I see people with all sorts of ailments, including longterm, chronic health problems that herbal medicine can be very effective at relieving.

If you are visiting Cornwall, this may be the time and space you need to start your healing process. Follow-up consultations can be conducted by phone and/or skype. Traditional herbal practice meets the modern world!

Message from Devon and Cornwall Police re Telephone Scam

Devon and Cornwall Police would like to make people in the Helston area aware of a professionally run national scam that is attempting to defraud people, many of whom are vulnerable due to age, out of thousands of pounds. The offenders are tending to exhaust opportunities in one particular area of the country before moving onto another. Within our force area, Torbay has been targeted, but recently West Cornwall, in particularly Helston, has been the focus, where a number of victims have transferred money into the offenders' back accounts. Within a 48 hour period, we received reports of over £130,000 being taken.

The offenders call the victims, purporting to be a police officer from the London Metropolitan Police investigating a crime relating to fraudulent activity on the victim's bank account. They then convince the victim to either transfer their savings into another bank account or they obtain their bank details allowing them to withdraw money.

If you think you have been contacted in this way, or you have been duped by these fraudsters, here's what to do:

- Ring 101 and inform the Devon and Cornwall Police
- Dial 1471 – this may reveal the caller's number
- Keep a record of when the offender(s) called and the number and duration of calls. It is important that we try to establish the approximate start and end times of the call.
- Make a record of details of the caller - male/female, did they use a name/title, accent, what was said, etc.

NB – IF MONEY HAS BEEN TRANSFERRED, IF CAUGHT EARLY ENOUGH (WITHIN 24 HOURS) MONEY MAY BE RECOVERED please contact the police asap.

Affordable Housing – The Next Step

The Community Land Trust is planning the future provision of affordable housing in the parish. A new Housing Needs Survey is required so as to assess the needs that will not be met by the current development at Higher Moor. Cornwall Council are going to do the survey for us and everyone will receive a postcard telling them about it. The survey is online but paper copies are available on request. Claire in Ruan Minor Post Office has very kindly agreed to have copies available. We hope to visit local events to help with any queries you might have.

We would like you to fill in the survey whether you have a housing need or not, as we would like your opinion on providing additional facilities in the village. It's very important to fill in this survey if you have, or are likely to have, a need for affordable housing, or if you know of anyone with strong local connections who would like to return to living in the parish. If you need help with the survey or would like to talk about your needs, any member of the Land Trust will be very pleased to assist, in strictest confidence, of course. Contact Paul Collins (290754), Nigel Green (565175), Peter Freeman (290642), Cathy Brown (290591) or Judith Green (290118). We will organise a public meeting to discuss the results when they are available.

NEWS FROM THE VILLAGE HALL

RUAM MINOR VILLAGE HALL

Reg. Charity No. 225626

Hello There!

I'm sitting in my garden as I write this edition of Village Hall news. I'm listening to swallow chicks in the nest under our neighbours eaves calling away to mum and dad swallow that they're hungry. There's a tractor cutting silage in the field over and the sweet smell of gorse is wafting around. But above all I'm catching some rays and working on my emmet glow! What amazing weather we have had! And with any luck it will last a wee while.

It's been a lovely few weeks in the hall as we all settle to our new roles and I know us 'newbies' would like to say a huge thank you to David, Steve, Jeff and Liz for really helping us along.

But it is with regret that I must tell you the sad news that Jill Thomas has decided to resign from the committee. Jill has given sixteen years' service to the village hall and we would like her to know that we have very much appreciated her commitment to our community. Thank you Jill.

We are therefore a Trustee short, so if you would be interested in becoming a Trustee for the Hall please contact anyone in the committee or come along to our next meeting on the 8th of July at 7 p.m.

Thursday Market Café is looking for volunteers to help run it. We aren't asking anyone to specifically commit to it week in or week out, but we thought it may be nice if we had a collective willing to offer a morning a month or so, or whenever they can. If this sounds interesting to you then please pop into the café or give me a call. We have also raised the prices slightly. We have had lots of positive comments from the traders and customers and would like to say thank you ever so much for your support.

Short Mat Bowls is thriving in popularity on both the Monday and Thursday sessions, and if you would like to come along you would be more than welcome. If you would like any information with regards to the bowls club then please contact **Steve 290154**.

The Panto Film night was a great success and all who went along enjoyed it, we are told, especially the out-takes! I believe you can still purchase DVD's of the performance from Mr Palmer. We are all very much looking forward to the next production.

It was great to hear that the Quiz was so well attended this month. It's a great evening entertainment.

Coastline have booked another meeting in the village hall for Thursday 17th July between 1 p.m. and 5 p.m. We hope you can attend if you need to. It was so lovely to hear of local families being able to pick their plots and go and view their new homes.

Well I had best close as I am becoming rather red and in dire need of factor 50 suncream!

Please see our advert for changes to contact numbers, but for now Cheerio and enjoy the sun!

For any bookings, please contact Tasha Allen on 291232 or 07792292665

Under 5s. The Under 5s have had a busy few weeks - our peas, courgettes and sunflowers are growing really well and ready to be transplanted to the school garden patch. For whatever reason only Sky had green fingers when it came to the runner beans and hers is becoming a very tall beanstalk while all the others have sunk without trace.

Our new sandpit train has been fitted together and is in place in the outdoor area - thank you to the Cadgwith Community Trust for giving us a grant for this and two outdoor mats which have also proved invaluable. Our next project is to replace the Little Tykes kitchen outside with a wooden construction which will provide much more open ended play.

On Wednesday 11 June, Starfish class joined us for *Once Upon A Time*, an interactive production from MADE which was the culmination of the project we have been part of since January. The hall was transformed into something quite magical and the story of Wenna White's first day at playgroup was full of hands-on activities that the children could join in with. A truly Early Years presentation with wind machines, bubbles, torches, music, dance, balloons, Captain Paddy Pants and a magnificent angry episode from Liane! The children were entranced and were able to recall all the emotions that had been explored. They had created paper plate faces ranging from 'sad', 'worried',

'happy' to 'angry'. We followed this up by making pizza faces using vegetables.

The good weather has meant we have been able to get out and about a great deal and plenty of running on the rec to burn off all that excess energy.

Our Teddy Bears' Picnic was enjoyed by many, this year held at Ruan Vean, thanks to Mike and Kyra. It prompted many reminiscences about past garden fetes and was really nice to be in the centre of the village. Thanks to Claire in the shop for providing the base from which to start the Teddy Bear trail and for all her support in advertising the event in her window display. The weather was scorching which helped the Pimms to go down very nicely and staff, committee and friends got baked while manning stalls and activities. The profit after taking expenses into account was over £400 which is an amazing total, thank you to everyone who supported us, even if you didn't have any children at playgroup. We are hoping to provide activities and an outing with this money.

July will see us having to say goodbye to Sky, Billy, Arthyen and Elliott as they leave to start school. We'll miss you but hope you have a great time as Starfish.

The children were fantastically well behaved and many new friendships were made. Huge thanks to Wendy Prescott, Katey Jane and Emma Spence who, together with the other

wonderful staff from across the Trust, looked after all our children without flagging!

Well done to those that took part in Cluster Sports on the hottest day of the year so far! Art Club has started on a Tuesday after school. Sailing with the Helford River Children's Sailing Trust continues every Friday and Swimming is continuing at Sea Acres. We welcomed back Marion Jennings with Francoise, visiting from Brittany, who came in to teach all the children some French and learn about French culture. Years 5 and 6 took part in the RNLi 'Hit the Surf' afternoon at Hayle Towans, splitting into two groups, with half the afternoon spent surfing and the other half learning life-saving skills. Thank you to Katey Jane for driving them there in the minibus. Thank you to those that were able to attend the Celebration Service at the Chapel for the Sunday School Anniversary.

Preparations for the Summer Play, *Never-ever-land*, are underway. If anyone is able to help with set building it will be taking place between 10-2pm on Sunday 29th June, Sunday 6th July and Sunday 13th July down in the Orchard at Poltesco. If anyone has any of the following items that they can lend or donate for the school play, please let Sharon in the office know on 290613 - any scrap blue or green material, any scrap fur material, armchairs, carpet. The performances are on Wednesday 17th, Thursday 18th and Friday 19th July - those that have been in previous years know that the evenings are special, magical experience for actors and audience alike

- get your tickets from Sharon in the School Office on 290613! The Summer Term finishes at 12 noon on Tuesday 22nd July. Happy holidays! (*Autumn Term starts on Thursday 4th September*)

Mullion School is strangely quiet without all the Year 11s - exam season is finally over and the Prom beckons. For those still at school, the term offers much in addition to the regular lessons. A group of Year 10s visited Culdrose to take part in the Lockheed Martin Helicopter Engineering Challenge - the task was to design, build and test on a model scale, a land based rescue for a Merlin helicopter that had made a forced landing in desert conditions. Much thinking, drawing, discussion and questioning ... and lots of tea drinking as well for Franco and Jamma, apparently! Year 9 pupils each year explore and question what happened in the Holocaust in their History lessons and creating individual, independent reflections that included models of concentration camps, wooden sculptures, paintings, canvasses and diaries. The Humanities Team was very impressed by the mature attitude and respect demonstrated by all Year 9 students. With only three weeks to go until the end of the school year there is still a lot to pack in - College Taster Days, Duke of Edinburgh practice camps, The Great Mullion Bake Off, French and Spanish GCSEs for the Year 10s, Year 10s Work Experience, Activities Week, the Talent Show and finally, the Last Day of Term on Tuesday 22 July! Hope you all enjoy a wonderful summer break.

Rector's Ramblings

We've been hearing quite a bit about 'British Values' recently, and how the government wants to make sure that these values are taught and upheld in our schools' curriculum and in our society.

I don't quite know how you define '*British*' values. There have been references to the Magna Carta (1066 and all that). Do *you* know what's in the Magna Carta? No, nor do I. I'm sure I could Google it, though, and find out – although I very much doubt I will find a definition of 'British Values'. A certain senior politician offered a list of distinguishing national traits, which were: 'freedom, tolerance, respect for the rule of law, belief in personal and social responsibility and respect for British institutions'.

I firmly believe that **Christian** values are far more important than any other set of 'values' – 'specially in our increasingly secular society – because, despite what the media, the atheists *et al* claim, we are a Christian society.

But someone once said: "If you were accused of being a Christian, would there be enough evidence to convict you?" Well, would there be? What *are* the Christian values which we claim to live by, and do we stand by them?

St Paul sums up Christian values when he writes about the Fruit of the (Holy) Spirit (Galatians 5:22-23). These fruits are: love, joy, peace, patience, kindness, generosity, faithfulness, gentleness, and self-control.

The fruit of the Holy Spirit is the result of the Holy Spirit's presence in the life of a Christian. Everyone receives the Holy Spirit the moment he or she believes in Jesus Christ. And one of the primary purposes of the Holy Spirit coming into a person's life is to change that life. It is the Holy Spirit's job to conform us to the image of Jesus Christ, making us more like Him.

Yes, we sometimes struggle to stand by these values, by the fruits of the Spirit. Yet it is one of the main purposes of the Christian life to allow the Holy Spirit to produce more and more of His fruit in our lives.

The Fruit of the Spirit - love, joy, peace, patience, kindness, generosity, faithfulness, gentleness, and self-control - is what God desires our lives to exhibit and, with the Holy Spirit's help, it is possible!

If you haven't yet tasted the Fruit – come and enjoy the feast!

Recreation Ground News

Thanks to everyone who came to the May Festival. I'm told a great time was had by all, and we're very pleased with that. Unfortunately, we didn't make much of a profit out of the weekend, partly due to the lower than normal turnout and partly because of the expense of hiring a marquee.

We decided to hire the marquee because the manpower (and some woman-power) required to erect and dismantle the old marquee was becoming increasingly difficult to muster (there has been much discussion about marquees, which I'll include in a future issue).

Funds raised from the Festival, although modest, will go towards the grass cutting and maintenance costs, but we are still working towards raising funds to replace the pavilion.

The pavilion has been condemned as being unsafe and will have to be demolished before next winter. That means, if we are not able to attract funding for a new pavilion, we will have to make do with whatever our reserve funds will allow, probably a couple of toilets and a store-room.

However... We remain optimistic! We are applying for two sources of funds:

- **Sport England.** As part of the legacy of the London Olympics, Sport England has funds for organisations wanting to upgrade their facilities (well, that's certainly what we want to do!). We have submitted an application and will know the outcome in September.

- **SITA Cornwall Trust.** As part of their social obligations, SITA has a funding stream that covers the type of support we need. We will be applying for their current

"Flagship Fund" and will know the outcome in October.

- **Other.** We have received pledges of funds, ranging from £2,000 to £5,000 from local organisations, and this all helps to build the budget.

If you would like to contribute in cash or in kind, please get in touch. The higher our budget, the better we can meet the undoubted demand for a decent pavilion at the Rec.

Volunteers Please

Once again, we are looking for volunteers, this time to help with managing the application process and, if successful, the building project.

The application process for both Sport England and SITA requires a certain level of competency in

- **Project Management**
- **Design**
- **Building Specification**
- **Building Surveying**
- **Quantity Surveying**
- **Cost Accounting.**

If you have skills in any of these areas and are prepared to lend a hand to help put together a professional bid and - we hope - win the grants we need to finally be able to replace the pavilion, please get in touch.

This time next year, we will either have a new pavilion or a couple of loos and a storeroom. Please help - if you can - to ensure it's the former!

Ruan Minor Football Club

No Team next Season

Unfortunately the deadline has passed for registering with the Football Association to enter a team in a league for the coming season. So, for now, the Men's Football Club is in mothballs.

Now is the time to put plans in place to resurrect the team for next year. There is money in the account, football strip in storage and there may even be a new pavilion in the offing (see Recreation Ground News). There must be someone who could resurrect the club ready for the start of the 2015/16 season next June. If you are that person, please contact Peter Freeman on 290642.

QUIZ NIGHT NEWS

What a Night! What a Quiz! May's **Quiz Night At The Village Hall** had it all. Ten teams battled for the honour of Quiz Night Champions and we had perfect rounds, wipe outs, a constantly changing leader board and we even needed a tie-break competition to sort out who would have the honour of guarding the **Wooden Spoon** until teams took to the field for the next month's battle of wits. This was not to mention the impressive array of picnic baskets and wine hampers which seem to get bigger and better every month. Perhaps we should have a separate competition for those!

After the dust had settled and the final scores confirmed, it was **The Buccaneers** who came out on top to claim the **May Champion's Crown** by 10¹/₂ points from runners up **The Mixed Bunch**. The winning margin might seem quite large but, when taken in the context that a total of 197 points were up for grabs overall, it was very close indeed.

At the other end of the final scoreboard we had a Quiz Night first with two teams tied in the wooden spoon position on 104 points each. The tie-break question was answered more quickly by **Flossers** leaving **Cliffhangers** to claim the somewhat dubious record of moving from Champions to Wooden Spoonists in consecutive quizzes - an achievement they claimed, it has to be said, with the utmost honour and dignity!

A big thank you was due to **Gill Fox** who delivered a very interesting and challenging **Guest Round** which certainly stretched all available brain power to the full. It is **Jacqui's** turn next month and another stern test can certainly be expected from her.

Thanks to everyone for another super night's quizzing with loads of fun thrown in to make it a special night.

After all this, the final Scores on the Doors were as follows:

<u>Position</u>	<u>Team</u>	<u>Score</u>
1 st	The Buccaneers	143.5
2 nd	The Mixed Bunch	133.0
3 rd	New Blood	129.5
4 th	Bob's Band	126.0
5 th	Free Thinking	120.0
6 th	Inbetweeners	119.0
7 th	OTT	115.0
8 th	Viv's Team	108.5
9 th =	Flossers	104.0
9 th =	Cliffhangers	104.0

Can you handle the pressure? Can you cope with the strain? Can you rise to the challenge and defeat some of the finest brains in the universe? Give it a go and see just how good you are!!!

Go well and see you all at next month's **Quiz Night at the Village Hall**.

Quizmaster Dave.

RUAN MAJOR, LIZARD

Gardening in June

by David Endean

Well as I scribe this, we have had a sustained period of hot dry weather with more set to follow if you believe what Mr Braine has to say. I have also been kept hot and bothered with IT troubles of late and so this item may be slightly curtailed.

My Sweet Peas look to be almost a month ahead of where they were last year which is worrying on my part as they may peak too early for the shows in July. I picked my first bunch for the Royal Cornwall Show and now in Mid/Late June they are in full swing. It is very important to keep picking the flower regularly this will make sure that they keep producing more. With the weather as hot and dry as it is, they will definitely need watering and some feed to keep them going. Two years ago it was such a cool summer that the Sweet Pea flowers kept aborting and all we were left with were stalks and this was countrywide.

July is the start of the harvest season really and there is little to sow. Most of the work is watering pots, tubs and hanging baskets; these tend to need it daily and a twice weekly liquid feed really does make a difference. Water during the cool ends of the day - it will be much more beneficial and I recommend using a watering can. I know this can be a drag but it does give you a grasp of how much water is being used on day to day basis. All around the garden, along with your pots, keep regularly dead heading the flowers. Apart from making it look tidier, for

many plants it will promote more flowering. For this to work you have to remove more than just the dead petals - all the reproductive parts need to go also otherwise the plant will put its energy into producing seeds. This is a nice job to get out there and potter when it is so warm.

Many lawns are beginning to show signs of the hot weather. Do not waste water on them, but do raise the blades on the mower slightly. This will catch more overnight dew, if there is any, and shade the soil and roots a little more to help keep it greener. It will also reduce the strain of trafficking over it. Do mow as this will take off the weed seed heads and give the lawn a more even finish. I know most of us have little more than a patch of grass but a little care of it, and some edging, will make the garden look much more cared for.

In the veg patch you have just about enough time to sow some lettuce to get to maturity and, of course, there is still plenty of time for cut and come again crops. As you lift your potato crop (and I gather there is some blight around), remove all the weeds and rubbish, then plant some leeks or brassicas. It is too late to sow most of these now but, if you have no plants grown on yourself, most garden outlets carry a range of grow-your-own these days. The soil should be in good heart after the potatoes, so just add a little more fertilizer before planting out and water them in well. Water the individual plants - do not just set the hose sprin-

kler on it - and water use will be much more efficient and you will get less weed germination.

We are now past the longest day so traditionally it is time to lift and dry your shallots. Firstly, get a fork and ease it into the ground under the bulbs, then just work it a little to break the roots - at this stage leave the shallots in situ. After a few days they will have wilted and started the dry back - now is the time to lift them completely. Remove the soil and put them on some kind of rack so that air can circulate all around them and any moisture will run off. I use wire bakers' trays raised up on trestles. Some others make up a frame like a table and cover it with chicken wire. They can stay there a week or two until the stems go completely brown. It may be a good idea to keep a plastic sheet

handy to cover them if the weather does change for the worse.

A few other jobs to do are to keep those runner beans well watered and the beetroot that you sowed last month will need thinning this month so that you have one plant every six inches or so (that is 15cm for the more modern among you).

July is the month of soft fruit and it is a must to get out there and pick it, as it ripens on a daily basis. This will reduce the risk of fungal problems and you will get there before the birds. It is always worth netting your soft fruit but some birds will always seem to find their way in. Strawberries, raspberries and the like make lovely easy desserts!

The best thing to do this month is to get out there and enjoy your garden.

The Herbal Medicine Cabinet

by Deanne Greenwood

BSc (Hons) Herb Med

I'm in herbalists' heaven wandering around The Lizard at this time of year, with so many plants and flowers vying for attention and flagging up their medicinal properties. As there are lots of other people enjoying the great outdoors, I'm focusing on medicinal herbs for home use this month.

Meadowsweet (*Filipendula ulmaria*) is one of my favourites, with its white frothy blossom and heady aroma. It has antacid, astringent, anti-inflammatory and painkilling properties, so is an excellent remedy for diarrhoea, heartburn, acid reflux and other digestive complaints. I've also found it an effective treatment for gout and rheumatic pain. You can make a tea by collecting the flowers and upper leaves, drying them in a warm, dry place such as a shed and then crumbling up. Drink before meals for heartburn/acid reflux, and make a stronger infusion for gout or rheumatism.

I use marsh mallow root (*Althaea officinalis*) for more serious stomach problems such as ulcers, colitis and irritable bowel syndrome. You won't find it in the wild, but there's plenty of common mallow (*Malva sylvestris*) around. The chopped, crushed leaves and flowers make a soothing poultice for inflamed skin such as bites, stings, wounds and swellings. Strap the mulched plant over the affected area with a cloth or bandage.

Mullein (*Verbascum thapsus*), aka bunny's ears and candlewick plant, has soft, fluffy spires of yellow flowers and is easy to spot. When my children had earache, a couple of drops of infused mullein oil in the ear usually resolved it. I'd make this by steeping the flowerheads in a jar of extra virgin olive oil on a sunny windowsill for a couple of weeks (until the flowers lost their colour). It's also good for haemorrhoids.

And finally, I'm impatiently waiting for yarrow (*Achillea millefolium*), to flower later this month. Yarrow tea is wonderful for colds and fevers, but I use the plant primarily as a tincture for women's menstrual disorders, high blood pressure and varicose veins. Its astringent properties mean it's also used to staunch bleeding, and it's an amazing first aid remedy for nose bleeds. Just crush and roll the leaves into a plug and insert into the nostril!

Thanks to John Bosustow, who got in touch last month and invited me over to Trerise Farm for a forage – where I gathered my (organic!) Meadowsweet.

THE GREAT WAR 1914 - 1918

The Last Post Ceremony – Ypres, Menin Gate

By Ginny Sealey

The Menin Gate in Ypres is not the aloof, isolated memorial I expected. A road runs through it, leading to a street of shops and restaurants. Cars, buses and lorries drive along this road at a fair speed, people walk through, some shelter under it in the rain, waiting for their lift to arrive - it is part of everyday life. And every day at 8pm, since 2 July 1928*, a short and simple ceremony has been conducted under the arch - initiated and continued by the people of Ypres, to show their gratitude for those that gave their lives.

When I visited in 2010, the ceremony went like this

At 7.50pm, three men in immaculate uniform including cap and white gloves and each carrying a highly-polished bugle, linger on the side of the bridge that crosses the river Yser, just outside the Menin Gate. They chat quietly amongst themselves and two or three official looking folk greet them and shake their hands in welcome. There is a surprisingly

large crowd gathered, given that is an unimportant Thursday evening in August - all ages including small children, young adults, middle-aged and the elderly, mobile and wheelchair bound, nearly filling the pavements underneath the arch. Just before 8pm the buglers move from the bridge to a discreet position inside the arch, on the pavement. The traffic is stopped on either side of the arch at 8pm and the crowd falls silent. The three buglers move in formation to the centre of the east entrance to the arch and without looking at each other they play in perfect unison - the familiar notes ring out, the acoustics of the arch amplifying the sound and giving it an unexpected richness of tone. At the end a two minute silence and then the Ode of Remembrance is recited. Two groups then lay wreaths - the first a number of men and women in every day clothes and the second a school party in uniform. The wreaths join 20 or 30 others left by organisations and individuals, all with handwritten messages.

The buglers play once more and then march back to their earlier waiting position under the arch. Although one feels like clapping to honour their skill, it does not feel appropriate. The ceremony is finished and the burble of the crowd starts up again. As it dissipates, some are dabbing eyes, others are smiling and talking, by particular names poppies are pushed into the crack between each slab, and photographs are taken. The buglers talk to the officials and those that wish to offer thanks. After the crowd has wandered off, the buglers are still there and only when one or two stragglers remain do they leave.

* When Ypres was occupied by the Germans during WWII, the Last Post ceremony was carried out at Brookwood Military Ceremony in Surrey (20th May 1940 – 6th September 1944).

Minutes of the Monthly Meeting of the Grade Ruan Parish Council held in the Sunday School Room of the Ruan Minor Methodist Chapel on Monday 12 May from 7.30pm

Present: Parish Councillors J Preston (Chair), N Green (Vice-Chair), P Collins, M Fleetwood, P Freeman, J Lee, S Stephens, J Trewin, Cornwall Councillor C Rule, Clerk J Castle

and 20 Members of the Public

1. **Absences and apologies:** Parish Councillor C Cooper, PCSO Julia Berry
2. **Declarations of interest:** Councillor Lee declared an interest in item 7, re Primrose Cottage.
3. **Public time:**
 - A number of people expressed concerns about the re-siting of the bus stop. The Chairman reported that the draft proposal had come from Cornwall Council and had been referred to the Parish Council. Mrs Mandy Eustice objected to the re-siting at the entrance to Glebe Place as this would have a severe impact on visibility. She queried why the bus could not reverse into Mundy's Field and park up for pick-up and drop-off. Mark Outen stated that the current positioning is fine and just requires parking restrictions near to the school and the issue of penalty fines. Danny Meek supported the use of parking restrictions. Mrs Butcher asked why those who parked and caused difficulties for buses did not use the nearby public car park.
 - Mr Dunmall, of Bodrigy Lodge, expressed concern as to why he had not been informed that a planning matter in relation to his property was on the agenda of a previous meeting. In the Grade Ruan Gazette, it had been stated that the building was a chalet and implied it was in the conservation area and yet neither of these statements is correct. He requested that a retraction is made in next month's issue or he will take legal action. He reported that when the trees had to come down, they had removed a number of sheds on the property and he was now being criticised for putting up a tool shed. He explained that an assistant of Lee Viner (Enforcement Officer) had visited and viewed the shed and suggested that he put in for planning permission at some point. Mr Dunmall pointed out that they had always come to the Parish Council when seeking permission to build on their property in the past. He stated that the shed will be painted green to blend in. Finally he said that they were seriously considering 2 offers he had received for 2 acres of his land with building potential
 - Mrs Mandy Eustice – queried the allocation of local housing.
 - Colin Thomas of Primrose Cottage wanted to reassure the meeting that his planning application, which has been approved, is purely for ancillary accommodation for visiting friends and family, with no cooking facilities and no intention of being let out.
 - Mr Horace Stone wished it recorded in the minutes that they had changed the name of their property known as Long Alley to the original Cornish – Karn An Megor. He wished his family's long involvement in the Parish and on the Lizard to be recorded.
4. **Police report:** In the absence of PCSO Berry, the Clerk read out her report. During April there had been 3 reported crimes.
5. **Cornwall Councillor's time:** Councillor C Rule reported that she was still awaiting

costings on the storm damage, which she would then pass on. It was noted that Cornwall Council is still fighting for central government funds.

She reminded councillors that there is a Town Council and Parish Council Summit at County Hall on Tuesday 13 May.

Councillor Rule reported that Cornwall Council are concerned about the impact of welfare reforms on our communities and were re-launching its relief measures. Any parishioner with concerns should get in touch.

The county is in dire need of more foster carers and there is an event on 21 May from 6pm to 8 pm at County Hall to promote this.

John Clements, a former high ranking police officer with extensive experience in child protection, has been appointed as the new Independent Chair of the Cornwall and Isles of Scilly Safeguarding Children Board.

Councillor Rule also reminded the Parish Council that she now has funds for this year in her community pot.

6. Minutes for acceptance:

Annual Parish Meeting - the minutes of the annual parish meeting held on 14 April had been circulated. Councillor Freeman proposed the minutes of 14 April 2014 be accepted and Councillor Green seconded. Carried 8 votes to 0.

Monthly Parish Meeting – the minutes of the monthly meeting held on 14 April had been circulated. A number of amendments were made. It was proposed by Councillor Preston and seconded by Councillor Freeman that the amended minutes be accepted. Carried 7 votes for and 1 abstention.

Extraordinary Parish Meeting – the minutes of the meeting held on 29 April had been circulated. It was proposed by Councillor Lee and seconded by Councillor Stephens that the minutes be accepted. Carried 4 votes for and 3 abstentions

7. Planning:

PA14/02413 - Eglos Farm, Ruan Minor. It was noted that this application had been refused.

PA14/03166– Land at Ruminella View, Cadgwith. It was noted that this was notified on the day of the April monthly meeting and there had been no time to include it on the agenda. The timing of the 3-week consultation window was such that the matter needed to be discussed at this meeting and could not be deferred. 3 letters of complaint were received after the meeting, but the Council had made its decision bearing in mind all the complaints of residents made during the previous application.

PA14/02828 – Chy An Deylek. It was noted that the removal of the condition with regard to fishing had been refused.

cont.

PA14/03293– Primrose Cottage Ruan Minor Helston TR12 7LR .This application had been approved before the Parish Council had the opportunity to respond. It was noted that the Clerk could have contacted the Planning Officer and requested an extra week to tie in with the monthly meeting. Councillor Rule reported that the planning department had to work to strict deadlines but would chase up with Kevin Moseley why the notification to the Parish Council was so late

It was noted that the designation of Ebenezer's Triangle as Common Land by the Planning Directorate had not been notified to the Parish Council.

8. Finance:

It was noted that separate meetings of both the Finance and the Footpaths committees were required before the next monthly meeting.

- Financial Report – the report was noted
- Internet Banking – it was confirmed that the 2 signatories' procedure does operate.
- Payments Schedule – the renewal of the insurance policy is now due. The addition of the War Memorial (with quotes from stonemasons of c£25,000 - £35,000) to the policy was discussed but in view of the premium increase of £368 it was decided that this item would not be added to the cover as the likelihood of total destruction was slight. Councillor Freeman proposed that the offer of a 5% premium reduction for a 3 year commitment be taken up and Councillor Green seconded. Carried 7 votes for and 1 abstention.
- The Payments Schedule, with a revised insurance premium of £1227.77 for the insurance renewal was proposed for approval by Councillor Fleetwood and seconded by Councillor Freeman and seconded by Councillor Collins. Carried 7 votes for and 1 abstention.

9. Matters arising from the minutes:

- Former Church of Ruan Major St Rumonus- the Chairman reported that a tree surgeon had now provided a quote for dealing with the tree in the tower and this has been passed on to Truro. He is currently following up on possible grants from Cornwall Heritage Trust re the preservation of the tower.
- Storm Damage – the Chairman reported that they are getting quotes to submit to Maxine Hardy. He would also look at the recovery funding scheme for small ports.
ACTION: Chairman
- Shed at Bodrivy Lodge – it was noted that the Parish Council had been advised that the building fails to meet AONB guidelines & that a planning application will be coming through in due course. It was noted that there had been a complaint about how we minuted the information we had at the time. A brief statement would be drafted for the Gazette to clarify the situation, but the minutes of the March meeting cannot be amended as they reflect what was said. **ACTION: Chairman**
- Bus Stop Consultation - the Chairman noted that concerns had been running for a number of years with regard to health & safety issues raised by the school with regard to the current location and requests for yellow lines had also been raised a number of times. Councillor Rule reported that there was no funding in the Highways budget for parking restrictions as all schemes across the county had to be prioritised. The re-siting had also been a priority proposal in the Parish Plan. The residents of Mundy's Field had raised objections when re-siting there was considered.

The Chairman reported that Cormac had come up with funding to re-locate and the proposal was now under review and we are in the pre-consultation period. The Parish Council supports entering the next stage of consultation and will write to Cormac and ask for as full a consultation process as possible and notify them that many concerns have been voiced. The contact details for comment should be placed in the Gazette and possibly there should be a consultation meeting in the Village Hall. **ACTION: Chairman / Clerk**

Councillor Rule reported that the bus company will no longer turn by the school at the school's request.

Finally, it was noted that the site earmarked for the re-sited bus stop belongs to Coastline and therefore a licence would be needed from them.

- Lizard Adventure – the Chairman agreed to contact them in view of their request to attend a meeting. **ACTION: Chairman**
- Local Needs Housing – copies of the Local Lettings Plan had been provided by Coastline and they reported that they had advertised and advised on the available properties in the new development in a number of ways. Concern was expressed that there had been a number of negative rumours and this indicated a communication problem with Coastline, which maybe resulted from dealing with a block of housing rather than individual properties. It is vital that the criteria are clearly understood.

Councillor Rule reported that the Homechoice Register worked well and explained that Glebe Place is an old scheme based on need rather than local connections, whereas the new development at Higher Moor must be local need. It was queried why the Parish Council was not consulted on the Local Lettings Plan and it was suggested that Alison John's offer to attend a Parish Council meeting should be taken up. **ACTION: Clerk**

- Old council house (number 1) at Kuggar – Coastline had reported that this was unsuitable for re-letting and would be sold on the open market and the funds recycled into local needs development. It was note that this was still a loss of affordable housing in the Parish. A request that the funds come to this Parish should be made. **ACTION: Clerk**
- Housing Plan Consultation Document – it was noted that individual could respond to this but that Councillor Freeman would be putting together a Parish Council response as well. **ACTION: Councillor Freeman**
- Grass Cutting at Glebe Place – Coastline had written to say that since the original contact back in 2012, and the subsequent delay, they are no longer considering disposing of the land at Glebe Place. In view of this, the Clerk was asked to write to Joanne Morris at Coastline expressing our concerns about the unfair burden placed on those occupants who still rent and asking for clarification as to how the cost is determined and reassurance that the situation will not become even more unfair. **ACTION: Clerk.** If no progress is made, the Parish Council might consider providing hardship grants.

In view of this decision, it was proposed by Councillor Green and seconded by Councillor Collins that we start the process to register the land as Village Green. Carried 8 to 0. **ACTION: Councillor Green**

- Right to Bid – it was noted that the list is to be included in the minutes of the April

cont.

meeting

- Romans” Rest – it was noted that this is only a marketing name and will not be used in the postal address. Signage will be removed when all the houses are sold.
- Parking Restrictions in Cadgwith- in view of the negative response from the Highways Department, due to the cost of a Traffic Regulation Order to amend parking restrictions, it was agreed to keep this matter under review.
- Emergency Plan – this is under review by the Chairman. **ACTION: Chairman**
- Parish Council Seal – Councillor Green proposed that the written motion to amend the Standing Orders for the use of the seal was adopted. Councillor Lee seconded. Carried 8 to 0

10. **Matters for consideration:**

- Renewal of Small Works Contract – Andrew Lewis of Cornflower Garden Services had provided new rates for the 2 year renewal of his contract. It was proposed by Councillor Freeman and seconded by Councillor Green that the new rates be accepted and Mr Lewis notified accordingly. **ACTION : Clerk**
- Ruan Minor Surgery – there had been a meeting with Neil Stevens, Practice Manager. The work on the floor has been done but the work regarding a disabled loo is still being quoted for. The potential costs of the works at the surgery were discussed.
- Playground Safety – in view of the Inspection Report the Play Area Committee needs to meet urgently particularly as it is an insurance requirement that we need to act on the recommendations. **ACTION : Chairman**

11. **Correspondence:** nothing further to discuss.

12. **Footpaths, environment and treewardens:**

- A letter was received regarding Giant Hogweed and it was agreed that Councillor Stephens would monitor this. **ACTION: Councillor Stephens**
- A query had been received as to whether the footpath past Ledra Mill could be scraped off and it was agreed that the Footpaths Committee would look at this. It was thought by some councillors that work had been done on the path in installing a hard surface and that this is now buried beneath the mud. **ACTION: Footpaths Committee**
- A resident would like to concrete a section of the path near St Mary’s Church. The Chairman agreed to look into this with Hamish Gordon. It was noted that a gully would be required for the run-off. **Action: Chairman**
- The Mission had indicated that they would donate funds for work on Sharkey’s path. Cormac had provided a costing of £1680 plus VAT. Councillor Trewin agreed to pursue this further and request a formal approach from the Mission. **ACTION: Councillor Trewin**
- Visibility – the need to cut back foliage either side of exits onto the main Lizard road was discussed and the Chairman agreed to chase up when this would be cut. **ACTION: Chairman**

13. **In Committee:**

It was agreed that the next part of the meeting be held in 'closed' session.

The meeting closed at 10.10 pm.

New Thatch - Then and Now

[I must declare an interest here, but I think the old photo is so wonderful and of general interest. If you have any old (pre-2000) photos of New Thatch, I'd love to have a copy. Ed]

The photo above, kindly supplied by Jan Morgan, is believed to have been taken around the 1880s and shows a cottage, later to be known as New Thatch. I'm told it had one room at ground level, with a ladder leading up to attic sleeping quarters.

After being substantially rebuilt and extended in 1950, and then added to in 1990 and again in 2006, this is New Thatch today.

Note also the addition of electricity pylons, a phone box, bus stop and Mandy's shop.

Summer finally seems to have arrived – just in time for the visitor season and the fast approaching school holidays. The shop continues to get busier and we've had some lovely comments from visitors already.

For those of you with holiday lets, we stock a number of items to help welcome your guests. There are fresh flowers every Friday, a cream tea for 2 from Simply Cornish as well as fresh scones, fairings and saffron cake. The ready meal range from Fressssh is proving very popular with locals and visitors alike. We also have everything for a cracking BBQ including charcoal, various meats and plenty of lovely fresh salad. And when they finally have to leave, we have an extensive range of local produce and gifts for your guests to take home with them.

For those of you heading away this Summer, in the Post Office we have Euros on demand and other currencies, if ordered before 2pm, are delivered the following day. We also have the Travel Money card, travel insurance and the Post Office credit card which doesn't charge commission on overseas purchases.
