# Noticeboard

Deborah Stephens tells me that **Valerie Hawkes** has died. She lived at Ledra Close Cadgwith until last year when, due to ill health, she moved to St. Keverne care home. She celebrated her 90th birthday with family and friends last November with a big party

**Happy Birthday** in **June** to: Alex Jane, CC Naish, Alex Robertson, James Goddard, Morwenna Ellis, Andre Ellis, John Fleetwood, Carol Cooper, Hattie Drummond, Len Carter, Charlie Coates, Elliot, Tom Mason, Eileen Mason, Hettie W, Jean Hall, Jan Halliday, Gill Thomas, Sharon Legge, Valerie Jane, Mike Fleetwood, Peter Freeman (quite a big one?), Shelley Cooper (a biggish one?), Lucy G, Grace S, Dominic H, Talia S, Amy B, Yasmin Burgess (Congratulations to Yasmin on her 18<sup>th</sup> birthday!)

I hope you enjoyed last month's "Cornish Phrases". Due to a slip of my finger, I managed to delete the line thanking Judith Green for sending these in. I'll say it now: "Thank you Judith".

*Moira Hurst*

We would very much like to say an enormous thank you to everyone involved in making our last Thursday Market such a special one. The cards, gifts, presentation awards, good wishes and thanks were wonderful and certainly brought a

lump to our throats. We have tried very hard to make the market a success over the years and everything which was done and said on 8<sup>th</sup> May seemed to tell us that it had worked.

We would also like to say a very special thank you to so many people who have sent cards, telephoned, come round to see us or stopped us in the Village after the Hall's Annual General Meeting to say they wanted to thank us for our efforts over the last ten years.

To everyone, thank you so much, it is very sincerely appreciated.

We are happy and pleased that we have left a strong and thriving Village Hall and we wish the new Hall Committee every success in building on this and developing such an important community facility in the years to come.

*Janet and David Gascoigne*

I would like to apologise if there has been a delay to your regular window clean. I've had recent surgery to my shoulder, so am unable to use my arm at present. However, Steve is doing as much as possible for me so we will get round to you as soon as we can.

*Sarah Parnell*

*[This notice should have been in last month's Gazette. My apologies to Sarah for omitting it, and to her customers who may have been wondering what was happening. Ed.]*

## Noticeboard, cont.

The March minutes of the Parish Council referred to a 'chalet' at Bodrigny Lodge, Cadgwith. It has now been established that what has all the external appearances of a chalet is in fact a tool shed, and the Council apologises to Mr and Mrs Dunmall for its mistake. The correct planning description should have been 'alleged chalet.' The Council understands that advice has been given by a Cornwall Council enforcement officer and as a result of this advice the owners have decided to make an application for retrospective planning permission.

### *Parish Council*

We would like to thank everyone who helped make Rhiannon and Ash's wedding day so perfect - Rev Deirdre for

a lovely service and Robin who made it go with a zing! All those who helped with flowers, directions, desserts and surprise ponies! Particularly to Anne and Peter for allowing us to have the reception in such a fantastic location and with great weather to boot, and finally to all family and friends who came to share their love and good wishes.

## IN THE MAILBAG

Farewell to Cadgwith from Jan Fry (née Prichard).

For those of you who remember my Grandmother, Mrs. Prichard and her daughter Gracie, and the generations of us who have been visiting the Cove since 1929, I am afraid Nigel and I will not be down to Cadgwith again. Ill health and 330 miles have finally defeated us both.

Since I was born in 1938, I have rarely missed a year of coming to Cadgwith and stayed with my Grannie as a toddler during the war (Jocelyn was my play-mate). Granny had Pennard built in 1929 – what a plot to buy! She would have been amused that a ‘Jane’ bought it from us (after Gracie died) as she was so fond of Henry and Rene.

She found Cadgwith, to retire from Bristol, quite by chance. My father, aged 6, had come to Cadgwith for a holiday with some friends – and their nursemaid (Annie) fell in love with Rambo. My father (Rev’d Tom) and Rambo died within 2 weeks of each other and I saw Rambo up at Ruan at the very end of his life, when I went to tell him that ‘Mr. Tom’ had passed away so suddenly. Gracie had been the eldest and Tom the youngest of my grandmother’s six children.

Ever since 1930, my family has had a long and happy association with Cadwith, with many of us doing things that the youngsters (and adults!) do now. I am thrilled that my children feel the same about the Cove and Jonathan came down last year and spends much of his time emailing contacts. My daughter Sally will be down with her three teenagers in August and we live near Graham and Wendy in Kent – so we will get to know the gossip!

Sharkey – I missed our goodbye kiss in November – how sad! Your great friend, and my cousin, Jim Croom-Johnson’s ashes were buried at sea with the help of Nigel Legge, in May. I didn’t see Rodney and Anne in November either, but many of Hartley’s paintings are around the Vicarage here to remind us of the wonderful character and rascal who was so good to my Grandmother and Aunt in their old age.

Many happy memories and love from us both to you all and your beautiful Cove.

# NEWS FROM THE VILLAGE HALL

RUAN MINOR VILLAGE HALL

Reg. Charity No. 225626

Hello from the Village Hall!

This is just a quick note this month I'm afraid, as you can appreciate we are all busy coming to terms with new roles and challenges. The A.G.M. was held in the hall on Friday 9<sup>th</sup> May to elect the trustees for 2014/15 and group representatives to the hall committee. This was all successfully completed and I would like to take this opportunity to thank everyone on the Village Hall committee for their tireless work, enthusiasm and commitment. Thank You!

We did have to cancel the Thursday market for the 15<sup>th</sup> May because of the hand over from committee to committee and we were unsure if we would be able to organise everything in time. BUT.... The Thursday market recommenced as usual as of the 22<sup>nd</sup> May, and will continue, we hope, to go from strength to strength.

Please remember that the Hall will be open as the polling station for the European Elections on the 22<sup>nd</sup> May.

Events this month include the Monthly Quiz Night on the 24<sup>th</sup> June

And

The Ruan Revellers will be showing their film of  
"ALADDIN"

On Saturday 7<sup>th</sup> June at 7.00 p.m.

Doors open at 6.30 p.m.

This is a fundraiser for the next Reveller extravaganza, and promises to be as hilarious and entertaining as the 'in the flesh' performance was!

Coastline are going to hold a public meeting in the hall on  
Thursday 4<sup>th</sup> June from 1.00p.m.

Please attend with any queries you may have regards the new homes.

So as promised it is short and sweet, but one final very important thing, If you have any ideas for a club, event, fundraiser or any activity you would like to see in YOUR village hall, then please do come to a meeting or contact us.

For any bookings, please contact Tasha Allen on 291232 or 07792292665

## Apologies

Many thanks to all of you that attended the Ruan Minor Village Hall AGM on May 9<sup>th</sup>. It was heartening to see so many of you, but unfortunately towards the end of the meeting a glaring discrepancy occurred. This was missed when I closed the meeting. Ruan Minor Village Hall management committee would like to thank Mr David Gascoigne and Mrs Janet Gascoigne for all their endeavours in their many roles within the village hall management over the many years which they have been involved. We hope that they enjoy the extra time that they will have to be with their dogs, grandchildren and to pursue their other interests. We do hope that they will not be a stranger to the hall in the future.

Grade-Ruan Under 5s

# School Spot

Grade-Ruan C of E School

Mullion School

**Under 5s.** At playgroup the children have been planting beans, peas, courgettes and sunflowers. They also planted runner beans in bottles and the roots are just starting to show. Our tulips have finished in the school garden and so now we need to do a bit of weeding and get our veggies planted. Leading up to our Teddy Bears' Picnic, we have been sharing stories about food and looking at the various food groups and healthy eating. The children have shared their favourites and looked at textures and where different food grows.

Please see separate poster advertising the Teddy Bears' Picnic in June.

Birthdays in June, Elliott, Suzanne.

*Jan Halliday*

**Grade-Ruan** pupils had a great assembly with RNLI lifeguards Alex and Bruno who came to talk to the children about beach safety. This is vitally important as so many of us spend a lot of time on the beach and in the sea. The children all listened attentively and were able to answer lots of questions.

Sailing has started for the Years 4, 5 and 6 - such a wonderful opportunity for the children, all thanks to the

Helford River Children's Sailing Trust and the friends and family volunteers from the school.

Thank you to everyone that came to the Fun Day - we raised a fantastic £578.50. Huge thanks to everyone who helped to make this such a great day and especially to Ali Russell for all her outstanding organising!

We have recently been told that a bid we submitted to the Department for Education, now that we are an Academy, has been approved. This will mean that we will in the near future be able to replace the existing, dilapidated Elliot buildings. This is absolutely fantastic news, particularly as this funding is only available to Academies. Directors, Governors and staff will be working closely with a variety of agencies over the next few weeks to move this project forward and we will keep parents informed once we have concrete plans.

Hopefully many parents will have seen some new arrivals at our school - namely the new solar panels on the roof. These have been very kindly DONATED by the local Solar Farm and will help, over time, to generate significant savings in our electricity

bills - which will mean we will have more money to spend directly on the children.

And last but definitely not least the school said goodbye to Ali Russell. Ali has worked at *Grade-Ruan* for nearly twelve years and has done so much for the children and the school in addition to her wonderful work in the classroom including running a variety of clubs and activities and ensuring the school was involved in a range of inter-school events and competitions. We wish her the best of luck in her new role.

**Mullion School** has produced a short film of its trip to the World War 1

Battlefields in France and Belgium ... you can watch it by going to

<http://www.mullionschool.org.uk/world-war-one-battlefields-visit-film/>.

Be prepared - it is incredibly moving, especially when you realise that some of the soldiers killed were younger than those on the trip. Other offsite trips included a fascinating tour of behind the scenes at Roskillys for the Year 10 GCSE Food Tech group and pupils from Years 10 and 11 attending an interactive exhibition at the Knowledge Spa at Treliske Hospital, geared towards exploring medicine or health-care as a future career. This year's Extreme Reading Competition produced another successful spread of very creative photographs with staff and pupils all trying to invent new and sometimes ridiculous situations in which to be photographed, reading! Entries included reading a book on ophthalmology while being eye-tested, reading while ski-jumping, reading while in the dentist chair, rock climbing, golfing and more. Excellent effort by all concerned! GCSEs for Years 10 and 11 are well underway. At the time of going to press, prefects remain to be announced but many congratulations and huge well done to Lauren Birchmore for being voted House Captain and Will Trewin, Sports Captain - both for Gerent House.

# ***Rector's Ramblings***

## **Life, when it's lumpy ... in Jesus**

**S**ometimes life is like smooth silk – as I write this the sun is shining, people are barbecuing and enjoying the glories of this place we are privileged to live in – but often, it seems to me, life comes with lumps in, sometimes it seems so full of lumps that it is hard to swallow.

When life is like this many people begin to ask 'why?' I am sure that there are reasons, I could even suggest some, but knowing the reasons (even if that were possible) isn't really much help. We need something better than an answer to our 'why?'

Perhaps what we need, more than knowing the truth or the right answer, is to come to the Truthful One, Jesus.

When life makes you feel weary and heavy laden, the truth you really need is Jesus, who said "Come to me ... and I will refresh you." When life is disappointing and feels futile, the truth you really need is Jesus, who said "Abide in me, abide in my love, and you will bear fruit that remains." When the world and the Church are perplexing and upsetting, the truth we need is Jesus, who said "Don't be afraid ... I have overcome the world".

It is too easy to get everything right, all buttoned down, and to lose our first love. But, like the disciples, if we pursue loving and being with and following and listening to Jesus ... I believe that we can trust him to keep us, to persevere when we get it wrong, or take a long time to understand what he is saying. And I believe we owe the same patience, forbearance and love to my fellow disciples as we seek to speak the truth in love and discover together the unsearchable riches of Christ.

What else can we turn to when life is lumpy, when the Church is distressing and the world tragic. We have nothing else to offer our world or one another but Christ and him crucified: but in him is life; life that overcomes the lumps, the distress and the sorrows, life we can live and share.

May the Lord truly be with you.

# Ruan Minor Football Club

Ruan Minor Mens Football team has finished the season 8<sup>th</sup> out of 16 in the Trelawney League Div. 3. Unfortunately, the last two games had to be forfeited as walkovers, otherwise the team probably would have maintained their position higher up the table.

The poor weather earlier in the year caused a backlog of games, so the team has been in action a lot over the last few weeks. Here are the latest results:

23/4 4 - 0 A Chacewater Res  
26/4 6 - 0 H Redruth Athletic

## Team Manager Needed

As reported last month, the current team Manager has resigned. A new Manager is needed to take over before the start of the new season in August.

To enable a new manager to focus on building the team and winning matches, it is envisaged that a support structure could be put in place, such that marking the pitch, washing the kit and doing the paperwork would not be the Manager's responsibility.

If you would like to discuss the role, please contact Peter Freeman 01326 290642 (no obligation!).

Please don't let this long established and currently successful club close!

## QUIZ NIGHT NEWS

All teams participating in April's **Quiz Night At The Village Hall** pushed their 'old grey matter' to the limit and topped the 100 points mark - a notable achievement indeed. However, a challenging Guest Round changed a few things around and there was a fairly wide spread of the points at the final count. The Champion's Crown was lifted high by **Cliffhangers** and it was **The Inbetweeners** who claimed the honour of being '**Guardians Of The Wooden Spoon**' until May's contest.

Juliet Edwards posed a very interesting Guest Round based on cartoon characters which certainly caught a few people out but, be warned, it is Gill Fox's turn next time so you had better get swatting straight away if you want to put some points on the board from her questions.

Thanks to everyone for another super night's quizzing which resulted in final Scores on the Doors as follows:

| <u>Position</u> | <u>Team</u>     | <u>Score</u> |
|-----------------|-----------------|--------------|
| 1 <sup>st</sup> | Cliffhangers    | 148.0        |
| 2 <sup>nd</sup> | The Motley Crew | 141.0        |
| 3 <sup>rd</sup> | The Buccaneers  | 133.5        |
| 4 <sup>th</sup> | New Blood       | 127.0        |
| 5 <sup>th</sup> | The Mixed Bunch | 126.0        |
| 6 <sup>th</sup> | 3 + Mum         | 122.0        |
| 7 <sup>th</sup> | Bob's Band      | 120.0        |
| 8 <sup>th</sup> | Inbetweeners    | 113.5        |

**Can you handle the pressure? Can you cope with the strain? Can you rise to the challenge and defeat some of the finest brains on the planet? Give it a go and see just how good you are!!!**

Go well and see you all at next month's **Quiz Night at the Village Hall.**

## FOOTBALL

A huge well done to Billy Jane (*pictured*) and his football team, Culdrose Tornados who won the double this year. They ended up top of their league winning all 18 games, an amazing achievement. The icing on the cake was a win in the league cup final beating Trevenson Tigers 4-2 at Wendron football club. Well done boys and all the coaches, we are all very proud of you!

## TAG RUGBY

Abby Jane (*pictured*), Sam Cooper, Nathan Holmes and their Landewednack team mates have performed extremely well in the recent West Cornwall Tag Rugby finals. Held at Redruth Rugby Club and run by the police, they were to meet 28 teams who had all won through to represent their area. They played superbly well, remaining unbeaten throughout the tournament. The children were delighted to get in to the final and, despite losing to Trewirgie, everyone was proud of their achievements. The team now look forward to going to Taunton to represent West Cornwall in the South West finals. They have also won through to the Cornwall School Games. Huge thanks go to Ted Heaton and David Muirhead for all their support and expert coaching.

# Gardening in June

by David Endean

Well the year is really racing through now and things are looking fresh and verdant, but it only seems like yesterday when we were being battered by the storms. You can still see the effects of those storms on many of the trees and shrubs, especially the evergreen types. Now is a good time to tidy up most of the shrubs that suffered wind burn. There has been a lot of die back but by now most shrubs will be making fresh growth and this guides you as to where to trim back to. Once all the dead is removed, you can shape as desired and most bushes will benefit from some feed to speed their recovery.

Now is the traditional time to be planting out your summer bedding, although many of you will have done this already as we are generally blessed with frost free conditions and the large retailers in DIY stores and garden centres have been selling them for months. These retailers are always afraid that they will miss the market - that is why Christmas starts in August for some of them. I think that it is nice to enjoy the spring flowers first like the wallflowers, primroses and bulbs. I suppose what I am saying is: do not feel that it is too late to fill any gaps that you may have in your beds, borders and tubs. In your borders, remove the old bulb tops, lightly work over the ground, then add some well-rotted organic matter with a little general fertilizer. That space will be ideal for planting some Salvias, Begonias, Antirrhinums or whatever annual type plant you fancy. The next job is to water them in, otherwise they will soon dry out.

Whilst you are in the borders, get in there and provide some support for those taller lax plants before they flop under their own weight or due to wind and rain. This will help to maintain structure in your

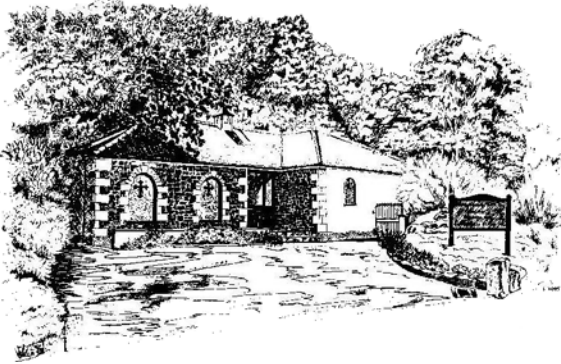

borders. Many things can be used for staking, old twiggy material looks natural; canes and string have a place but be careful not to poke your eyes on the end of the canes. There are some really nice plastic coated wire hoops and supports which can also be used. The choice is yours, but if you get in there before you need to the plants will soon grow through and hide whatever you use. June really is the month when everything goes mad.

I always mention well-rotted garden compost but never say anything more about it. At this time of year there is a lot of soft growth that will readily rot down to make a useful product. Firstly you need to construct something to hold all the material together in. There are many products that can be bought and lots of people use plastic systems very similar to coal bins where you put the green waste in the top and dig out at the bottom. I do not find these ideal as I find the access awkward. Some systems claim that you can make usable compost in six weeks, I have never found this to be the case and twelve months is a much more realistic timescale. What to put on the heap? I expect the bulk of your green waste to be lawn trimmings, Be careful as this can turn into a slimy mess so, if can add some dryer more woody material like hedge clippings, this may help. Put them through a shredder or run over them with a mower first if you can. Some experts suggest adding straw to the heap for dry material but I think that it is defeating the object to buy in material to compost down. Any annual weeds from the garden can be used but nothing which is seeding, nor perennial weeds such as docks, bindweed or couch grass as you will only be spreading the problem around your garden. The same goes for diseased mate-

rial; this is best burned or sent off with your green waste collection. I would not add trimmings from conifer trees either. Text books might say that the heap will heat up and kill all the seeds and diseases and this may be true in a commercial scale, but at home it is rarely the case except in the very centre of the heap. Lastly you need plenty of air going through the material to help the natural flora and fauna to decompose the material. This means regularly turning the heap out and putting it back. This is why people often have several heaps together, one empty, one being added to and one rotting down. Turning the compost heap is hard work but think of the good that it will do to your waist line.

Keep looking after those tomatoes: water daily, feed regularly once the fruit has begun to set and keep them tied in or wound on depending on the support system that you are using. Keep up to date with the side shooting. This is where you remove the shoots which appear in the leaf joints of the plant, and it is called cordon growing. Not all varieties require it and if you do not do it they will still crop, but personally I would never grow a variety which you do not side-shoot because they get untidy and are difficult to control. Well grown cordon plants pick easily, ripen evenly and get less disease as they have better airflow around them.

Keep on sowing your salads. Many people sow their main crop carrots now to help reduce carrot root fly problems. Sow and plant out most brassicas like cabbage, turnips, swedes and Kohl Rabi I would strongly recommend with these to grow them under a frame cover in a fine net, as this will help to stop damage from caterpillars and pigeons. I use hoops made from strong plastic piping. To stop problems with cabbage root fly grubs you need to place collars made from old carpet tight around the stems from the minute that the plants are put into the ground.

Lift your early potatoes as required and earth up you main crop potatoes. I often plant leeks into the ground where I have cropped the early spuds, but this may be the ideal spot to sow some beetroot for the novice class at the Autumn Show. Beetroot take about 14 weeks to grow to maturity and I find that they are quite amenable to grow. The very top showmen use a small bar or dibbler to make a six inch deep hole which is filled with some potting compost into which a few seeds are sown. The aim of this is to get a single straight tap root. Holes are made at six inch spacings. But good results can be gained by preparing the ground well and adding some general fertilizer. Making a shallow drill with a hoe and thinly sow the seed in the bottom, lightly cover with soil. When they are large enough, thin them out to six inches apart. Just be wary of slugs, snails, birds pulling them out and cats digging in the fresh soil.

June is the traditional time to sow your biennials - just as they are beginning to bloom in your garden it's time to think about next year. These plants are the Wall-flowers, Sweet Williams, Foxgloves and Canterbury bells. Tradition dictates that you find a patch in the vegetable garden, make sure that it is weed free and work the ground down to a fine tilth, then sow the seed in shallow drills a foot apart. It is often good to water the bottom of the drill before sowing to aid germination. Once they have grown on, they can be lifted and spaced out so that they are six inches or so apart. They can grow on from there until they are required in late summer or autumn to bed out or fill gaps. But to be honest I tend to grow mine in trays, as I find sometimes my seedlings get lost in weeds.

What else will I be doing this month? The lawn will need regular mowing, sweet peas will need regular tying in and the Dahlias will get planted out as the risk of a late May frost will have passed! Get out there and enjoy your gardening.

# The Herbal Medicine Cabinet

by Deanne Greenwood

BSc (Hons) Herb Med

My heart soared when I saw the first Foxglove (*Digitalis purpurea*) in bloom last month. This plant contains digoxin, which was synthesised to create the pharmaceutical heart drug of the same name – but it’s the plant’s statuesque beauty that captured my heart. They’ll be popping up all over the Lizard right through the summer.

Another of my favourite plants is St John’s wort (*Hypericum perforatum*), so-named because it’s said to flower on June 24<sup>th</sup> – St John’s Day. I associate the arrival of its bright yellow flowers with the Summer Solstice, which heralds the arrival of summer. Perhaps that’s part of the reason why the plant is such a renowned, and scientifically proven, antidepressant. It’s also an excellent remedy for anxiety, and has potent antiviral properties. I use it a lot in my practice.

Another wonderful plant for boosting the spirits is Lemon balm (*Melissa officinalis*), which is rampant in my garden and I’m sure many others in the area. You can make a refreshing tea from the leaves. In the summer I leave it to cool, put it in the fridge and sup through the day with ice and sprigs of mint. I also dry a good batch to use as a warming, uplifting tea through the winter months. Like St John’s wort, Lemon balm also has antiviral properties, and the tincture made from the aerial parts of the plant can be very effective when dabbed topically on cold sores.

There is likely to be a lot more interest in these two herbs, along with many others that have antibacterial, antifungal and antiparasitic (antimicrobial) properties, in the near future, following the recent World Health Organisation report stating that antimicrobial drug resistance is now a serious threat to our health. It said, “A future in which common infections and minor injuries can kill, far from being an apocalyptic fantasy, is instead a very real possibility for the 21st Century.” It will indeed be a case of returning to the herbal medicine cabinet!

4. **Police Report:** Apologies were received from PCSO Berry but she had supplied a report that was read by the Clerk. There was one reported crime during March 2014 - criminal damage to a motor vehicle, currently under investigation. Contact telephone numbers: 101 or 01326 555158.
5. **Reports from local groups: Royal British Legion Appeal:** it was reported the wreath laying was well attended and fundraising had raised £1137, slightly less than last year but a credit to the parish. Thanks were expressed for all those who helped.

**Grade Ruan Community Trust:** the Trust continued its activities concerned with managing Cadgwith car park and the three sets of public toilets in the parish. The car park remains the main source of income and most of the surplus is spent on improvements to the toilets.

'Welcome to Cadgwith' leaflets have proved very popular. In the past year, surplus funds have been used to donate to local good causes including the Gig Club, under 5's group and pledged funds towards the repainting cost of St Mary's Church. There are other long-term pledges outstanding towards the costs of play equipment, new pavilion and school minibus. The Trust is happy to receive requests for funding.

**Ruan Minor Village Hall:** it was reported there had been another successful year with good loyal support from the community and many events staged during the year. All expenditure on maintenance and improvements had been covered by fundraising and events throughout the year. The weekly market is a vital part of the hall's success. The AGM is on 9 May and new committee members are desperately needed.

**Gig Club:** it was reported the Club has received lots of interest from teenagers and the Junior section continues to excel. It was noted that the shed is in need of some attention.

**Recreation Ground:** it was reported that the committee is still carrying on works to keep the field in good order (and for this reason it was noted that horse-riding is not allowed). The existing pavilion continues to leak and the committee continue to look at a scheme for a new pavilion and explore fundraising avenues.

**Ruan Revellers:** the group was formed in October 2013 under the guidance of Angela Agutter, with the idea of presenting a village pantomime. With the help of sponsorship from Grade Ruan Parish Council, other sponsors and donations, this went ahead and was a great success. Over 40 people of all ages were involved in the production, which was sold out in advance. A video of the production will be shown in June. The group are currently considering a summer production

Other community matters:** Claire Bollard, owner of the village shop in Ruan Minor, expressed great concern about the Parish Council's Right to Bid application concerning the village shop, the implications of which she had only just been made aware of. Councillor Freeman gave a general background to the process with regard to assets of community value. It was agreed that Councillor Freeman (and the Chairman if available) would meet with Claire to discuss the matter further. Mr Coates also expressed great concern that the Parish Council had not published details of the Right to Bid applications and it was agreed that a list would be included in the minutes of the next Parish Council meeting.

The Annual Parish Meeting closed at 7.30 pm and was immediately followed by the April Monthly Meeting of the Grade Ruan Parish Council.

**Minutes of the Monthly Meeting of the Grade Ruan Parish Council held in the Sunday School Room of the Ruan Minor Methodist Chapel on Monday 14 April 2014 from 7.30pm**

**Present:** Parish Councillors J Preston (Chair), N Green (Vice-Chair), P Collins, M Fleetwood, P Freeman, S Stephens, J Trewin, Cornwall Councillor C Rule, Clerk J Castle

and 7 Members of the Public

1. **Absences and apologies:** Parish Councillor C Cooper, PCSO Julia Berry
2. **Declarations of interest:** Councillors Collins, Freeman and Green declared an interest in a payment item.
3. **Public time:** no questions
4. **Police report:** The report had been presented at the earlier parish meeting. During March, there had been 1 reported crime concerning car vandalism, currently under investigation.
5. **Cornwall Councillor's time:** Councillor C Rule reported on the top-tier reduction at the Cornwall Council, with 3 corporate directors ( instead of 6) plus the Chief Executive:
  - Trevor Doughty – Education, Health and Social Care
  - Paul Masters – Community and Organisational development, including finance.
  - Michael Crich – Economy, Enterprise & Environment (including planning, highways & transport).

Councillor Rule also asked the parish to promote the Council's new Apprenticeship Scheme initiative (funded by the European Social Fund) to encourage employers to take on apprentices. There is a poster to display on the Village Notice Board (info@cornwallapprenticeships.com).

With regard to funding for storm damage, Councillor Rule reported that Cornwall Council are fighting for funding from central government. The Parish Council were asked to submit its requests via her. The items where funding is being requested are with regard to : the steps down to Little Cove, concrete capping on the culvert down to the fishing beach and damage inside the Gig Shed (although this has insurance cover).

Councillor Rule also reported that she now has funds for this year in her community pot.

There was some detailed discussion regarding eligibility for affordable housing. Councillor Trewin emphasised that these were built for local people and there was concern that immediate need takes precedence over long-term locals. It was noted that both Cornwall Council and Coastline keep lists of applicants, who are assessed against the guidelines. Councillor Green agreed to refer a specific case to Councillor Rule for consideration.

6. **Minutes for acceptance:** The minutes of the monthly meeting held in March had been circulated and were amended for clarification as to why Councillor Fleetwood left the meeting and when he rejoined. Councillor Freeman proposed the minutes of 10 March 2014 be accepted and Councillor Green seconded. Carried 7 votes to 0.

**7. Planning:**

PA14/02413 - Eglos Farm, Ruan Minor. The erection of a proposed parlour, handling area and dairy building. This proposal was supported with the proviso that the public right of way which runs through the middle of the premises (Footpath 33) is reinstated. The path has been obstructed for a number of years. Proposed by Councillor Green and seconded by Councillor Fleetwood. Carried 7 votes to 0.

PA14/02828 – Chy An Deylek, St Ruan. Request for the removal of condition 7 (Planning 4.1.1991)

cont.

Parish Council Minutes - cont.

– required occupant to be employed or last employed in fishing. The Parish Council are opposed to the lifting of the condition as a local need remains. However the Parish Council would be minded to support a widening of the condition to include local need, rather than just fishing, and the Clerk was asked to consult Cornwall Council with regard to this. The proposal not to support the application was put by Councillor Collins and seconded by Councillor Green. Carried by 6 votes plus one abstention.

Alleged Chalet at Bodrigny Lodge – it was noted that there had now been a formal Planning Enforcement Complaint made by a local resident. The Clerk had queried this build with the planning department but had yet to receive a detailed response. It was proposed by Councillor Green and seconded by Councillor Preston that this matter is referred to Enforcement for clarification via our contact point. Carried 6 votes with 1 abstention.

PA14/03166– Land at Ruminella View, Cadgwith. This is a revised application for the erection of a dwelling, plus parking area with access off a private road. Mrs Holyer, the applicant, spoke to the meeting regarding the adjustments made to the original plans, including reduction of part of the building to single-storey and changes to the positioning. The re-design was aimed at dealing with the objections from neighbouring properties. It was noted that traffic concerns were an area of consideration for the Highways Department. Although there was much discussion regarding the prominent nature of the site and preference for a single-storey building, in view of the changes made it was proposed by Councillor Collins and seconded by Councillor Fleetwood that the application be supported. Carried 4 votes to 3.

PA13/11532– it was noted that the outline application for the erection of a 2 storey, 4 bedroom

**9. Matters arising from the minutes:**

- Former Church of Ruan Major St Rumonus - the Chairman had met with members of the Closed Churches Committee in Truro , where he had re-iterated the Parish Council’s support for of the Church and stressed the public interest in this matter. A structural survey had been carried out in 2010 by English Heritage and this had shown the tower to be in need of attention. The Chairman had been asked to contact a local tree surgeon to undertake work on the tower under the guidance of English Heritage as the building is listed. No requests had been made to the Parish Council for funding but the Chairman had agreed to follow up potential grant funding from Cornwall Heritage Trust and he confirmed to this meeting that he is happy to act as the local contact. It was agreed however that no financial responsibility should fall on the Parish Council. **ACTION: Councillor Preston**
- Play Area - Councillor Collins updated the meeting. He and Wendy Elliott had met with Tatia Churchill, who had provided some advice on grants. This still needs further clarification. The ear-marked 3 suppliers had been asked to provide a scheme to fit with the likely funding available from grant givers of c£55,000 and therefore there should be 3 quotes with the same cost but different equipment and layouts. 2 have responded to date. **ACTION: Councillor Collins**
- Parish Councillor Vacancy – the Chairman noted that Marita Jones had not contacted him following the interest she had expressed at the last meeting. Joey Clifton , present at this meeting, was asked to contact the Clerk or the Chairman if she wishes to be considered for co-option. (4 vacancies remain) **ACTION: Candidates to be asked to write to the Clerk and Chairman**
