CONTRIBUTIONS

Please send contributions to the Editor's email address shown below. Paper contributions can be put in the letterbox at New Thatch or in the Mag Bag behind the door at Spar. **The deadline is the 18th of the month prior to publication, but may occasionally be earlier or later (check the Diary Dates).**

Please ensure your piece does not exceed 1500 words, or approximately three pages of A4. Articles may need to be split over more than one issue, and might be edited.

If you have a photograph, painting or drawing that could be used on the front cover, please send it to the Editor.

Views and opinions expressed in submitted articles and letters are not necessarily those of the Editorial Team and Committee. The Editor reserves the right to alter submissions for length and/or diplomacy!

The Gazette is available online at: www.cadgwith.com

ADVERTISING

Advertising in the Gazette is a great way of reaching everyone in the parish, and further afield. Approximately 565 copies are distributed every month and the rates are reasonable! The Gazette is a not-for-profit publication - the advertising income is used purely to cover the printing costs. A ¼ page is £5 a ½ page £8 and a full page £15 per month, with 10 issues per year. A surcharge may apply for ads requiring high quality printing. A 10% discount is available for if you pay for 10 issues in advance.

For more information, please contact Moira Hurst or Peter Martin.

Noticeboard

Hard as it seems to believe after the last few years, we appear to be having a proper summer this year. Enjoy it!

Happy Birthday in August to: Sally Sugrue, Ashton K, Alfie, Jago, Elizabeth, Colin Cooper, Rowan H, Katie H, Pip S, Sue Codling, Ruby Langley, Peter Mason, Shamaun Hall, Theodore H, Jo Sugrue, Gemma Lester Bennett, Sam C, Charlie B, Christine Whitehorn, Ellie J, Toby F, Barbara Rosindale, Ben R, Dylan V, Willow M, Billy J, Ruth Alfrey-Cryan, Bryher T, Maebh M, Richard Palmer, Thomas W, Moira Hurst

And in September to: Ronnie Jane, Matt Russell, Nick Jane, Elwyn Jones, Max C, Sky, Jessica R, Ellie H, Sidney (Johnno) Johnson, Lachlan Perry, Bruce Bray, Keith Johnson, Heather B-A, Sarah Legge, Abigail G, Doreen Basey (congrats on your Big-0), Thalia H, Sarah Rudd, Steve Collins, Martin Ellis, Chloe H, Alex Strike, Jill Thomas, Malcolm Scott, Chloe P, Stephen Green, Alan Humby, David Goddard (a big one this year), Nell Philpotts

Best wishes go to **Ian Cox**, who has had a spell in hospital recently. Here's wishing you a speedy recovery.

Congratulations to **Derek and Doreen Basey**, who will be celebrating their Golden Wedding on 17th August. They will be going to a party with their family "up-country" and are also planning to celebrate with friends locally.

On 14th September, **Charlie and Margaret Coates** will be celebrating their Golden Wedding Anniversary with their many offspring and of course Pearl, their dog. You may know them through their various activities: Margaret delivers the Gazette and Charlie is one of the organisers of the Spring Flower Show. Together they are also responsible for mustering the troops for the Poppy Collection in the Parish. Congratulations - have a great day.

Please join me in extending a warm welcome to **Kyra and Mike Tonks** and their children Joe and Rose, who have moved into Ruan Vean (opposite the Village Hall). They hail from Bristol and have been to this area on holiday for years. They finally got the opportunity to come and live here when Mike secured a job in the area. Rose has started at Grade Ruan school and Joe has joined the Under 5s. We hope that they settle in and enjoy living in this lovely place.

Here is a final update on the **Queen's Diamond Jubilee Celebrations: Judith Green** has kindly arranged to purchase and plant some roses near the Jubilee

bench in the Churchyard. **Deirdre Mackrill** will conduct a bench dedication ceremony during the family service in Ruan Church on Sunday 18th August at 11 a.m. **Wendy Elliott** has advised that the Jubilee bank account has now been closed, with the remaining £2.54 going into the church collection bag.

Julie Goldsack is looking for someone who has the skill and time to **repair a wooden model ship**. It belonged to her husband, who died recently, and was unfortunately damaged when her cat knocked it over. She would very much like to have it repaired so that she can pass it on to her son. She doesn't know how the rigging should fit together and would appreciate it if someone could do the job for her. Let me know if you can help and I'll put you in touch with her.

David Endean has been having considerable success with his exhibition sweet peas, winning in several classes at the Mullion Horticultural show and also getting first prize at the highly competitive Stithians Show. Congratulations to David, who is of course the Gazette's gardening correspondent. He proves over and over that he knows what he's talking about!

You may remember that I put a Freshfields ad from the early 1980s in last month's Gazette. It was given to me by **Janet Fry**, who I wrongly stated had grown up at **Pennard** in Cadgwith. In fact, Pennard was built by her grandmother. Jan stayed there for a few years during WWII and visited frequently over the subsequent years, but she didn't actually grow up there. Jan has kindly let me copy some photos she has of old times in the Cove and I'll put them in the mag as and when there is space.

Also in last month's Gazette was a copy of an article about **Hartley Tripconey** which had appeared in a book about Cornish Post Offices. There was a photo of Hartley

at a **post box** where he had found an adder. I wasn't sure where the post box was, but Walter Langley, who is Hartley's son-in-law, advised me that it's in the wall of Poltesco House; and this was confirmed by the current owners of Poltesco House. They sent me this photo showing the time when the post box was taken over by bees. The Post Office had to get a professional in to smoke out the bees.

Hartley Tripconey was an accomplished painter, and Walter Langley told me how he got started: Hartley was fascinated watching an artist in the Cove and spent quite some time watching him paint. Eventually, the artist gave him some materials and encouraged him to have a go. And who was the artist? None other than Augustus John!

Bees being smoked out of the letter box at Poltesco House.

Work has started on the **new houses in Ruan Minor**. See page 47 for more on this.

We have decided to move the **Gazette printing** to a company that uses digital technology to give what we hope will be a superior quality print at a lower cost. I would like to take this opportunity to thank Vic Rogers of Westcountry Printers for the fantastic job he has done on the Gazette over the last 5 years or so. He has been unfailingly helpful and supportive and we wish him well for the future.

The Wednesday night BBQs in the Cove will be in full swing by the time you read this. There's the Vintage Rally in early August and Regatta Day in late August, with Buller Day, Sharkey's Cup, fishing competitions and other events as well as all the usual activities at the Village Hall, in between. The next Gazette will be out at the beginning of October. Until then, enjoy the summer!

Moira Hurst

St. Ruan Church would like to thank all who helped make the **Garden Safari** on 14th July a great success. Gill Fox, Angela and Derek, Richard and Pat, Jenny and Les and Jonathon, with special thanks to Maureen Girling who hosted the afternoon so graciously. Also the catering staff Pam, Barbara, Sylvie, Jill and Chrissie. To Richard and Johnno for the signs, but especiallly to everyone who took part on such a hot afternoon. A total of £445 was raised for Church funds. Thank you.

Sheila Stephens

Maureen Girling has asked me to thank **Sheila Stephens** for all the behind-the-scenes preparation and organisation that she put into the Garden Safari. [Ed]

The Parish Council has a sum of money that can only be spent on affordable housing in the parish. It has decided to set up a Community Land Trust to permanently review the provision of housing for parishioners and to make sure that such houses remain affordable whatever the housing market does.

The Trust will be not-for-profit, run by a small Board of about 6 people, elected each year by the members, and everyone in the parish will be entitled to be a member provided they agree with the objectives of the Trust.

An open public meeting is planned in the Village Hall on Tuesday 15th October at 7.30pm. Councillors will explain all the details and invite your views and suggestions, so please note the date in your diary. There will be a reminder in the October Gazette.

Grade-Ruan Under 5s

School Spot

Grade-Ruan C of E School

Mullion School

Grade-Ruan School has had a very busy last half of the summer term. Some of the juniors were part of 97 children from the Keskowethyans group that ventured off to camp at Bude. Katey Jane and Miss Spence accompanied as the children tried out activities including archery, climbing, abseiling and body boarding. Those at school spent the three days in Poltesco, working with Claire from the National Trust and Ali, building dens, making fires, cooking bread and drinking hot chocolate!

Starfish Class' current topic is 'Bears', so they travelled up to Newquay Zoo in search of a red panda bear. They watched the penguins, saw the monkeys being fed and celebrated Mailli's birthday! And they even spotted a shy red panda, hiding in a tree.

Congratulations to our dancers! The Infants came third in the annual FeetBeat competition held at Mullion School and the Juniors came second - well done!

Seahorse Class did not venture as

far as Newquay but very much enjoyed exploring Cadgwith Cove on a fossil hunt. Lots of sea glass, pebbles and crabs legs were found and Rosie found an actual fossil. *(As always, this info is cribbed from the school newsletter - I'm intrigued as to whether Rosie's fossil was of the human or stone variety?!)*

Sports Day took a different but very enjoyable form this year - the Infants of Grade-Ruan and Manaccan took part in activities on the Recreation Ground in the morning. The children were stoic and ignored the weather! In the afternoon the sun shone on the Juniors as they convened at Manaccan Recreation Ground, with St Martin, Coverack and St Keverne and took part in a wonderful array of sporting activities.

And finally, this year's Summer Production has been presented in Poltesco! 'A Bittersweet Symphony', an outstanding adaptation of the fairy tale 'The Red Shoes', took place in the orchard, once again transformed into an outdoor

theatre for three magically surreal evenings. Each night the audience was transfixed by the dedication and skill of the children. Many thanks to all the children for their hard work and to all the staff and volunteers for the monumental effort that goes into these evenings.

Goodbye and good luck to our Year 6s that are moving on to Mullion - Ben, Ellie, Eve, Grace and Jay. Have a wonderful summer!!

Mullion School end of term has been the usual marathon. The Year 10s successfully completed their week of work experience and the Year 9s returned safely from their outdoor adventure trip to Bude.

The Year 8s enjoyed three days of activities choosing from surfing, photography expeditions, a trip to Mullion Holiday Park, a walk to Church Cove rewarded with a beach

barbecue and a 'Bear Grylls' camping expedition, while the Year 7s explored Brittany.

The performance of Bugsy Malone was superb: fantastic set and even more fantastic cast - totally dedicated group of children that put in so much hard work. Huge congratulations to all involved.

The Year 11 Prom was a beautifully elegant affair, held at Tregenna Castle in St Ives on one of those rare evenings where Cornwall pretends it is in the Mediterranean - warm and dry, no wind and a silken sea with no horizon to separate it from the sky. The pictures below show how long five years is! Well done and congratulations - you all looked stunning. Mrs Goldsack was very impressed with you all, her first Reception class at Grade-Ruan!

You can also try your luck on the weekly raffle to win one of the excellent prizes on offer and it's all done to help raise money to keep the Village Hall thriving.

To book a stall or get further information telephone **David or Janet on 290536** or just call in on a Thursday morning to see what's going on.

SHORT MAT BOWLS

Sessions are held on Monday and Thursday evenings at 7.00pm

It doesn't matter whether you're a beginner or seasoned campaigner, come along and have a go. It's only £1 per session and you get tea, coffee and biscuits thrown in. Spare bowls are available.

For more information call **Roy on 241936** or **David on 290536**

QUIZ NIGHT

Quizzes are held on the 4th Tuesday of every month and its fun for all the family. It's £1 per person including tea, coffee and biscuits or you can BYO if you prefer. The contests begin at 7.30pm. Any changes to dates will be notified on the Village noticeboards.

SPECIAL EVENTS

Check on the Hall and Village noticeboards for details of the many special events held in the Hall throughout the year.

ARRANGING AN EVENT?

Are you looking for somewhere to hold a party, a meeting, fairs, sales or bazaars, community events? We have ideal facilities to help you out and can also provide tables and chairs if required. Give us a ring and let's discuss how we might be able to help.

For more information on these arrangements call **David or Janet on 290536**.

We are wheelchair friendly.

NEWS FROM THE VILLAGE HALL

Hello again everybody.

Well, I complained about the weather last time up but we can't say the same now can we? We don't know how long it will actually last but it is certainly great to have a proper summer and not to have to wrap up to keep warm and dry. It is nice that everyone can get to the beach and enjoy all of its many benefits but let's not forget the animals and older folk who perhaps can't cope quite so well.

Believe it or not, the end of August sees the start of our seasonal programme which will run at increasing speed right up to Christmas!! August and September Hall activities see the **Late Summer Fete** on Saturday, 31st August (2pm to 5pm) and it's **Harvest Supper** time again on Saturday, 28th September (7pm to 10pm ish). This year's Harvest Supper sees the group **Manacle Voices** visit the Hall (and the Village?) for the first time and we are looking forward to a splendid evening's entertainment with a range of local and not so local songs, sketches and surprises. It promises to be a very pleasant evening indeed.

The **Late Summer Fete** will, again, include games, tombola, cake stall, raffle and lots of other interesting things to do and enjoy but if anyone would like to join in and run one of their own games to add to the proceedings, we would be very pleased to hear from you. We are looking forward to a fun afternoon and an opportunity to raise some much needed cash to help put on all of the many services we provide across the community.

All of the maintenance and improvement work we scheduled for the year so far has been dealt with and we now move on to prepare the second half of the work programme starting with a clear-up outside and moving on to the annual repair and repainting improvements. It is amazing what subjects we can become 'experts' on and our current research is involved with loo flushing. It all helps to broaden our minds and extend our understanding of life's rich tapestry!

The Hall's Bowls Section continues to be well supported and, indeed, we have attracted a number of new members since the arrival of our new mat and equipment. There is plenty of equipment available for use so why not give it a try. Come along on a Monday and / or Thursday evening at 7pm and give it a try yourself. It's good fun and good exercise. If you would like to have a chat about things first then give Roy Vivian a ring on 01326 241946 and he will explain what goes on.

A great big thank you to everyone who has brought us Bric-a-Bric items since our last request. We have done so well with our Thursday Market stall that we need a constant flow of new things to keep filling up the spaces so if you have anything you think suitable please give us a shout to make arrangements for collection or delivery. We are very pleased to say that a number of people bring us things virtually every week and for this we are extremely grateful; thank you one and all.

I think that's about all for now. I will up-date you on other developments like our planned coach trips next edition.

Take care and see you next time,

Janet Gascoigne.

CADGWITH REGATTA : GENERAL INFORMATION

1. There will be no entrance fee.
2. There must be two entries or more for a race to commence.
3. Any competitors who cross the starting line before the start of the race will be disqualified.
4. The Committee reserves the right to disqualify any competitor.
5. Starting will be from the Committee Boat or as directed.
6. Competitors in age restricted events must be under the stated age on 1st September 2013.
7. Motor boat competitors to state horsepower of engine at time of entry
8. Any competitor may be subject to Handicap
9. Any competitor under 16 in the swimming race must complete a consent form to declare ability to swim more than 25m. The consent form will be available from early morning on the day of the Regatta which must be signed by parent/guardian and handed to a beach marshall before entry.
10. The consent form also requires that Parents/Guardians will ensure that children do not climb the cliffs at all during the day and that children will be appropriately supervised. Cliffs have become incredibly unstable recently with portions frequently falling away. Spectators are also warned that it is UNSAFE to go near the edge of the Todden as portions frequently fall away.
11. The Committee will not hold itself responsible for any accident ashore or afloat, for loss or damage to property before, during and after the event, howsoever or by whomsoever caused.

12. Cups will be presented in the Cove as near to 6.30pm as possible. All cups and trophies are Perpetual Challenge Cups. Winners should give names and addresses to the Cup Secretary after the prizegiving.

13. First Aid cover is available on the beach provided by St John's Ambulance who will be based on the Todden.

14. Competitors in any race, including the U16 Land and Sea Race, who are aged 16 or below must wear lifejackets/buoyancy aids.

15. An appropriate adult must be in attendance for the 'Anything but a boat' race to supervise those competitors under 16 years old. Also we would request that all motor/power boats stay out of the cove for the duration of this race. Furthermore, please can those guiding their construction ensure that there are NO crevices in which participants may become trapped should it capsize. The Committee will be monitoring the safety of those crafts.

## CADGWITH COVE GRAND FISHING CONTEST UPDATE

Six competitions in and things are hotting up on the old (actually, new!) leaderboard down the Cove!

Our first challenge, the Flatfish, took place in a very cold Northerly wind. Joe Stephens (now known as 'The Reel Thing' as his Dad Luke is "The Rod"), took the title with a plaice of 11lb 11¾ oz. Chris Newton followed in 2<sup>nd</sup> with Jeff Lee in 3<sup>rd</sup>. In the juniors, Billy Jane made his first mark on the scoreboard with his petite little plaice of 10½ oz – as they say, size isn't everything! The prizes were presented by Emma James, thank you Emma!

Steven Legge took the Pollack prize with his super fish of 10lbs 7½ oz in an extremely cool nor'westerly draught. Steve Holyer followed in 2<sup>nd</sup> with Luke Stephens in 3<sup>rd</sup>. No juniors secured a Pollack on this chilly evening! Ali Russell presented the prizes – thank you Ali!

The open Wrasse challenge was so wet you didn't know if you were in the sea or out. A dedicated band braved the ridiculous amount of rainfall and came back with their objective met. Joe again took first place with his Ballan of 3lbs 4oz, Chris Newton in 2<sup>nd</sup> and Dave, I hesitate to say it, 'The Walrus' Rogers in 3<sup>rd</sup> place. Jamma Phillips got out of the blocks on this one and secured victory in the juniors with his dinky little winner of 7oz! Ever glamorous, especially in the rain, Emma Lloyd presented the prizes, thank you Em.

Cuckoo wrasse night turned into a game of doubles – two firsts, two seconds, two thirds and two presenters! All a bit chaotic really, as we should only have four people placed but, heigh ho! Our first couple, Gordon Lake and Keith Johnson, tangoed their way to the top

with their 12½ oz fish. Rhumba-ing closely behind them were Jake 'Angling Legend' Scolding and Chris Newton in 2<sup>nd</sup>, with couple number three, Dave Rogers and Len Carter, waltzing gracefully into third position. In the juniors, Billy topped the charts again with his cuckoo of 11oz. A new young angler, Seth James came in a very respectable 2<sup>nd</sup> and, in her last junior season, Bryher Trewin landed 3<sup>rd</sup> place. Our Bruce Forsyth and Tess Daly for the evening were Toana Ellis and Suzie Stephens (you can decide who's who girls!) Thank you to them!

Keith Johnson and Gordon Lake collecting first prize in the Cuckoo Wrasse competition from Suzie Stephens and Toana Ellis.

Conger night brought fair weather at last but only three snakes put in the basket. Russell Mitchell took the honours with his 14lbs 14oz beauty – a great sight for the visitors who had come down to see the weigh-in. In second place and worrying the scales for the first time was Tim Hurst with his eel of 2lbs 6oz. Billy Jane was the charmer in the juniors, his

A new fish to the Thursday night challenges this year was the Haddock (yum!). Driving the van into first place, after three times in 2<sup>nd</sup>, was Chris Newton, with his plump little serving of 2lbs 13¾ oz. Following very closely behind him with a portion of chips, was Steven Holyer and in 3<sup>rd</sup> place, with the salt and vinegar, was Amy Stephens. No junior haddock were served. A fair maid from Scilly having blown in, we asked her to present the prizes – Thank you Abbie Thomas!

So, the board is shaping up - but with several anglers on 10 points and four competitions still remaining, it's anyone's for the taking!

Enjoy the glorious weather and enjoy your fishing – I hope that's glorious too! Screaming reels!

# *Rector's Ramblings*

Something extraordinary happens to Year 6 children in the second half of the school Summer Term in our primary schools. They come back from the half term holiday having grown, it seems, by about a foot! So that by the end of July, and then as the summer holidays draw to a close, they really look like the secondary school students that they will become at the beginning of September, ready in stature at least to take on the challenges and chances of their next step in their education.

In the Church year we are now in 'Ordinary Time' – such a boring and dull name for the period from the day after Pentecost (end of May-ish) to Advent Sunday (end of November-ish).

Because 'Ordinary Time', far from being ordinary, can be for us an extraordinary time – of *spiritual* growth! Ordinary Time can and ought to be a time when we *have* time to grow and mature in our Christian faith – without the pressures of Advent and Lent, Christmas and Easter.

The coming months of August and September offer each one of us a time quietly to explore and deepen our Christian faith – or maybe to *begin* our journey of Christian faith! It's a time to reinvigorate our prayer life, unite more deeply with God; a time to nourish and develop our personal spiritual journey.

Archdeacon Audrey (of Bodmin) suggests learning some prayers off by heart (and she asks: "Which ones do *you* know?").

Or perhaps you might try and pause for some 'Sabbath moments' during your day – times when you step out of the busy-ness of your life and simply re-connect with God.

Or maybe reading is more your thing? There are countless excellent Christian writers to guide and nurture you along your own journey of faith. I know who *my* favourites are (St Francis of Assisi, Henri Nouwen, Thomas Merton, John Stott, Nick Fawcett, Brother Lawrence) but I don't want to try and influence you!

Ordinary Time is **this** day, **this** moment. Ordinary Time is **NOW!**

So let's make Ordinary Time a time when ordinary people like us grow in our faith and become the **extra**ordinary messengers of the Gospel of Jesus Christ.

God bless you and may *you* grow in Jesus Christ.

## **Latest News from Bolenowe Horse Sanctuary Bonaventure Farm, Ruan Minor**

'Open Sundays' are proving very popular, which is so encouraging because when we made the decision, some months ago, to open on Sundays we didn't really know what to expect as the Sanctuary has never been open to the public on a regular basis before (only by appointment). Our first 'Open Sunday' was on the 2<sup>nd</sup> of June and since then each one sees more visitors to the sanctuary than the one before. We have been pleased to see and meet many of the local residents who are fast becoming regulars for their Sunday afternoon tea, and we've had lots of visitors to the area too. Everyone is made welcome; there is no entry charge, just a donation box. This current spell of long awaited sunny weather is really helping, people are just dropping in to see the horses which is lovely and our Café and 'Cream Teas' are proving very popular too.

Over the last few weeks, we have seen an increase in the number of Adoptions too thanks to our Sunday visitors. Every adoption or donation will help us to see the horses through next Winter's feed, hay and vets bills. Also we would like to say a big 'thank you' to everyone in the Lizard area who have donated items to our Bolenowe Charity shop over the last few weeks. These generous donations have helped us to raise more money and has made it possible for us to go ahead with installing a water supply direct into the small paddocks. The pipes, connectors and automatic paddock drinkers have been ordered and so all we have to do next is to dig down and lay the pipes! Not an easy task!

Currently we are training up a small team of young volunteers as Bolenowe guides who will be pleased to show you around the Sanctuary and tell you lots of interesting things about the horses. They are doing really well and have had lots of compliments already, just trying to remember all the 65 horses' names is a feat in itself.

So to finish, could I invite you to bring your family, friends and neighbours to the sanctuary for a visit. Why not give a pony or horse adoption as a birthday or even Christmas gift and, please, when you are next having a clear out - don't forget our charity shop. We now take larger items of furniture, beds, fridges etc. and all the usual smaller items. Every little helps!

Oh and before I forget: If there is anyone local to Ruan Minor who has land to rent please get in touch as we are really short of grazing land for the horses.

We would love to meet you at the Sanctuary on an Open Sunday,

## QUIZ NIGHT NEWS

What an exciting scrap June's **QUIZ NIGHT AT THE VILLAGE HALL** turned out to be, with five of the eight teams fighting it out neck and neck right up to the bitter end. At the death, just a one point margin gave **The Motley Crew** the tightest of victories over **The Buccaneers** who were left to rue some indecisions in the **Wipe Out** Round proving that sometimes it does pay to take a chance ("He who dares, Rodders"). Just five points further back two teams shared third spot and it would have only needed just the slightest change of luck in the **All-Nighter** for any one of those five teams to have lifted the trophy.

At the other end of the proceedings it was **Just in Time** who claimed the infamous **Wooden Spoon** but the **Flying BBs** may have something to say about that next time!!

Thanks were due to Brian for another 'challenging' **Guest Round** but get your thinking caps ready for next time because I am sure that Margaret Evans will set some very interesting posers.

At the end of an enthralling night's quizzing, the final **Scores on the Doors** looked like this:

| <u>Position</u>   | <u>Team</u>     | <u>Score</u> |
|-------------------|-----------------|--------------|
| 1 <sup>st</sup>   | The Motley Crew | 102.0        |
| 2 <sup>nd</sup>   | The Buccaneers  | 101.0        |
| 3 <sup>rd</sup> = | Cliffhangers    | 96.0         |
| 3 <sup>rd</sup> = | The Mixed Bunch | 96.0         |
| 5 <sup>th</sup>   | Rumanites       | 89.0         |
| 6 <sup>th</sup>   | Inbetweeners    | 80.5         |
| 7 <sup>th</sup>   | OTT             | 80.0         |
| 8 <sup>th</sup>   | Just in Time    | 79.0         |

Can you handle the pressure? Can you cope with the strain? Stretch those brain cells and take the Quiz Night Challenge to see how **YOU** get on (a bottle of something nice might help!).

Thanks to everyone for a really exciting night's quizzing. Go well and see you all next time.

# Gardening in August and September

*by David Endean*

What does anyone know, let alone the reactionist tabloid style headline writers? A few weeks ago we were going to have a decade of poor summers. Roll on a few weeks and this could be the hottest driest summer for many years, and we are being told how to combat the effects of drought and heat exhaustion, as this is a taste of things to come in future years with the effects of global warming starting to bite.

Did you have a wander around and look or should I nose in the gardens and allotments which have been opened to the public around the peninsula over the last few weeks? The weather really was kind and I hope plenty of money was raised for the various good causes. These are ideal events to get ideas for your own garden as you can see what works well near you. The conditions are most likely to be the same as yours, so if you get the opportunity and similar events occur, then make the most of them and have a proper good nose around.

The hot dry spell has started to affect the lawns, but please do not waste water on it. It may not look great but it will recover later with rain, whereas watering with a hose or sprinkler will only encourage shallow rooting. This is only viable for a putting or bowling green and, even then, if left to nature those games would be even more challenging. One of the worst examples of this I saw a few weeks ago when someone had a sprinkler going all day on the verge outside their property. 50% was wasted as some fell on the tarmac and ran down the road and more was directed into the hedge which was no more than an agricultural hedge comprising of black-thorn, rough grass and bramble. Then with it being throughout the heat of the day I would not like to hazard a guess as to how much just evaporated. Money to burn comes to mind. Save your water for more precious things. Established plants in the open ground should be fine, so concentrate on pots and containerised plants and things under cover. The water soon gets used up and you will find that your water butt will not last long, I advise when watering to use a watering can; this is harder work than a hose but you can see how much you are using and you will be far less wasteful if you have to work for it.

Back to the lawns. In the hot weather, the lawns will still benefit from mowing but raise the blades up a notch or two this serves several purposes. The higher blades means longer grass which will look greener, the longer grass will shade the soil so reduce water loss through evaporation, and it will also give more protection from wear in the well-trodden areas. But mowing will cut off the seed and flower heads and pick up debris and so provide a good finished effect.

I advise getting in some spring bulbs now even if they are not planted for a little while yet. Get them now while the stock is there, either by mail order or from the various garden centres. The spring show will be pleased to see a few more entries.

Hedges are growing well and, like most things in life, little and often is best and will keep it looking neat and compact. Down here, most hedges seem to grow

all year round but try to time it so that your last trimming of leylandii type hedges is somewhere around mid- September. This will give it some time to recover but also toughen up before the winter salt laden winds return to burn the foliage. Later trimming could well lead to the hedge burning.

In the vegetable garden, harvesting will now be well under way. Keep picking the beans of all types regularly so they remain young fresh and tender. The same goes for the salad crops. At this time of year with hot dry times these crops tend to bolt after a thunder storm. The extra moisture makes them think that it is now or never to reproduce and set seed. It is generally too late to sow lettuce seed now to mature outdoors but it is still worth sowing some seed to harvest as just young fresh leaves. With protection this can happen almost all year round. Back to sowing and planting: try out some winter brassicas. Things like spring greens can be sown either direct or in modules. In general, winter brassicas suffer fewer pest problems but pigeons seem to always be a problem. Netting your cabbages is the only real solution. You can probably still find some other brassica plants in the garden centres if you're quick, and you could sow some kohlrabi and garden turnips.

Some other things that can be sown still are some quick maturing carrots, second cropping potatoes and baby beetroots.

Keep up the dead heading and later in September when the bedding is about spent look into clearing some space for some winter/ spring bedding. One of my favourites are Violas; I think that they are better than Winter Flowering Pansies as they flower quicker and although the flower size is much smaller they certainly have flower power. They are tough and recover from the ravages of the winter well. With some good TLC they will last deep into next spring. Also plant out Wallflowers and Sweet Williams into their final positions later on in September.

What will I be doing over the next couple of months? Well my exploits with the sweet peas are over now, so work will be concentrated on the Dahlias and Chrysanthemums; both of these are well developed plants now but work on staking, thinning the number of shoots and carrying out a process called disbudding. This a process where flower buds are removed so that larger better shaped blooms are formed. For instance, those large bloom chrysanthemums get no more than three blooms and some varieties are only allowed to develop one flower.

Enjoy your gardening over the summer.

# CORNWALL SCHOOL GAMES

## GIG ROWING

For the 2013 Cornwall School Games Gig Rowing event, which was held at Mylor, Mullion School PE department liaised closely with both Coverack and Cadgwith Gig Clubs, with a view to putting together strong crews to represent the school. A "selection" session was held at Cadgwith Cove after the close of school on a Tuesday evening in June - this was open to all junior gig rowers attending the school and was attended by a large number of students with all year groups well represented.

Coxwains from both Cadgwith & Coverack were involved in the process of choosing the crews, taking into account race experience, technical prowess and flexibility in the boat, culminating (theoretically!) in four capable crews, one to enter into each race category for the event. Cadgwith was well represented in each of the crews, as shown in the photographs below.

The results were fantastic - a clean sweep across the categories. Mullion School and the gig clubs from The Lizard Area are very proud of the students for this remarkable achievement.

The coxwains for the day were Sam Jane (yr 7-9 any) and Jeb Preston (yr 10&11 any) from Cadgwith, and Clare Darnell (yr 10& 11 girls) and Conor Clark (yr 7-9 girls) from Coverack.

## **Cornwall Council Community Chest Grants**

Cornwall Council has announced that community projects are set to benefit from additional funding after members of Cornwall Council's Cabinet agreed to increase the Community Chest grant allocated to each Council Member to £3,000 for this year.

The aim of the grants is to benefit a wide range of people and activities, including vulnerable children or adults, young people, facilities for older people, community facilities, local environment projects, and community safety projects.

Groups and organisations can apply for one-off grants of between £100 and £1,000 which are designed to support specific projects rather than to contribute to an organisation's recurring running costs. The fund can also be used to attract 'match' funding from other sources.

During the life of the previous Council, grants from local Members helped hundreds of different organisations and projects. Examples include support for a community arts festival, providing electricity to a village green, providing outdoor play equipment, funding goal posts for a football club, a new cooker for a community kitchen, new musical instruments for local bands and orchestras and a new central heating system for a village hall.

Following this announcement, our local Councillor, Carolyn Rule has provided the following information:

"There is now a new system for the delivery of the community grants. The pot for each councillor is £3000 for 2013/14, reverting back to £2195 in subsequent years. There is no facility to carry forward any underspend, so anything not allocated in the appropriate financial year will be lost to the division. My preference is to offer smaller grants circa £250 so that I can assist a lot of our special organisations across the division and allow my small donation to be used for match funding to draw down other grant aid.

The first step for any grant application is to talk to the regeneration support officers to see in the first instance whether the project would meet the necessary criteria. Our contact officer is Kerri Gendall 01736 336865. Kerri will be able to have initial discussions and send out appropriate guidance notes to applicants; along with an application form should they wish to proceed. This will then be added to a spreadsheet kept at the office so that a record is kept of all applications and none get lost. Once the completed form is returned to this officer they will assess it and then pass it to me for my approval. I would be grateful as always to speak to any of you if you are thinking about lodging an application as early on in this process as possible.

Our new community network manager is Maxine Hardy 07528 983415, and the localism area manager for the west is Mark James 07528 983265."

# A Comment from Simon Sugrue

July 4th 2013

Ten years ago today I was in Kuwait. I was part of a team helping to recover the equipment used by the Army in the Second Iraq War. One of the ports we used there had been taken over by the Americans. The Security at the entrance to the place was very obvious and staffed entirely by US Soldiers. I always tried to maintain a friendly relationship with security because I was in and out of these places on a daily basis. Here it was necessary to leave the car, go into the guardhouse, sign in and sometimes be subjected to a bit of interrogation.

On this day, July 4<sup>th</sup>, I thought I'd make a point about US Independence Day. I said that it was good to see the 'old Colonial boys doing well'; this was greeted by puzzled looks from at least a dozen of the fifteen or so people there, all Americans. The small number of people who were either not puzzled or just not listening, made no comment. I followed this up with a comment about Independence Day and they confirmed that I had the date right. So I asked, tactfully, who they thought the US Independence had been gained from. The puzzled expressions remained, and eventually a couple of brave souls ventured that they had never thought about this and that it could have been the American Indians or perhaps the Spanish.

I left it at that but noticed that the quiet minority kept silent so, as I went out, I had a quiet word with one of these, possibly the Guard Commander, some sort of NCO. I asked him to find out how many people in there really did know who had been obliged to give USA its independence and tell me when I came back from the ship I was visiting.

I went back a couple of hours later and was told that just three out of the fifteen people actually knew that it was Great Britain that ceded Independence to USA. I was amazed at the level of ignorance and even more amazed when I realised that these people aspire to control the whole World. Worrying? I think so.

## **Minutes of the Monthly Meeting of Grade Ruan Parish Council held in the Sunday School Room of the Ruan Minor Methodist Chapel on Monday 10 June 2013 at 7:30pm**

**Present:** Parish Councillors J Preston (Chair), N Green (Vice-Chair), P Freeman, C Cooper, M Fleetwood and P Collins, J Trewin and Cornwall Councillor C Rule.

1. **Absences and Apologies:** Parish Councillor M Alford. The apologies were accepted.
2. **Declarations of Interest:** no declarations of interest were made.
3. **Public Time** – no items were raised during Public Time.
4. **Police Report:** *[Published in July Gazette.]*
5. **Cornwall Councillor's Time:** Cornwall Councillor C Rule was welcomed as the returning Councillor after the May elections. Councillor Rule updated the Parish Council on the situation at Treal where there had been some confusion about development. A planning application may follow.

She reported that at Cornwall Council the first committee meetings are being held with the committees and Chairs being agreed. The committees are now being formed to work with the portfolio holders with a view to engage back bench members more.

6. **Minutes for acceptance:** the Minutes having been circulated were proposed for acceptance by Councillor Collins and seconded by Councillor Freeman. All in favour.

### **7. Planning:.**

PA12/11547 – Notice was received of an Appeal against the refusal for consent for advertisement consent for the siting of a 1.8m x 1.2 m pole mounted sign on adjacent entrance with a height of 1.5m at Wovras Farm, Ruan Minor, Helston. Appeal Case Reference APP/D0840/H/13/2195217

Grade Ruan Parish Council objects to this application on the same grounds as stated in a previous application relating to this proposed development which was refused under application no. PA12/04064 which stated 'The proposed signage, as a result of its form, scale and location would have a detrimental visual impact on the character and appearance of this area of open countryside, in particular the area's designation as an Area of Outstanding Natural Beauty and an Area of Great Scientific Value contrary to the aims and intentions of Saved Policies 1 and 2 of the Cornwall Structure Plan 2004 and paragraphs 60, 61, 64, 109 and 115 of the National Planning Policy Framework 2012 and PD8 and GP.08.2 of the Cornwall Area of Outstanding Natural Beauty Management Plan 2011-2016

**b.** PA13/01398 - Demolition of garage/workshop and construction of studio/holiday let at Lethe Place Cadgwith Ruan Minor by Christine Brickman

The Parish Council had objected to this application at its meeting on 11/03/2013 and had raised concerns as it appears to be significantly larger than the existing building it is proposed to replace and would appear to form a separate dwelling.

Revised plans were now available on the Cornwall Council planning website and the Parish Council had been assured by the planning officer that a planning condition could be incorporated into a planning consent to ensure the proposed development could not be made into a separate dwelling.

The Parish Council felt the amended plans did little to address its concerns as to the scale of the development but it would acknowledge the proposed planning condition could deal with the potential for it becoming a separate dwelling, but otherwise the Parish Council would have to agree to disagree with the planning officer's comments.

c. North of Cargey Gate GR: SW72210 17345 – it would appear unauthorised development was being undertaken. Clerk to refer to Enforcement.

d. Caerleon Cottage – the planning consent stated the landscaping should have been complete before the development was occupied. The status of this is being checked by planning and the planning officer has contacted the contractor about the landscaping and is awaiting a report.

e. Petition for amendment of National Policy Planning Framework – does the Parish Council wish to support this? To be on the next Agenda.

8. **Finance:** financial report – printouts of the bank reconciliation and income and expenditure for the previous month were circulated.

Two cancelled cheques are still showing as outstanding. These need to be cleared.

b. Approval of payments as per schedule

The rate of tariff being charged for heating by the Village Hall to the Under 5s was queried. A Village Hall meeting was being held on Wednesday; Councillor Alford to represent the Parish Council. Councillor Collins proposed the whole schedule be paid, Councillor Fleetwood seconded – all in favour.

c. Audit 2012-13 – the Parish Council was updated on the matters considered at the Finance Committee Meeting held immediately before the monthly meeting. Councillor Green proposed the Parish Council approve the Internal Auditors report and the completed Audit Form be approved and returned to the accountants acting for the Audit Commission with an addition that the Risk Assessment and Asset Register have been reviewed; Councillor Fleetwood seconded – all in favour.

Councillor Fleetwood proposed the Asset Register and Risk Assessment be amended and approved as recommended by the Finance Committee; Councillor Freeman seconded – all in favour.

d. Insurance Policy – should this include the War Memorial? It was thought the Church doesn't insure it.

Clerk to investigate and to be added to the next Agenda.

9. **Matters arising from the Minutes:** Play Area – Mrs W Elliott had accepted the invitation to be a co-opted Member of the Play Area Committee. Play Area Committee Members to liaise with Mrs Elliott regarding meetings.

The Safety Inspection report had been circulated. – several items of potential concern had been identified. These are to be inspected by the Committee and a decision made as to whether a contractor needs to be instructed. Committee to liaise. A further estimate has been obtained from Taylor Designs but needs to be amended as some details are inaccurate. Starting to investigate grant sources for funding.

Mundys Field Car Park – concerns have been expressed the Car Park is being used as a transfer area.

Councillor Collins had met with contractors who had suggestions for improving the entrance to the car park to reduce wear and tear including the incorporation of a speed hump.

The granites are still in the Car Park and need to be moved to the Recreation Ground. Grass and weeds in the Car Park and be maintained as part of a trimming regime and no further action is required.

It had been suggested a line of trees be planted along the edge of the Car Park to improve visual amenity. There is a line of drains somewhere within the Car Park and their location needs to be confirmed to ensure any planting scheme does not interfere with them. If it is agreed a planting scheme is viable it will need to be publicised to ensure there are no objections.

Community Land Trust – Councillor Freeman had considered this in more detail and met with Helen Downing, Development Manager of Cornwall CLT Ltd and circulated a report summarising information on various meetings and suggesting options to form a Community Land Trust. Grants are available to assist in establishing a Trust. It was suggested that expressions of interest be invited via a Notice in the Gazette. To be put on the Agenda for the next Meeting.

Application to Rural Payments Agency – it was suggested this may be worth extending to include Martha’s Acre. The Chair to investigate the ‘New Paths for Parishes’ scheme.

Casual vacancies – these had been advertised but no response received.

**10. Matters for consideration:** Supporting Communities in Neighbourhood Planning– grants are available for creating or renewing Local Plans. Councillors to review existing plan (available on Parish Council website) to decide if this is worth pursuing.

Code of Conduct training – details of training events around the County had been circulated although none had been scheduled for the Helston/Lizard area but this is being planned.

Triangle of grass at the rear of Mundy’s Field – it was suggested this area may be suitable for utilisation as allotments. Councillors to inspect before the next Meeting.

**11. Correspondence:** *[The list is not shown here, due to space constraints. It can be obtained from the Editor.]*

**12. Footpaths, Environment and Treewarden:** South West Coast Path trimming – funding for this has been cut by Natural England from £981.00 eligible funding in 2012-13 to £451.00 for 2013-14. For the year 2012-13 Grade Ruan Parish Council paid a total of £576.00 for trimming the South West Coast Path. Clerk to request whether the Parish’s funding can be raised to £576.00. Stile near Malahat, Cadgwith – this has been damaged. Councillors to inspect before the next meeting.

Junctions onto the main road all three exits from the Parish onto the main Helston to Lizard highway have excessive vegetation growth severely limiting visibility for road users exiting the junctions. To be reported to Highways as a matter of urgency.

Urgent hedge trimming – Cornflower Garden Services to be asked to trim the steps down to the little beach, the Church hedge along Poltesco Lane and the road side of the Recreation Ground hedge.

Clerk to also request whether he could cut the verge by the St Ruan turn off on the opposite side of the road to the main verge which is already being cut under an agency agreement at Treleague Crossroads

**13. In committee:** no items were discussed in committee.

Meeting closed at 10:40pm

**Report compiled by PCSO Julia Berry at 0930 hrs on Monday 1 July 2013.**

During June there was one crime reported to the Police, this crime was a theft. Whilst the crime was reported in June, it was not possible for the reporting person to give an accurate date when the offence took place. The offence could possibly have taken place sometime in May.

As we are aware crime is low in this area, however, with the schools breaking up this month, and hopefully some sunshine on its way (we must get some soon!) there will be an increase in the numbers of visitors to the area. Please could everyone ensure that time is taken with the security of our valuables and personal possessions to avoid any opportunist thefts.

On another note I attended the Thursday morning market in Ruan Minor as part of my meeting with the community.

I have spoken with a number of fishermen in the local area trying to gain some interest in the boat watch scheme which has now been up and running in other areas for a couple of years. At this time no one has shown an interest, however, if anyone would like more information please do not hesitate to contact me.

If you have any crimes you would like to report please telephone 101, or should you have any concerns which you would like to discuss please call me on 01326 555158, this is an answer machine service, please leave a message and I will get back to you.

Alternatively, please email the team at [helston@devonandcornwall.pnn.police.uk](mailto:helston@devonandcornwall.pnn.police.uk).

# Blast from the Past: Gig Champions

*This item and the accompanying photograph last appeared in the Gazette in October 1987.*

---

At last, after many years, Cadgwith has won the Gig Championships at Newquay. Six Cadgwith crews, two Ladies' and four Mens', rowed over the weekend, but the congratulations go to the Mens' 'A' crew for their win. Well done, lads - CORNISH CHAMPIONS! Our gig 'Buller' was rowed in the Championships for the first time and was the boat that our crew rowed to victory.
